Gurley, Ernest E. Dean, 2013 A familiar sight in America today is seeing two young men wearing ties white shirts with name tags and black pants pedaling their bicycles through towns and neighborhoods Most recognize the uniform of young Mormon missionaries on their two year mission seeking to promote and convert anyone willing to listen to their story What is becoming increasingly familiar is the rise of entertainment and political figures also identifying themselves as practicing Mormons What is difficult for many Americans is deciding whether the gospel the LDS Church has promoted over the past two centuries is the same gospel proclaimed by traditional Christian churches over the past two millennia Are they sincere Christians a non Christian cult or something else altogether This book seeks to provide an understanding of the history and basic beliefs of traditional Christianity and compare them to the history and beliefs of Mormonism *The Genius of Judy* Rachelle Bergstein, 2025-05-06 NATIONAL BESTSELLER This lively and important portrait of a true literary revolutionary Los Angeles Times explores Judy Blume's life work and cultural impact focusing on her most iconic and controversial young adult novels from *Are You There God It's Me Margaret* to *Blubber* Everyone knows Judy Blume Her books have garnered her fans of all ages for decades and sold tens of millions of copies But why were people so drawn to them And why are we still talking about them now in the 21st century In

The Genius of Judy her remarkable story is revealed as never before beginning with her as a mother of two searching for purpose in 1960s suburban New Jersey The books she wrote starred regular children with genuine thoughts and problems But behind those deceptively simple tales Blume explored the pillars of the growing women s rights movement in which girls and women were entitled to careers bodily autonomy fulfilling relationships and even sexual pleasure Blume wasn t trying to be a revolutionary she just wanted to tell honest stories but in doing so she created a cohesive culture altering vision of modern adolescence Blume s bravery provoked backlash making her the country s most banned author in the mid 1980s Thankfully her works withstood those culture wars and it s no coincidence that Blume has resurfaced as a cultural touchstone now Young girls are still cat called sex education curricula are getting dismissed as pornography and entire shelves of libraries are being banned As we face these challenges it s only natural we look to Blume the grand dame of so called dirty books This is the ground breaking BookPage story of how a housewife became an artist and how generations of empowered fans are her legacy today more than ever
