Atonement The Person And Work Of Christ:

Atonement Thomas F. Torrance, 2025-09-30 This companion volume to T F Torrance's *Incarnation The Person and Life of Christ* presents the material on the work of Christ centered in the atonement given originally in his lectures delivered to his students in Christian Dogmatics on Christology at New College Edinburgh from 1952-1978. Like the first volume, the original lecture material has been expertly edited by Robert Walker, complete with cross-reference to Torrance's other works. Readers will find this the most readable work of Torrance and together with *Incarnation* the closest to a systematic theology we have from this eminent theologian.

Atonement Thomas F. Torrance, 2014-09-09 This companion volume to T F Torrance's *Incarnation The Person and Life of Christ* presents the material on the work of Christ centered in the atonement given originally in his lectures delivered to his students in Christian Dogmatics on Christology at New College Edinburgh from 1952-1978.

Atonement Thomas F. Torrance, 2009 This companion volume to T F Torrance's *Incarnation The Person and Life of Christ* presents the material on the work of Christ centered in the atonement given originally in his lectures delivered to his students in Christian Dogmatics on Christology at New College Edinburgh from 1952-1978.

Incarnation Thomas F. Torrance, 2025-08-04 The late Thomas F. Torrance has been called the greatest Reformed theologian since Karl Barth and the greatest British theologian of the twentieth century by prominent voices in the academy. His work has profoundly shaped contemporary theology in the English-speaking world. This first of two volumes comprises Thomas Torrance's lectures delivered to students in Christian Dogmatics on Christology at New College Edinburgh from 1952 to 1978 and amounts to the most comprehensive presentation of Torrance's understanding of the incarnation ever published. In eight chapters, these expertly edited lectures highlight Torrance's distinctive belief that the object of our theological study, Jesus Christ, actively gives himself to us in order that we may know him. They also unpack Torrance's well-developed understanding of our union with Christ and how it impacts the Christian life as well as his reflections on the in-breaking of Christ's kingdom and its intense conflict with and victory over evil. Decidedly readable and filled with some of Torrance's most influential thought, this will be an important volume for scholars, professors, and students of Christian theology for decades to come.

The Person and Work of Jesus Christ Nathan Eusebius Wood, 1908

Approaching the Atonement Oliver D. Crisp, 2020-02-11

Theologian Oliver Crisp explores the meaning of the cross and the various ways that the death of Jesus has been interpreted in the church's history from ransom theory in the early church to penal substitutionary theory to more recent feminist critiques. What emerges is a more complex, expansive, and fruitful understanding of the atonement and its significance for the Christian faith today.

The Word Enfleshed Oliver D. Crisp, 2016-09-20 A Fresh Theological Account of the Person and Work of Christ. The literature on Christology is large and ever-expanding. The same is true for work on the atonement, which has blossomed in the last decade. Few studies attempt to connect the dots between these two theological topics, however. In this volume, respected theologian Oliver Crisp offers a fresh analytic theological account of the person and work of Christ.

focusing on the theme of union with God Incarnate Along the way he engages a range of contemporary and historic Christian thinkers and tackles a number of key issues in contemporary discussions Wide ranging and carefully argued this unified account of the person and work of Christ will be of interest to scholars and students of Christian theology The Work of Christ P. T. Forsyth,1996-07-11 The Work of Christ by Scottish minister and Biblical scholar P T Forsyth explains the character and deeds of the Lord Jesus and how they affect Christian beliefs and life philosophy Adapted from a series of lectures the author delivered to gatherings of young and newly ordained ministers this book is an engaging and competent example of Biblical scholarship Well received by his audience the author was encouraged to publish these thoughts in a book their central pillar that Christ s life and works pierce to the heart of theological study remains a poignant reflection upon the New Testament The qualities of a good Christian are found to be intricately related to what Jesus said during his famous sermons and teachings Qualities of self sacrifice spiritual reflection and atoning for our sins are discussed The author also discusses Christ s philosophical words on the subject of reconciliation why the principles of reconcile can blossom into a way of life Latterly the author examines the Christian cross and its symbolism before embarking on a discussion of the challenges and problems facing the modern day Christian For the author reconciling belief in God and Jesus Christ with elements of philosophy and recognizing the gravity of the Savior s words and martyrdom is crucial for all believers in the present time

