

An impressionistic painting of a person standing on a beach, looking out at the ocean. The person is in the center-right, wearing a dark, long-sleeved dress or coat. The beach is a light, sandy color, and the ocean is a mix of blue and brown tones. A dark, vertical shape, possibly a tree trunk, is on the left side of the frame. The overall style is soft and painterly, with visible brushstrokes.

## **Are You An Illusion Heretics:**

**Heresy and the Ideal** David Baker, 2000-04-01 At its center Heresy and the Ideal is based on Baker's sense of Romantic poetics especially on how contemporary poets have applied altered or rejected certain Romantic principles He uses the Romantic trope to measure the tension between passion and reason and between the problems of literary transcendence and the obligations of social engagement **BOOK JACKET** [The Michael Moorcock Library: Elric Volume 1](#) Roy

Thomas, 2015-03-25 Bear witness to the story of Elric Lord of Melnibon his dark cousin the evil Yrkoon their dark magics and their terrible struggle for rule of the fabled Emerald Isle Collecting the first volume of the classic adaptation of Michael Moorcock's bestselling fantasy saga Elric of Melnibon marks the perfect introduction to the series iconic antihero his fabled blade Stormbringer and his harrowing adventures across the Dragon Isle Adapted by former Marvel Comics editor Roy Thomas and beautifully rendered by longtime comics illustrator Michael T Gilbert and the multiple Harvey and Eisner award winning P Craig Russell this definitive collection marks an essential read for all fans of sword and sorcery and brings Moorcock's epic tales to life with luxuriant imagination

**Are You an Illusion?** Mary Midgley, 2015-06-22 In Are You an Illusion today's scientific orthodoxy which treats the self as nothing more than an elaborate illusion comes under spirited attack In an impassioned defence of the importance of our own thoughts feelings and experiences Mary Midgley shows that there's much more to our selves than a jumble of brain cells Exploring the remarkable gap that has opened up between our understanding of our own sense of self and today's science she exposes some very odd claims and muddled thinking on the part of cognitive scientists and psychologists when they talk about the self and shows that many well known philosophical problems in causality and free have been glossed over Midgley argues powerfully and persuasively that the rich variety of our imaginative life cannot be contained in the narrow bounds of a highly puritanical materialism that simply equates brain and self Engaging with the work of prominent thinkers Midgley investigates the source of our current attitudes to the self and reveals how ideas traditions and myths have been twisted to fit in seemingly naturally with science's current preoccupation with the physical and in doing so have made many other valuable activities and ideas appear as anti scientific Midgley shows that the subjective sources of thought our own experiences are every bit as necessary in helping to explain the world as the objective ones such as brain cells Are You an Illusion offers a salutary analysis of science's claim to have done away with the self and a characteristic injection of common sense from one of our most respected philosophers into a debate increasingly in need of it

*The Sslithax Heresy: Sacrifice* R. Peter Ubtrent, 2012-02-11 When humanity first set out to explore the stars they discovered that they were alone for they never ran into any other intelligent life forms Because of this human religion came to the conclusion that God had only made man and all else was the creation of Satan Thus when human warships finally encountered Sslithax warships the stage was set for a war of unbridled brutality The wars raged for decades and in the process humanity split between those who professed a belief in religion and those who did not Humanity became more and

more proficient at making war and when they encountered other non human species they warred with them also Soon people began to believe that waging war was what humanity was best at and had been created for Little did they know that they were closer to the truth then they realized This is the epic tale of four individuals from four different cultures forced to work together as they discover that what they had been told all these eons was not necessarily the truth **Surprised by Doubt** Joshua D. *Spiritual Healing Wisdom—Poetic Messages a Divine Heretic Book* Janine Palmer, 2017-05-04 For the purpose of letting go of unneeded and unnecessary burdens Janine Palmer Silver Moon shares tools of wisdom to help achieve balance in many areas of our life She also seeks to help teach how to take our power back as we work our way through the tests and initiations of our sometimes challenging journeys to learn how to heal through the transformative fires of life and to rise out of the ashes Janine Palmer Silver Moon is a clinical hypnotherapist and shamanic practitioner Her messages are presented and shared here in short poetic verses filled with deep compassion love and wisdom

*The Martyred Inquisitor: The Life and Cult of Peter of Verona (†1252)* Donald Prudlo, 2017-05-15 Peter Martyr was one of the central Dominican saints of the thirteenth century in some cases eclipsing Dominic himself Born in Verona around 1206 to those with Cathar sympathies he became a convert to Catholicism As one of the first generations of Dominicans he represents aspects of their primitive history both as a spellbinding preacher and as one of the earliest and most famous papal inquisitors In 1252 shortly after his official appointment to the post of inquisitor for Lombardy Peter was assassinated at the hands of a cabal of Milanese heretics That there is no modern monograph on Peter represents a considerable lacuna in the study of medieval saints This work therefore fills a very important gap in both thirteenth century hagiographical studies and studies of the interrelationship of heresy and imperial politics in the mid thirteenth century The first half of the book is a systematic study of the stages in the life miracles and posthumous cult of Peter of Verona Part One deals with many controversial issues of Peter's life such as his role in the growth of the Dominican order and related confraternities in Lombardy and Tuscany his status as papal inquisitor and his preaching Part Two explores the cult of Peter Martyr The brief time which elapsed between death and canonization makes Peter Martyr an especially interesting case in the field of cult study as for him life led immediately to cult a cult dominated by those who knew him personally The second half of the book is a translation into English of the major primary sources concerning Peter These will be of interest to students of papal canonization the Dominican order the Inquisition hagiography and local history
