Basic Issues in Medieval Philosophy - Second Edition Richard N. Bosley, Martin M. Tweedale, 2006-05-09 In this important collection the editors argue that medieval philosophy is best studied as an interactive discussion between thinkers working on very much the same problems despite being often widely separated in time or place Each section opens with at least one selection from a classical philosopher and there are many points at which the readings chosen refer to other works that the reader will also find in this collection There is a considerable amount of material from central figures such as Augustine Abelard Duns Scotus and William of Ockham as well as extensive texts from thinkers in the medieval Islamic world Each selection is prefaced by a brief introduction by the editors providing a philosophical and religious background to help make the material more accessible to the reader This edition updated throughout contains a substantial new chapter on medieval psychology and philosophy of mind with texts from authors not previously represented such as John Buridan and Peter John Olivi

The Apocalypse Explained According to the Spiritual Sense. By Emanuel Swedenborg, Etc. [With the Text. Translated by William Hill. Vol. 1, 4, 5, 6 Revised by Francis de Soyres, Vol. 2, 3, Revised by James Mitchell.], 1840

Bodies of Memory Yoshikuni Igarashi, 2012-01-09 Japan and the United States became close political allies so quickly after the end of World War II that it seemed as though the two countries had easily forgotten the war they had fought Here Yoshikuni Igarashi offers a provocative look at how Japanese postwar society struggled to understand its war loss and the resulting national trauma even as forces within the society sought to suppress these memories Igarashi argues that Japan's nationhood survived the war's destruction in part through a popular culture that expressed memories of loss and devastation more readily than political discourse ever could He shows how the desire to represent the past motivated Japan's cultural productions in the first twenty five years of the postwar period Japanese war experiences were often described through narrative devices that downplayed the war's disruptive effects on Japan's history Rather than treat these narratives as obstacles to historical inquiry Igarashi reads them along with counter narratives that attempted to register the original impact of the war He traces the tensions between remembering and forgetting by focusing

on the body as the central site for Japan's production of the past. This approach leads to fascinating discussions of such diverse topics as the use of the atomic bomb, hygiene policies under the U.S. occupation, the monstrous body of Godzilla, the first Western professional wrestling matches in Japan, the transformation of Tokyo and the athletic body for the 1964 Tokyo Olympics, and the writer Yukio Mishima's dramatic suicide while providing a fresh critical perspective on the war legacy of Japan.

Emanuel Swedenborg as a Man of Science Woodbury Melcher Fernald, 1860 *Heaven and Hell* Emanuel Swedenborg, 1958-12-31 In his most popular and influential work Swedenborg describes his journeys through the afterlife, the soul's experience of dying and then being resurrected in heaven, how each of us finds a community there in which to live, and how we can ultimately become angels. *Heaven and Hell* is a powerful affirmation that we are all born for heaven regardless of background or religion, and that the choices we make in this world shape our destiny in the next.

The Apocalypse explained according to the spiritual sense. From the Lat Emanuel Swedenborg, 1886 ***In the Company of Demons*** Armando Maggi, 2008-05-12 Who are the familiar spirits of classical culture, and what is their relationship to Christian demons? In its interpretation of Latin and Greek culture, Christianity contends that Satan is behind all classical deities, semi-gods, and spiritual creatures, including the gods of the household, the lares and penates. But with *In the Company of Demons*, the world's leading demonologist Armando Maggi argues that the great thinkers of the Italian Renaissance had a more nuanced and perhaps less sinister interpretation of these creatures or spiritual bodies. Maggi leads us straight to the heart of what Italian Renaissance culture thought familiar spirits were. Through close readings of Giovan Francesco Pico della Mirandola, Strozzi, Cigogna, Pompeo della Barba, Ludovico Sinistrari, and others, we find that these spirits or demons speak through their sudden and striking appearances, their very bodies seen as metaphors to be interpreted. The form of the body Maggi explains relies on the spirits' knowledge of their human interlocutors' pasts. But their core trait is compassion, and sometimes their odd, eerie arrivals are seen as harbingers or warnings to protect us. It comes as no surprise, then, that when spiritual beings distort the natural world to communicate, it is vital that we begin to listen.