Atonement: A Guide for the Perplexed Adam J. Johnson,2015-07-16 Christians agree that they are saved through the death and resurrection of Christ But how is the atonement achieved in these events This book offers an introduction to the doctrine of the atonement focused on the unity and diversity of the work of Christ Johnson reorients current patterns of thought concerning Christ s work by giving the reader a unifying vision of the immensely rich and diverse doctrine of the atonement offering a sampling of its treasures and cultivating the desire to further understand and apply these riches to everyday life Where introductions to the atonement typically favor one aspect of the work of Christ or work with a set number of themes aspects or theories this book takes the opposite approach developing the foundation for the multi faceted nature of Christ s work within the being of God himself It offers a grand unifying vision of Christ s manifold work Specific elaborations of different theories of the atonement biblical themes and the work of different theologians find their place within this larger rubric *Exploring Christology and Atonement* Andrew Purves,2015-08-07 The Scottish theologians John McLeod Campbell Hugh Ross Mackintosh and Thomas F Torrance were theologians of reconciliation who emphasized the reality of God s redemptive grace in the person and work of Jesus Christ In this magisterial treatment Andrew Purves unfolds the riches of their theology for pastoral ministry today The Unassumed Is the Unhealed Kevin Chiarot,2013-09-24 This work addresses a pivotal and controversial area lying at the heart of T F Torrance s Christology Namely that Jesus Christ assumed fallen and sinful humanity and living out a sinless life from within our alienated state healed our human nature This is a claim that is conceptually basic to Torrance s integration of incarnation and atonement and thus to his soteriology as a

whole It s pervasive nature and its significance within the overall structure of Torrance s thought is thoroughly and sympathetically set forth Christ s assumption of sinful flesh is seen to lie underneath a number of disputed areas in Torrance s thought such as the role or lack thereof of human responsibility and the question of universalism This work not only illuminates but rigorously examines the claim that the unassumed is the unhealed **Person and Work of Christ:**

Understanding Jesus A T B McGowan,2012-07-01 An exciting and challenging reflection on the person and work of Christ through the history of the doctrine with application to today s Christians in today s world This book is a fresh and exciting exercise in historical theology McGowan examines the gradual development over centuries of the church s understanding of the person and work of Jesus Christ assessed in the light of what the Scriptures have to say on the subject The book highlights the developing understanding together with the mistakes and heresies that forced the church into defining the truth about Christ more clearly The great debates are examined with unique insight and sensitivity and the debate is brought right up to the present day with application for the contemporary church **Mercer Dictionary of the Bible** Watson E.

Mills,Roger Aubrey Bullard,1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus **The Scriptural Doctrine of Sacrifice** Alfred Cave,1877 The Humanity of Christ James

P. Haley,2017-10-12 This work is a critical analysis of Karl Barth s unique adoption of the concepts anhypostasis and enhypostasis to explain Christ s human nature in union with the Logos which becomes the ontological foundation that Barth uses to explain Jesus Christ as very God and very man The significance of these concepts in Barth s Christology first emerges in the G ttingen Dogmatics and is then more fully developed throughout the Church Dogmatics Barth s unique coupling together of anhypostasis and enhypostasis provides the ontological grounding flexibility and precision that so uniquely characterizes his Christology As such Barth expresses the Word became flesh as the revelation of God that flows out of the coalescence of Christ s human nature with his divine nature as the mediation of reconciliation This ontological dynamic provides the impetus for Barth s critique of Chalcedon s static definition of the union of divine and human natures in Christ from which Barth transitions to an active definition of these two natures Not only does anhypostasis and enhypostasis explain the dynamic union between the divine and human natures in Christ but also the dynamic union between Jesus Christ and his Church which reaches its apex in the reconciliation of humanity with God in Christ The ontological foundation of anhypostasis and enhypostasis in Christ s union with his Church explains the importance of the royal man in understanding genuine human nature the exaltation of human nature and the sanctification of human nature **The Person and Work of**
