American Prometheus Ronald Reagan And The Modernization Of China:

American Prometheus David Richard Petriello,2013-11 This book examines the tremendous modernization of China over the past 30 years from a backwards nation to a world power Yet this process was not purely internally driven The administration of Ronald Reagan was largely responsible for the funding and legislation necessary to allow America to help propel China forward Reagan served as a modern day Prometheus employing a free market model in which every avenue from military exchanges to cultural interactions were used to modernize the East Asian giant Deng Xiaoping and Ronald Reagan worked together to accomplish this unprecedented feat In the end neither man could have achieved by themselves or in such a short time period what they accomplished together This book details the previous failed attempts by both the USSR and Beijing itself to modernize China Likewise the actions of Nixon and Carter are thoroughly detailed to show that while small successes were achieved during the 1960s and 1970s they were not enough to propel China forward on the path to modernity

Military History of New Jersey David Petriello,2014-08-05 War came to Garden State soil early The Dutch fought the Indians in Kieft's War while the English fought the Spanish in the War of Jenkins Ear and the French Swedes and native nations in dozens of other conflicts New Jersey played an integral role as the Crossroads of the American Revolution The Battle of Trenton the crossing of the Delaware and battles at Monmouth and Springfield helped the colonies break free from Britain During both world wars German submarines lurked along the coastline Historian David Petriello presents a comprehensive military history of New Jersey highlighting the state's major and lesser known engagements and contributions to the defense of the nation
