Concerning Alexander the Great: A Reconstruction of Cleitarchus Andrew Chugg,2015-02-21 The most influential account of the career of Alexander the Great was penned by Cleitarchus in the decades after Alexander's death Most of the surviving ancient texts on Alexander were based upon his work but every copy of the original was destroyed in antiquity Now the entire book has been revived in an exciting reconstruction based upon an in depth analysis of the surviving ancient works that it inspired Here you will find Alexander revealed in a startling new light as a very human and believable individual who drives and is then driven by a momentous cascade of events Here you can rediscover the oldest and also the most authentic literary portrait of the king spanning all thirteen years of his reign

The Ouroboros Cycle, Book Three: A Long-Awaited Treachery G.D. Falksen,2015-03-27 For a thousand years the immortal Shashavani have hidden from the world in the halls of their mountain fortress amassing great stores of knowledge in a haven of academic tranquility And while Doctor Varanus has never found tranquility much to her taste even she cannot deny that the peace and quiet make for a pleasant diversion following the chaos of her recent adventures in London Having left the horrors of bloodshed and wellness behind her Varanus has thrown herself headlong into the study of the Shashavani condition determined to learn the secrets of their undying power But all is not as it seems in the House of Shashava As winter snow covers the Shashavani valley and chokes the mountain passes sinister events are unfolding in the shadows Whispers of conspiracy echo through the halls Soon loyalties will be tested and friendships betrayed Blood will flow For upon the frozen steppe an ancient evil stirs and turns its gaze toward the House of Shashava hungering for power and revenge As darkness descends one question remains Do you serve the Winter King

The Experiment at Philadelphia: Kurt B. Bakley,2015-04-21 The Philadelphia Experiment was Einstein's experiment in which he had not only discovered in 1943 the way to make things invisible and transport them at great speeds but also positively proven scientifically physically and spiritually that God Almighty exists He had literally discovered God That question Is there a God that's been going through people's minds for so long discussed on the street corner talked about on the porch on a hot summer's night is now a proven fact
