Armenian Americans Armenian Americans:

Armenian-Americans Anny P. Bakalian, Based on the results of an extensive mail questionnaire survey in depth interviews and participant observation of communal gatherings this book analyzes the individual and collective struggles of Armenian Americans to perpetuate their Armenian legacy while actively seeking new pathways to the American Dream This volume shows how men and women of Armenian descent become distanced from their ethnic origins with the passing of generations Yet assimilation and maintenance of ethnic identity go hand in hand The ascribed unconscious compulsive Armenianness of the immigrant generation is transformed into a voluntary rational situational Armenianness The generational change is from being Armenian to feeling Armenian The Armenian American community has grown and prospered in this century

Armenian Americans Anny P. Bakalian, 2011 Assimilation has been a contentious issues for most immigrant groups in the United States The host society is assumed to lure immigrants and their descendants away from their ancestral heritage Yet in their quest for a better life few immigrants intentionally forsake heir ethnic identity most try to hold onto their culture by transplanting their traditional institutions and recreating new communities in America Armenian Americans are no exception Armenian Americans have been generally overlooked by census enumerators survey analysts and social scientists because of their small numbers and relative dispersion throughout the United States They remain a little studied group that has been called a hidden minority Armenian Americans fills this significant gap Based on the results of an extensive mail questionnaire survey in depth interviews and participant observation of communal gatherings this book analyzed the individual and collective struggles of Armenian Americans to perpetuate their Armenian legacy while actively seeking new pathways to the American Dream This volume shows how men and women of Armenian descent become distanced from their ethnic origins with the passing of generations Yet assimilation and maintenance of ethnic identity go hand in hand The ascribed unconscious compulsive Armenianness of the immigrant generation is transformed into a voluntary rational situational Armenianness The generational change is from being Armenian to feeling Armenian The Armenian American community has grown and prospered in this century Greater tolerance of ethnic differences in the host society the remarkable social mobility of many Armenian Americans and the influx of large numbers of new immigrants from the Middle East and Soviet bloc in recent decades have contributed to this development The future of this community however remains precarious as it strives to adjust to the ever changing social economic and political conditions affecting Armenians in the United States the diaspora and the new republic of Armenia Armenian Americans will be of interest to sociologists anthropologists and social historians and of course to people of Armenian ancestry *Armenian-Americans* Anny Bakalian, 2017-07-12 Assimilation has been a contentious issues for most immigrant groups in the United States The host society is assumed to lure immigrants and their descendants away from their ancestral heritage Yet in their quest for a better life few immigrants intentionally forsake heir ethnic identity most try to hold onto their culture by transplanting their

traditional institutions and recreating new communities in America Armenian Americans are no exception Armenian Americans have been generally overlooked by census enumerators survey analysts and social scientists because of their small numbers and relative dispersion throughout the United States They remain a little studied group that has been called a hidden minority Armenian Americans fills this significant gap Based on the results of an extensive mail questionnaire survey in depth interviews and participant observation of communal gatherings this book analyzed the individual and collective struggles of Armenian Americans to perpetuate their Armenian legacy while actively seeking new pathways to the American Dream This volume shows how men and women of Armenian descent become distanced from their ethnic origins with the passing of generations Yet assimilation and maintenance of ethnic identity go hand in hand The ascribed unconscious compulsive Armenianness of the immigrant generation is transformed into a voluntary rational situational Armenianness The generational change is from being Armenian to feeling Armenian The Armenian American community has grown and prospered in this century Greater tolerance of ethnic differences in the host society the remarkable social mobility of many Armenian Americans and the influx of large numbers of new immigrants from the Middle East and Soviet bloc in recent decades have contributed to this development The future of this community however remains precarious as it strives to adjust to the ever changing social economic and political conditions affect Armenian-American History Source Wikipedia,2013-09 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online Pages 34 Chapters Aram Haigaz Ararat Quarterly Armenian American Armenian American literature Armenian American Political Action Committee Armenian American Wellness Center Armenian Church Youth Organization of America Armenian General Benevolent Union Armenian Genocide Museum of America Armenian Library and Museum of America Armenian National Committee of America Armenian Power Armenian Youth Federation A M Karagheusian List of Armenian American politicians Proletar Excerpt Armenian Americans Armenian are Americans of Armenian origin They form the second largest community in the Armenian diaspora after Armenians in Russia The first major wave of Armenian immigration to the US took place in late nineteenth and early twentieth centuries as Armenians fled the Hamidian massacres 1894 1896 and Armenian Genocide 1915 1923 that were taking place in the Ottoman Empire Since the 1950s Armenians from USSR Turkey Iran and Lebanon have migrated to America as a result of instability in those countries and since the late 1980s immigrants from Soviet Armenia could be found as well Since the independence of Armenia from the Soviet Union in 1991 and the following war with neighboring Azerbaijan additional Armenians fled to the US The Armenian American community is the most politically influential community of the Armenian diaspora Organizations such as Armenian National Committee of America and Armenian Assembly of America advocate for the recognition of the Armenian Genocide by the US government and support stronger Armenia United States relations AGBU is known for its financial support and promotion of Armenian cultural and Armenian language schools The Armenian language both the Eastern and mainly the Western dialects

