advocacy of reason individualism and capitalism and depicts what Rand saw to be the failures of governmental coercion

Subject Guide to Books in Print ,1975      **Henry George News** ,1974      **Atlas Shrugged** Ayn Rand,2003 The astounding story of a man who said that he would stop the motor of the worldand did Tremendous in scope breathtaking in its suspense Atlas Shrugged is unlike any other book you have ever read      Ayn Rand & Atlas Shrugged Charles River Editors,2017-10-17 Includes a full length biography of Ayn Rand that examines her life works philosophy and legacy Includes a primer on Atlas Shrugged that will quickly bring readers up to speed on the plot characters themes symbols and philosophy of Rand s classic novel Includes pictures of Rand and important people in her life Includes many of Rand s most famous quotes from Atlas Shrugged and other works Includes a Bibliography for further reading Government help to business is just as disastrous as government persecution the only way a government can be of service to national prosperity is by keeping its hands off Ayn Rand Ayn Rand was born in St Petersburg Russia to Jewish parents on February 2 1905 as Alisa Zinov yevna Rosenbaum and she lived through the turbulence and transformation of early 20th century Russia Her first exposure to reading came after she taught herself how to read at age six and she decided at nine years old to become a writer after a chance encounter with the books of Victor Hugo the writer she admired most The seminal events in the young would be writer s life came just a few years later when she witnessed firsthand the Bolshevik Revolution and the ultimate Communist victory as a teenager Rand s experience with the maelstrom of this revolutionary zeal and cultural breakdown greatly contributed toward the formation of Rand s philosophy of objectivism individualism and anti religious ideas During her last year of high school she was introduced to the history of the United States and immediately decided to make America her model of what an ideal society should look like Rand came to the United States as a young woman for a visit in 1925 and as fate would have it she never returned to Russia In middle age Rand continued trying to write in some capacity as a profession but she had also formed her personal philosophy of integrating ethics metaphysics epistemology politics economics and sexuality into what came to be called Objectivism or as she called it a philosophy for living on earth Rand began writing Atlas Shrugged her enormous three part major novel each with ten chapters in 1946 Nearly 10 years after it was begun she finished what ultimately became her greatest achievement and she poignantly dramatized her unique philosophy Though Atlas Shrugged had been a popular title when Ayn Rand published it in 1957 it s quite possible that the only reference to it that many Americans heard before 2009 came from the hit series Mad Men However this staple of conservative and libertarian reader took on new life as the new Obama Administration sought to use government resources to fix financial problems In 2009 with the global economy hemorrhaging jobs and Western governments pouring hundreds of billions of dollars in taxpayer money to bail out troubled financial firms and large companies frustrated people and political analysts

turned to a book written over 50 years earlier as a guide out of the abyss Conservative politicians like Ron Paul who named his son after Rand and commentators like Glenn Beck and Rush Limbaugh publicly praised Rand and her works and Supreme Court Justice Clarence Thomas labeled Atlas Shrugged one of his favorite novels By January 2009 one article in the Wall Street Journal was titled Atlas Shrugged From Fiction to Fact in 52 Years Over the last few years Rand has become a household name and her works have seen their sales spike Rand and her work are now some of the most influential and relevant works in America today Ayn Rand Atlas Shrugged chronicles the life ideology and writings of the most famous Libertarian writer and it examines her seminal book in detail Along with pictures of important people places and events you will learn about Ayn Rand and her magnum opus like you never have before