Theorizing Histories of Rhetoric Michelle Ballif, 2013-02-25 During the decades of the 1980s and 1990s, historians of rhetoric, composition, and communication vociferously theorized historiographical motivations and methodologies for writing histories in their fields. After this fertile period of rich, contested, and impassioned theorization, scholars busily undertook the composition of numerous historical works, complicating master narratives and recovering silenced voices and rhetorical practices. Yet though historians in these fields have gone about the business of writing histories, the discussion of theorization has been quiet. In this welcome volume, fifteen scholars consider once again the theory of historiography, asking difficult questions about the purposes and methodologies of writing histories of rhetoric, broadly defined, and questioning what it means, what it should mean, what it could mean to write histories of rhetoric, composition, and communication. The topics addressed include the privileging of the literary and the textual over material artifacts as prime sources of evidence in the study of classical rhetoric.

the use of rhetorical hermeneutics as a methodology for interpreting past practices the investigation of feminist methodologies that do not fit into the dominant modes of feminist historiographical work and the examination of archives with a queer eye to better construct nondiscriminatory narratives Contributors also explore the value of approaching historiography through the lenses of jazz improvisation and complexity theory and the historiographical method of writing the future in ways that refigure our relationships to time and to ourselves Consistently thoughtful and carefully argued these essays successfully revive the discussion of historiography in rhetoric inspiring fresh avenues of exploration in the field

Edgar Cayce on Angels, Archangels and the Unseen Forces Robert J. Grant, 2005-06 The next step for those who want to discover angels in their lives this book goes beyond angelic appearances to a keen new awareness of how angels influence world evolution and one's own personal psyche You will explore new research on angels roles in personal and planetary karma the angelic hierarchy the origin and destiny of Christ archangels and fallen angels and the meaning of angels in the Revelation

Elemental Angels Volume One: A Paranormal Romance Boxed Set Aimee Robinson, 2024-04-30 Four headstrong women Four fallen angels Four heart stopping journeys to uncover and claim their fated mates if fate doesn't have other plans for them first Fall in love with volume one of this paranormal romance boxed set full of shifting fallen angels sassy heroines sweet seduction and sizable wingspans Angel's Target His job is to vanquish the demon threat But when a mortal woman gets stuck in the crossfire can he protect her from the new target on her back Titan is second in command of the fallen sentinel angels a fearsome group of earthbound angels who are tasked with protecting heaven from the demon charmers But when a mortal woman becomes a target of his enemy he saves her only to discover she looks just like the woman he lost months ago Not a day goes by that Rose Meyer doesn't spend looking for her twin sister What she finds however is a frightening magic user intent on killing her and a hulking angel of gleaming metallic titanium who shuttles her out of the kill zone As Titan's power grows so does the mysterious bond between him and the woman occupying his every thought When they learn that Rose unknowingly possesses what the demons are searching for their deep connection is tested as tensions run high Because this elemental angel refuses to put her in harm's way Even if it means shattering his heart in the process Angel's Duty Her touch rekindled his dormant power yet she wants nothing to do with him Can he convince her he's more than the stuff of her nightmares Tungsten leader of the fallen sentinel angels has one job restore heaven's light to its celestial throne and cut down any demon charmers who get in his way A task made difficult when the very light he's sworn to protect manifests in the one mortal woman who refuses to even look at him Any day now Tammy Meyer hopes her life will return to normal But normal is a pipe dream when for her protection a fallen angel is assigned as her bodyguard An angel who claims she's something more just like the demons had But Tammy refuses to be managed Especially not by a dangerously strong angel whose constant nearness threatens to break through her indestructible resolve When a great enemy resumes the hunt for Tammy and threatens to annihilate the sentinels Tungsten must convince her to let him in before