is spoken in the US especially in California where most recent Armenian

The Armenians in America Arra S. Avakian, 1977 Discusses the history of the Armenian people and the numerous contributions made by Armenian immigrants and their descendants to the history and culture of the United States

Symbol, Myth, and Rhetoric Jenny Phillips, 1989

"Starving Armenians" Merrill D. Peterson, 2004 Between 1915 and 1925 as many as 1.5 million Armenians a minority in the Ottoman Empire died in Ottoman Turkey victims of execution starvation and death marches to the Syrian Desert Peterson explores the American response to these atrocities from initial reports to President Wilson until Armenia's eventual absorption into the Soviet Union

Armenian-Americans Anny Bakalian, 2017 Assimilation has been a contentious issue for most immigrant groups in the United States. The host society is assumed to lure immigrants and their descendants away from their ancestral heritage. Yet in their quest for a better life few immigrants intentionally forsake their ethnic identity; most try to hold onto their culture by transplanting their traditional institutions and recreating new communities in America. Armenian Americans are no exception. Armenian Americans have been generally overlooked by census enumerators, survey analysts, and social scientists because of their small numbers and relative dispersion throughout the United States. They remain a little studied group that has been called a hidden minority. Armenian Americans fill this significant gap. Based on the results of an extensive mail questionnaire survey, in-depth interviews, and participant observation of communal gatherings, this book analyzes the individual and collective struggles of Armenian Americans to perpetuate their Armenian legacy while actively seeking new pathways to the American Dream. This volume shows how men and women of Armenian descent become distanced from their ethnic origins with the passing of generations. Yet assimilation and maintenance of ethnic identity go hand in hand. The ascribed unconscious compulsive Armenianness of the immigrant generation is transformed into a voluntary rational situational Armenianness. The generational change is from being Armenian to feeling Armenian. The Armenian American community has grown and prospered in this century. Greater tolerance of ethnic differences in the host society, the remarkable social mobility of many Armenian Americans, and the influx of large numbers of new immigrants from the Middle East and Soviet bloc in recent decades have contributed to this development. The future of this community, however, remains precarious as it strives to adjust to the ever-changing social, economic, and political conditions affecting it.

Contemporary Armenian American Drama Nishan Parlakian, 2005-01-19

Although ancestral voices have inspired many Armenian American writers of poetry and fiction in the twentieth century, their expression through drama has been limited. The first of its kind, this anthology is a collection of plays by notable Armenian Americans. Written in English, largely by artists of Armenian extraction during the latter part of the twentieth century, the plays reflect the outrage of the Armenian Genocide, the forced transplantation that created the Armenian Diaspora, and the desire to maintain the newly established democratic homeland. Including a range of authors from William Saroyan to more

