Musemeche, MD, 2016-09-06 Trauma is a disease of epidemic proportions that preys on the young killing more Americans up to age thirty seven than all other afflictions combined Every year an estimated 2.8 million people are hospitalized for injuries and more than 180,000 people die We take for granted that no matter how or where we are injured someone will call 911 and trained first responders will show up to insert IVs stop the bleeding and swiftly deliver us to a hospital staffed by doctors and nurses with the expertise necessary to save our lives None of this happened on its own Told through the eyes of a surgeon who has flown on rescue helicopters resuscitated patients in trauma centers in Houston and Chicago and operated on hundreds of trauma victims of all ages *Hurt* takes us on a tour of the advancements in injury treatment from the battlefields of the Civil War to the state of the art trauma centers of today **The Story of a Heart** Rachel Clarke, 2024-09-10 Winner

of the Women's Prize for Nonfiction Shortlisted for the Baillie Gifford Prize An unforgettable and inspiring true story of how one family's grief transformed into a lifesaving gift written by a bestselling author and palliative care doctor The first of our organs to form and the last to die the heart is both a simple pump and the symbol of what makes us human as long as it continues to beat there is hope In *The Story of a Heart* Dr Rachel Clarke blends the history of medical innovations behind transplant surgery with the story of two children one of whom desperately needs a new heart One summer day nine year old Keira Ball was in a terrible car accident and suffered catastrophic brain injuries As the rest of her body began to shut down her heart continued to beat In an act of extraordinary generosity Keira's parents and siblings immediately agreed that she would have wanted to be an organ donor Meanwhile nine year old Max Johnson had been in a hospital for nearly a year valiantly fighting the virus that was causing his young heart to fail When Max's parents received the call they had been hoping for they knew it came at a terrible cost to another family in what Clarke calls the brutal arithmetic of transplant surgery The act of Keira's heart resuming its rhythm inside Max's body was a medical miracle But this was only part of the story While waiting on the transplant list Max had become the hopeful face of a campaign to change the UK's laws around organ donation Following his successful surgery Keira's mother saw the little boy beaming on the front page of the newspaper and knew it was the same boy whose parents had recently sent her an anonymous letter overflowing with gratitude for her daughter's heart The two mothers began to exchange messages and eventually decided to meet In this profoundly moving and beautiful humane book Rob Delaney Clarke relates the urgent journey of Keira's heart and explores the history of the remarkable surgery that made it possible stretching back over a century and involving the knowledge and

dedication of surgeons nurses and technicians immunologists and paramedics A powerful tale of two families linked by one heart The Story of a Heart is a testament to compassion for the dying the many ways we honor our loved ones and the tenacity of love
