Army Life Fort Phil Celebration:

My Army Life and the Fort Phil Kearney Massacre Frances C. Carrington, 2022-10-05 First published in 1910 Frances C Carrington's *My Army Life and the Fort Phil Kearney Massacre* recounted the author's adventures as an army wife on the Great Plains but also sought to set the record straight on her second husband's involvement in the Fetterman fight Frances traveled with her first husband Lt George Washington Grummond to Fort Phil Kearney in Wyoming in 1866 where he was killed in the Fetterman incident just a few months later She eventually married the post commander Col Henry B Carrington after the death of his first wife Margaret who had befriended and cared for Frances during her brief tragic episode at the frontier post Frances's narrative recalls the wonder and worries of a naive young bride during the fateful days of 1866 From her voyage to Wyoming to her encounters with unfamiliar peoples and strange landscapes Frances's vivid prose examines not only the everyday workings of a frontier army post but also the political and social intrigue behind one of the most controversial military defeats in Western history

My Army Life and the Fort Phil. Kearney Massacre Frances Courtney Carrington, 1910 Army Lineage Series Military History Office, 1972 Where a Hundred Soldiers Were Killed John H. Monnett, 2008 Monnett takes a closer look at the struggle between the mining interests of the United States and the Lakota and Cheyenne nations in 1866 that climaxed with the Fetterman Massacre

Give Me Eighty Men Shannon D. Smith, 2021-12-08 With eighty men I could ride through the entire Sioux nation The story of what has become popularly known as the Fetterman Fight near Fort Phil Kearney in present day Wyoming in 1866 is based entirely on this infamous declaration attributed to Capt William J Fetterman Historical accounts cite this statement in support of the premise that bravado vainglory and contempt for the fort's commander Col Henry B Carrington compelled Fetterman to disobey direct orders from Carrington and lead his men into a perfectly executed ambush by an alliance of Plains Indians In the aftermath of the incident Carrington's superiors including generals Ulysses S Grant and William T Sherman positioned Carrington as solely accountable for the massacre by suppressing exonerating evidence In the face of this betrayal Carrington's first and second wives came to their husband's defense by publishing books presenting his version of the deadly encounter Although several of Fetterman's soldiers and fellow officers disagreed with the women's accounts their chivalrous deference to women's moral authority during this age of Victorian sensibilities enabled Carrington's wives to present their story without challenge Influenced by these early works historians focused on Fetterman's arrogance and ineptitude as the sole cause of the tragedy In *Give Me Eighty Men* Shannon D Smith reexamines the works of the two Mrs Carringtons in the context of contemporary evidence No longer seen as an arrogant firebrand Fetterman emerges as an outstanding officer who respected the Plains Indians superiority in numbers weaponry and battle skills *Give Me Eighty Men* both challenges standard interpretations of this American myth and shows
