Superintendent of Documents, 1959 February issue includes Appendix entitled Directory of United States Government periodicals and subscription publications September issue includes List of depository libraries June and December issues include semiannual index

The Officer's Guide, 1952

The Annual American Catalog, 1900-1909, 1902

A Guide to the Sources of British Military History Robin Higham, 2015-10-05 Designed to fill an overlooked gap this book originally published in 1972 provides a single unified introduction to bibliographical sources of British military history Moreover it includes guidance in a number of fields in which no similar source is available at all giving information on how to obtain access to special collections and private archives and links military history especially during peacetime with the development of science and technology

The U.S. Army Combat Historian and Combat History Operations Kathryn Roe Coker, Jason Wetzel, 2023-09-14 How is history useful for an operational commander or to soldiers in general What role does history have for doctrine and training to the U S Army as an institution These are questions this book answers as the authors narrate the development combat historian and the evolving role of combat historians as they develop history into a useful tool for informing training operations and doctrine development New York Journal of Books In World War I Major General Pershing proposed the idea of establishing a historical office within the AEF headquarters The War Department reorganized

the General Staff to include a Historical Branch Evidence shows that soldiers acting as historians went down range albeit not into combat By World War II the situation had changed whether S L A Marshall s popping out of a billet in Sibret as a shells exploded on the road Forrest Pogue s typing on a little camp desk under an apple tree Chester Starr s terrain reconnaissance in the Mediterranean theater or Ken Hechler s command of a four man historical team interviewing soldiers at the Remagen Bridge and searching through secret documents the World War II combat historians were there behind and on the front lines with a notebook in one hand and their carbine in the other hand ever ready to collect battlefield information Eight historical service detachments were deployed to Korea The youngest commander 1st Lieutenant Bevin Alexander noted We were on the front lines the whole time We would interview the people afterwards and create a battle study After the Korean War the duties of the combat historian further evolved as what became the Center of Military History published doctrine about military history detachments MHDs As America s immersion in Vietnam escalated there was concern regarding historical coverage Chief of Military History Brigadier General Hal Pattison established a network of historical teams to collect information on the U S Army in the war A major development in the history program and in deploying MHDs came with the establishment of Headquarters U S Army Vietnam USARV under General William C Westmoreland s command In 1965 the history office was organized at Headquarters U S Army Vietnam USARV MHDs were deployed across Vietnam conducting combat after action interviews and collecting documents This study focuses on U S Army historical programs during combat operations from World War I to the Vietnam War with particular attention on the combat historians those individuals deployed to a theater of war with the mission of documenting the actions of that theater for current and future historical use
