Alcohol Tobacco And Other Drugs Challenging Myths Assessing Theories Individualizing Interventions:

Alcohol, Tobacco, and Other Drugs Ann Augustine Abbott, 2000 Recognising that clients presenting with problems related to substance misuse represent a significant portion of most social worker s caseloads this book offers a comprehensive overview of the substance misuse problem and how it directly affects clients Research suggests that each user seriously affects the lives of four to six other people This compendium was produced in response to the growing concern of social workers about the limited material written solely for work with this population It grew out of a 5 year faculty development grant sponsored by the US Department of Health and Human Services Public Health Service and the Substance Abuse and Mental Health Services Administration

Evidence-Based Practice in the Field of Substance Abuse

Katherine van Wormer, Bruce A. Thyer, 2010 Evidence Based Practice in Substance Abuse Treatment is a reader on evidence based practices in substance abuse treatment The book is built around a core of treatment interventions that were published in several well known journals on substance abuse treatment and research in social work practice The purpose of the reader is to collect and comment on various forms of treatment that have proven effectiveness and to demonstrate how they have been applied in practice In addition the editors will provide a bridge analysis across chapters and sections connecting key themes across chapters and they will provide a discussion in each chapter that describes why the intervention was chosen its significance and why it is believed to be noteworthy In addition each chapter will contain critical thinking questions and the book will contain a glossary of key terms