heaven's guard and his heart is destroyed for good Reader advisory Angel's Duty contains themes of abduction and post traumatic stress Angel's Devotion A quiet beauty risks it all to save a stranger except the man she rescues is no man at all but a fallen angel one who has been admiring her in secret for years The last thing Bridget Olsen needs is an unconscious man bloodied and scarred draped across her back deck But the sight of two solid steel wings jutting from the stranger's chiseled back gives her pause A dangerous curiosity and long denied temptation outweigh her good sense and she misguidedly helps him For four years Steel has silently watched over shy Bridget His secret reason eats at him every day but it's one he'll never share When the battle against the demon charmers intensifies one unseen strike blasts him out of the sky and lands him at Bridget's doorstep the one place he'd sworn to never go An unspoken pull flares bright between them and undeniable passion ignites their soul bond When Steel's enemies return to finish the job they started he and Bridget must summon the courage to come together and face their pasts before the demons destroy their futures Angel's Light He never forgot that one night of searing passion Now he's finally found her but she doesn't remember him and she's working for his enemy Drea Arnold is no stranger to the weird and unusual and thought herself immune to surprises That is until a brawny military style man with the looks and attitude to match follows her home from work one night spouting nonsense about fallen angels and immortal mages The wickedly handsome man insists he knows her but he's crazy as crazy as the strange feelings he stirs inside her It's been eons since Chrome laid eyes on Drea and he's never forgotten her Drea's memory loss offers an opportunity for a second chance but with her being as good as human and unknowingly working in the demon stronghold would his revelations only bring peril upon her Renewed passion for an undeniable hunger grows between them even as the demons latest weapon against the sentinel angels comes to light It's only a matter of time before the truth shatters the mists of the past and the demons come hunting for them both The Normal Pointer, 1895 **The Trinity** Saint Augustine (of Hippo), 1990 A splendid translation made from a trustworthy Latin text of what is for some of us the foundation work of Christian theology He has fitted out his translation clearly the best of the four that have been made into English with notes that go well beyond the perfunctory and a 38 page introduction that is a delight to read Journal of Religion and Health Barry Ulanov **War and Death in the Music of George Crumb** Abigail Shupe, 2022-09-02 This book studies George Crumb's *The Winds of Destiny* 2004 and *Black Angels* 1970 as artifacts of collective memory and cultural trauma It situates these two pieces in Crumb's output and unpacks the complex methodologies needed to understand these pieces as contributions and challenges to traditional narratives of the Civil War and the Vietnam War *The Winds of Destiny* is shown to be a critical commentary on the legacy of American wars and militarism both concepts crucial to American identity *The Winds of Destiny* also acts as an ironic war memorial as a means of critiquing such concepts *Black Angels* has long been associated with the Vietnam War This book shows how this association began and how it endures through connections to iconic Vietnam War media including films and books Together these analyses show the legacy of trauma in American collective memory which is

in a continuous crisis Crumb's musical critiques point to a need to resist conventional narratives and to begin to heal trauma on a collective level This book will be of interest to students of contemporary American music American studies and memory studies It benefits readers by newly situating Crumb's music within these three fields of study Christmas Memories from Mississippi Charline R. McCord, Judy H. Tucker, 2010-09-27 This beautiful book of thirty eight essays illustrated by Mississippi's premier watercolorist Wyatt Waters will ring true with treasured recollections of Christmases past Remember the Christmas it snowed on the Mississippi Coast Glen Allison recalls that miracle Richard Ford and Waters tell exactly what they felt when they first laid eyes on a bicycle left under the tree by Santa Claus These Mississippians celebrate Christmas pageants the decorating the family dinners even as they recognize war and loss as part of our lives and sometimes part of our holidays Christmas Memories from Mississippi looks at the holidays from the early twentieth century through the present and offers the celebrations from various points of view both religious and secular This book makes an ideal memento of shared traditions and lovingly extends the spirit of the season across the state's diversity

Clinical Guide to Psychiatric Assessment of Infants and Young Children Karen A. Frankel, Joyce Harrison, Wanjiku F.M. Njoroge, 2019-04-02 This book provides a clinical guide to the psychiatric assessment of infants and young children birth through five years and their families It offers a comprehensive data rich framework for conducting mental health assessments of infants toddlers and preschoolers The book includes a step by step guide for evaluation and assessment reviewing relevant literature and best practices for working with very young children It begins with an overview of the purpose and principles of psychiatric assessment and offers a protocol for planning and executing a thorough evaluation Chapters examine critical aspects of the assessment process including children's relationships with parents caregivers assessment of parents cultural considerations and play behaviors Chapters also provide illustrative case vignettes and information on specialized tools that can be adapted for use in a private office or training clinic Topics featured in this book include Play based assessment models for accessing the inner world of young children The effect of caregivers and their reflective functioning on the mental health of young children The use of adult report rating scales in the clinical assessment of young children Psychopharmacologic considerations in early childhood The Clinical Guide to Psychiatric Assessment of Infants and Young Children is a must have resource for researchers clinicians and related professionals and graduate students in infancy and early childhood development pediatrics social work psychiatry and public health The volume is both highly practical and up to date impressively bridging the gap between science and practice The book is an invaluable guide for students and trainees and an important reference for seasoned clinicians David Oppenheim Ph D University of Haifa The book integrates relational developmental and social emotional health dimensions within each chapter reviewing subjective and objective measures in a range of domains The book is clear and user friendly I wholeheartedly recommend it Daniel S Schechter M D New York University School of Medicine This important new volume provides multiple perspectives on the entire range of assessment

methods and procedures used in early childhood mental health This is a vital read for students and practitioners Charles H Zeanah M D Tulane University
