Dr I Pearson

Argentinian Tango Folk Tunes Piano:

Argentinian Tango and Folk Tunes for Piano Julian Rowlands, 2014 Piano Collection A collection of beautiful pieces arranged for solo piano drawn from the rich tradition of Argentinean music Includes performance notes and history along with a CD of full performances

Habaneras, Maxixes & Tangos Bill Matthiesen, 2010-10-07 This collection showcases the syncopated piano music of Latin American during the nineteenth and early twentieth centuries It features Latin rhythms which are really African rhythms brought to the Americas by slaves and applied to the music of the European colonists These rhythms are varied and complex and so is their history They've had a widespread and profound influence on the evolution of popular music not only in Latin America but also in the United States the most obvious offshoots are the tango in Argentina and Uruguay and most of the other popular dances of South and Central America as well as ragtime and jazz in the United States Jelly Roll Morton claimed this Latin tinge is the essential element that distinguishes jazz from ragtime These rhythms are the musical roots of groups like the Buena Vista Social Club Includes historic tangos written by Ignacio Cervantes Cuba Manuel Saumell Cuba Juan Morel Campos Puerto Rico Jose Quinton Puerto Rico Ernesto Nazareth Brazil Tomas Leon Mexico Sebastian Yradier Spain Eduardo Sanchez du Fuentas Cuba Will Tyers USA Vincente Greco Argentina Anselmo Rosendo Mendizabal Argentina Angel Villoldo Argentina Eduardo Arolas Argentina Juan Maglio Argentina

Argentinean Tangos for Keyboard Bill Matthiesen, 2011-03-11 A stunning sampler of romantic piano solos from the early days of the tango Here is the first extensive collection of early tango music ever published outside of Argentina This anthology presents 42 facsimile piano scores in a wide range of tango styles found in 19th century Argentina and Uruguay Selections include classics by Argentina's and Uruguay's most famous guardia vieja old guard composers written during the tango's formative years between 1900 and 1920 Many of these pieces evoke musical parallels with American piano rags of the same era These wonderful early tangos embody the full emotional depth and rhythmic complexity of this fascinating genre yet are accessible to players of varied abilities

The Argentine Folklore Movement Oscar Chamosa, 2010-11-15 Oscar Chamosa's book is an ambitious foray into largely uncharted intellectual waters Chamosa writes well knows how to drive a narrative forward knows how to integrate his theory into the story he is telling and never loses sight of the forest for the trees Daniel James author of *Dona Maria's Story Life History Memory and Political Identity* Oscar Chamosa brings forth the compelling story of an important but often overlooked component of the formation of

popular nationalism in Latin America the development of the Argentine folklore movement in the first part of the twentieth century This movement involved academicians studying the culture of small farmers and herders of mixed indigenous and Spanish descent in the distant valleys of the Argentine Northwest as well as the artists and musicians who took on the role of reinterpreting these local cultures for urban audiences of mostly European descent Oscar Chamosa combines intellectual history with ethnographic and sociocultural analysis to reconstruct the process by which mestizo culture in Argentina called criollo culture came to occupy the center of national folklore in a country that portrayed itself as the only white nation in South America The author finds that the conservative plantation owners the sugar elites who exploited the criollo peasants sponsored the folklore movement that romanticized them as the archetypes of nationhood Ironically many of the composers and folk singers who participated in the landowner sponsored movement adhered to revolutionary and reformist ideologies and denounced the exploitation to which those criollo peasants were subjected Chamosa argues that rather than debilitating the movement these opposing and contradictory ideologies permitted its triumph and explain in part the enduring romanticizing of rural life and criollo culture which are essential components of Argentine nationalism The book not only reveals the political motivations of culture in Argentina and Latin America but also has implications for understanding the articulation of local culture with national politics and entertainment markets that characterizes cultural processes worldwide today *Argentina* Erin McCloskey, 2011-12-20 A new edition of the most in depth guide available to Argentina that takes you beyond the tango traps to the must dos and hidden gems from urban luxury to awesome natural landscapes

Continuum Encyclopedia of Popular Music of the World, Volume 1 John Shepherd, David Horn, Dave Laing, Paul Oliver, Peter Wicke, 2003-03-06 The Bloomsbury Encyclopedia of Popular Music Volume 1 provides an overview of media industry and technology and its relationship to popular music In 500 entries by 130 contributors from around the world the volume explores the topic in two parts Part I Social and Cultural Dimensions covers the social phenomena of relevance to the practice of popular music and Part II The Industry covers all aspects of the popular music industry such as copyright instrumental manufacture management and marketing record corporations studios companies and labels Entries include bibliographies discographies and filmographies and an extensive index is provided This and all other volumes of the Encyclopedia are now available through an online version of the Encyclopedia https://www.bloomsburypopularmusic.com/encyclopedia/work/docid/BPM_reference_EPMOW A general search function for the whole Encyclopedia is also available on this site A subscription is required to access individual entries Please see <https://www.bloomsburypopularmusic.com> for librarians **World Musics in Context** Peter Fletcher, 2004-04-29 World Musics in Context is a wide ranging survey of musics of the world in their historical and social contexts from ancient times to the present day Ethnomusicologist Peter Fletcher begins by describing aspects of musical style and function in relation to the early developments of civilizations He then goes on to explore in five parts music of the ancient world music of Africa and Asia European music North and South
