Writing the Big Book
William H. The Book That Started It All
Anonymous, 2013-09-03 An extraordinary reproduction of the original working manuscript of the Big Book of Alcoholics Anonymous with an introduction and notes by a panel of celebrated AA historians The Book That Started It All offers fresh

insights into the history and foundation of the revolutionary Alcoholics Anonymous program Reproduced in this elegant gift edition the original working manuscript is the missing link in our understanding of what transpired between AA founder Bill Wilson s first draft of Alcoholics Anonymous and the first published edition In January 1939 Wilson and other AA founders distributed 400 copies of his typed manuscript to everyone they could think of who might be concerned with the problem of alcoholism to test out the program As the loan copies were returned suggestions for revision were considered and written out in colored pencil on one master copy that was eventually submitted for publication The many changes made in black green and red on page after page are shown here in their original form revealing the opinions debates and discussions that went into making the Big Book *The Little Red Book* Alcoholics Anonymous, The Little Red Book The Original 1946 Edition is a groundbreaking work that has helped countless individuals overcome alcoholism and find a path to recovery This powerful book written by the co founder of Alcoholics Anonymous Bill W offers profound insights practical guidance and hope for those struggling with addiction With its straightforward approach and timeless wisdom this edition serves as a testament to the enduring impact of the Alcoholics Anonymous program and its ability to transform lives **The Original First Edition-Big Book Stories** Gary Stebbings,2012-04-23 These are the original stories as they appeared in the first edition of the book Alcoholics Anonymous 1939 Each story has the author s name and in most cases where they were from On page 29 of the Big Book it says Each individual in the personal stories describes in his own language and from his own point of view the way he established his relationship with God And on page 50 it also says In our personal stories you will find a wide variation in the way each teller approaches and conceives of the Power which is greater than himself You ll notice the stories below conform to these descriptions Since the first edition some stories have been removed and others have been added Unfortunately some stories in our Big Book today do not even MENTION a Higher Power From this we see that the original purpose for including the stories was not primarily to help the reader to identify whether they are an alcoholic or not They were there to help the reader on their path to a Higher Power of their own understanding as they applied the Steps to their lives in Sobriety
