Apocalyptic Fever Richard G. Kyle, 2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In *Apocalyptic Fever* Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more *Waiting for Antichrist* Damian Thompson, 2005-04-21 Damian

Thompson looks at the members of one religious group with a strong apocalyptic tradition Kensington Temple a large Pentecostal church in London and attempts to understand how they reconcile doctrines of the end of the world with the demands of their everyday lives

The Day and the Hour Robin H. Hitsman,2011-05 Do you believe Jesus Christ is coming to get his church very soon like He said He would There is a stirring in the heavenly realms like this generation has never known The world can sense it but can the sons and daughters of God The world is looking for the pomp and circumstance of a star and this will deceive many The church needs to have different expectations The Word of God tells us to look forward to the coming of our Savior Jesus who said He would come back for His saints when it was time Do you trust the Word of God Do you believe what He says Like the parable of the ten virgins in Matthew the church needs to be ready for the return of her bridegroom Using mathematical calculations and Scripture Robin Hitsman shows that Old Testament prophecy is how we can determine exactly when the Second Coming will occur Woven throughout Scripture is the answer to life s most important question and we need to be ready waiting and watching because The Day and the Hour Is Sooner Than We Think **A**

Rapture Redux Daniel J. Gansle,2007-08 Rapture Redux Living With Hope and Purpose in the Last Days is a life changing book that takes on one of the most misunderstood and controversial issues of our day the pre Tribulation Rapture of the Church While many interpret the Rapture as a negativistic gloom and doom event Rapture Redux finds it otherwise In fact the Rapture is the most joyous most blessed time in church history Filled with hope inspiration life application side notes and a passion for God s truth in prophecy Rapture Redux does not disappoint Order a copy of Rapture Redux today and see what everyone s talking about *Daniel and Revelation* Ed Pittman,2020-07-07 In 1987 when Ed joined a new church the pastor was teaching on the book of Revelation Ed so enjoyed the teaching that he decided to read what others had to say about Revelation He quickly learned that there were many different interpretations of Revelation and other books of the Bible that contained prophecy about the end times or latter days He decided that he needed to do more reading and study of scripture as well as books written by others so he could come to his own understanding of what God was telling us about how He would bring things to an end After much reading and prayer his focus narrowed primarily to the books of Daniel and Revelation The book of Daniel is about Israel in the time before Christ The prophecy in Daniel begins with the Babylonian kingdom and continues through the Roman kingdom in such detail and accuracy that many believe it was written much later and is more historical than prophetic It also tells us about the later kingdoms but in a much broader sense and less detail The book of Revelation written by John on the island of Patmos tells us about the kingdoms that come after the Roman kingdom Revelation tells us in great detail about Christ s message to the seven churches and the seventieth week of Daniel s prophecy of seventy weeks of years This includes the breaking of the seven seals the blowing of the seven trumpets and the pouring out of the seven bowl judgments Lastly it tells us the good news about the return of Christ and the establishment of His kingdom *A Fresh Look at End Times* Stephen F. Shober,2024-05-31 A Fresh Look at End Times presents a view of the future from the only true Source This book presents biblical prophecy in a non traditional and enlightening manner enabling you to gain a clear understanding of the future You ll be amazed to learn that God kept a secret from humans until the first

century Once He revealed that secret a new age began and it interrupted prophecy Truths revealed why God kept a secret the special ending of our age where we are in God s timeline the believer s glorious destiny purposes of the Tribulation and Day of the Lord resurrections and judgments to come who the bride of Christ is how to interpret biblical visions dreams truth about the Kingdom and New Jerusalem religious errors that cause confusion When our age ends normal biblical prophecy will resume with heaven and earth shaking events leading to the greatest era in human history The Top Ten Mysteries of the Bible-New! James Bramlett, Lt. Colonel USAF (Ret),2022-04-19 This book is about aEUROethe world s greatest truths aEUR but it s really about just one Person According to the Bible truth is not an abstraction Truth is a Person Jesus said aEUROeI am the truth aEUR3 I hope you have found Him in these pages The End of the World as We Know it Daniel Wojcik,1997-08 He explores the origins of contemporary apocalyptic beliefs and compares religious and secular apocalyptic speculation showing us the routes our belief systems have traveled over the centuries to arrive at the dawn of a new millennium *The Second Coming* David L. Toney,2025-02-12 The about the book information is not available at the moment *Will Catholics Be Left Behind?* Carl Olson,2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling Left Behind books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how Left Behind creator LaHaye s many works on Bible prophecy are filled with attacks on Catholicism and often rely on sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits Envoy magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book A Catholic Critique of Dispensationalism focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and

the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people and clergy and students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving the rest of us to the horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the nineteenth century It is an authentic Fundamentalist invention Karl Keating Author Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon s scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church s majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O Brien Author Father Elijah **Conversations with Scripture** Frederick W. Schmidt, 2005-03 Roadmap myth or history The Book of Revelation draws readers and repels them Schmidt explores how Revelation can shape people s understanding of God and nurture their spiritual lives in unexpected ways