contemporary voices this anthology represents the writers that have stimulated cutting edge contemporary drama from the mid twentieth century to the present The collection includes farce comedy tragicomedy and tragedy and sometimes blends of all of these The plays reflect the shared experiences of Armenian family life in Armenia Turkey and America The themes include the joy of freedom to practice their faith and ethnic customs the turmoil of acculturation and the feared loss of identity through assimilation The editor has provided headnotes for each play and an extensive introduction tracing the history of Armenian American drama in the United States *Becoming American, Remaining Ethnic* Matthew Ari Jendian, 2008 Jendian provides a snapshot of the oldest Armenian community in the western United States His work explores the processes of assimilation and ethnicity across four generations and examines forms of ethnic identity and intermarriage He examines four subprocesses of assimilation cultural structural marital and identificational for patterns of change assimilation and persistence ethnicity Findings demonstrate the co existence of assimilation and ethnicity He offers assimilation and the retention of ethnicity as two somewhat independent processes Assimilation is not a unilinear or zero sum phenomenon but rather multidimensional and multidirectional Future research must understand the forms ethnicity takes for different generations of different groups while examining patterns of change and persistence for the fourth generation and beyond *The History of Armenia* S. Payaslian, 2008-03-13 There is a great deal of interest in the history of Armenia since its renewed independence in the 1990s and the ongoing debate about the genocide an interest that informs the strong desire of a new generation of Armenian Americans to learn more about their heritage and has led to greater solidarity in the community By integrating themes such as war geopolitics and great leaders with the less familiar cultural themes and personal stories this book will appeal to general readers and travellers interested in the region *Armenian American Almanac* Hamo B. Vassilian, 1985 **Torn Between Two Lands** Robert Mirak, 1983 **The Magical Pine Ring** Margaret Bedrosian, 1991 Margaret Bedrosian's pioneering interdisciplinary study examines the continuing effect of Armenian history on Armenian American writing Using the work of ten Armenian American poets and fiction and non fiction writers she shows the continuing impact on Armenian Americans of cultural symbols myths and attitudes carried over from the Old World and explores the ways in which two cultures meet conflict and become integrated in the imagination Through analysis of writers actual or fictionalized experience *The Magical Pine Ring* provides an understanding of the Armenians specific concerns as Armenians and as immigrants the effect of their self awareness as Armenians on their adaptation to America the typical and stereotypical situations and personalities that emerged with time and the key values and beliefs that endured even as names were changed and assimilation blurred physical and social demeanor Bedrosian also explores the directions Armenian American writers have taken in portraying group history and the nature of their self discovery as Armenian Americans For the most part this literature is not a direct outgrowth of the mainstream of Armenian literature The relationship of the writer discussed here is one of spirit of ancestral sympathies burdens and responsibilities These writers register the pain of exile

and alienation as they weave images of yearning and loss celebration and futuristic vision into their writing Through their crossroads identity in America these writers add to our understanding of the Armenian diaspora Armenia Lucine Kasbarian,1998 An introduction to the geography history people government and culture of Armenia with emphasis on the challenges facing this newly independent nation **Armenian-Americans' Fight for Homeland** Lilit Sedrakyan,2022 This video documentary project examines the Armenian Diaspora s involvement in supporting their homeland during the 2020 war between Armenia and Azerbaijan over the Artsakh region of Armenia It reports on the ways the American Armenian diaspora used social media platforms to disseminate information about the conflict as well as to organize protests and other activities to support the Armenian war effort Twenty community activists based in Southern California were interviewed for the project which demonstrates how the Armenian diaspora organized a large humanitarian relief effort for Armenians using social media tools to spread awareness about the military aggression of Azerbaijan Armenians shared stories of human rights violations and war crimes being committed in Artsakh which the diaspora believed were not receiving the sorts of international news coverage the conflict warranted Thus during the 44 day war Armenians created an Armenian public sphere where the worldwide diaspora discussed and found ways to help the homeland together

Armenian-American/Canadian Who's who of Outstanding Athletes, Coaches, and Sports Personalities, 1906-1989 Richard N. Demirjian,1989 *The Armenian Americans* David Waldstreicher,1989 Discusses the history culture and religion of the Armenians factors encouraging their emigration and their acceptance as an ethnic group in North America

The Top Books of the Year Armenian Americans Armenian Americans The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. Armenian Americans Armenian Americans : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
