The Autobiography of Foudini M. Cat Susan Fromberg Schaeffer,1997 I came into the world like everything else that is born willy nilly So the wise old housecat Foudini begins the delightful story of his life It is the tale of his orphaned kittenhood of how he was rescued cowering and spitting and hissing from a damp city basement and lured into the lives of the couple he came to call Warm and Pest All cats like to make up strange names for things It is the story of how Warm and Pest became his people Human beings must be excellent mousers they have such patience of how he learned to tolerate and then to love his dog Sam and of his adventures at Cold House in the city and Mouse House in the country he prefers Mouse House for obvious reasons With feline equanimity he tells how he was saved from a raging swollen river of how he lost the most unlikely and dearest friend he had and of how he gained a cat family of his own And he regales us with news of the ghost cats who visit him in his dreams the cats of Cleopatra and Freud among them bringing him their ancient cat wisdom which Foudini tries none too successfully at first to impart to Grace the sleek and beautiful gray country cat new to the household As Foudini sees it Grace is desperately in need of his guidance but being young and willful she has other things on her mind Yet even Grace comes to understand that Foudini M Cat is well worth listening to Warm and witty and possessed of a surprisingly sophisticated narrative manner Foudini is a cat with truly irrepressible and irresistible feline flair *The Autobiography of Foudini M. Cat* Susan Fromberg Schaeffer,1998-09-29 Grace the Cat is not at all like me as she is forever bent on mischief But because I am an older and wiser cat she looks to me for counsel and so I have allowed Grace to prevail upon me to set down the story of my life as a housecat in the human world As the irrepressible Foudini M Cat regales us with his adventures an exciting story unfolds After his valiant but frail mother leaves him in search for food and never returns the starving kitten is taken hissing and spitting to a frightening room with cages and men in white coats Facing the specter of eternal sleep the homeless cat is adopted by a woman he later calls Warm All cats like to make up strange names for things From here Foudini enchants us with splendid tales of his unlikely but ultimately poignant friendship with Sam the Dog their trips between Cold House in the city and Mouse House in the country his mystical experiences with famous felines of the past his near death in a raging river that leads to a profound act of sacrifice and his introduction to a silly young thing named Grace which evolves into something completely unexpected **Planet Cat** Sandra Choron,Harry Choron,Arden Moore,2007 Presents more than four hundred lists on various information on cats including cat breeds training and behavior as well as such topics as famous cats in history cat food recipes and gifts for pampered cats **Media Review Digest** C.
