Arizona Territory Wrath Of A Man:

Dead Man's Hand Victoria Wilcox, 2019-09-01 You've heard Doc Holliday's history but do you know his story *Dead Man's Hand* brings John Henry Holliday to Tombstone Arizona the richest silver boomtown in the country where he's caught up in a secretive plot to stop a gang of cattle rustlers and stage robbers before they start a threatened war with Mexico When suspicions rise and tempers ignite the plot turns into a war between cowboys and lawmen and he becomes a player in the most famous street fight in the Wild West The aftermath brings retribution and a reckoning that sends John Henry and his friend Wyatt Earp fleeing for their lives but a hoped for sanctuary in Colorado is broken by legal battles that attract national newspaper coverage and hired guns hoping for a moment of fame against the infamous Doc Holliday He can never return to the life he once knew and as the mountain altitude and illness take their toll he is forced to turn to the one person he thought he'd never see again And with luck he'll have one last chance to prove himself as the Southern gentleman he was raised to be *Dead Man's Hand* is the final book in the award winning Saga of Doc Holliday an epic American tale of heroes and villains dreams lost and found families broken and reconciled of sin and recompense and the redeeming power of love The Lawless Land Dusty Richards, Spur Award Winning Author winner of the 2007 Spur Award for Best Original Paperback Novel for *The Horse Creek Incident* Dusty Richards writes with the flavor of the real West Elmer Kelton IN 1880 ARIZONA TERRITORY WAS AN OUTLAW'S PARADISE The gunmen rode hard along the border pillaging and murdering their way to plunder and wealth Guided by a powerful landowner and his vicious outlaw captain the Border Gang was organized mean and armed to the teeth In Prescott the governor knew Arizona's sheriffs couldn't stop the chaos and statehood was in peril Then a military man named Bowen stepped in with a plan find a few good men call them marshals and send them after the Border Gang THEN THE LAW STRUCK BACK WITH A MAN NAMED MAYES Sam T Mayes a soldier turned Denver detective is Bowen's first and only choice Now Mayes accompanied by an alcoholic army scout a wanted man and a fierce native woman must ride against the cutthroat gang Mayes job is to put the killers behind bars or put them in the ground His reward the first ever badge to be worn by a U S Territorial Marshal Gritty fast paced a classic Western W Michael Gear and Kathleen O Neal Gear authors of *People of the Mist* on *The Lawless Land* *Arizona Territory* Voyle A. Glover, 2012-08-04 John Ross fought in that sprawling civil war that engulfed America in the 1860's and which spawned rootless men trained killers who now roamed the West some looking for work some looking for rest and many looking for someone to rob Ross became a marshal He was good with a gun maybe the best in the whole Territory He proved his mettle the day Rafe Callahan an ex Quantrill raider brought his band of outlaws into the little quiet town of Kilby Arizona one morning to rob the bank They were a casual bunch all trained killers ex soldiers unafraid of anyone and supremely confident Their arrogance allowed them to believe they could ride into town in broad daylight rob the bank and ride out without anyone capable of opposing them John Ross with some help from certain townsmen had stopped the outlaws At his trial Callahan vowed vengeance Ross

falls in love with Molly a local church going woman and Ross wanting to keep her in his life agreed to go to church Ross quits his job as marshal and hangs up his guns He also makes a promise to the woman he s going to marry and to God that he ll never kill another man ever He proposes to Molly and begins working on a small ranch he d bought a year earlier Then Rafe Callahan escaped from Yuma Prison When he s warned that Callahan is loose and hunting him he has to make a choice break his vow to God and the woman he loves or run Everything in him screams to fight All his life has been spent fighting and if there is one thing John Ross is good at it is fighting His prowess with a gun was already legend in Arizona But he relents determined to keep his vow Ross heads off into the mountains determined to hide out until Callahan is captured But deep down he knows it is unlikely because Callahan who is an expert tracker will probably find him He also comes to realize that he simply cannot keep his promise because to keep that promise is to die Even the woman he loves comes to realize that acknowledging to herself that she is actually glad that the man she so deeply loves is so very good at killing This story is one about a man who finds himself struggling with deeply held beliefs about God about killing and about promises made It s a good read with an ending unlike any story you ve ever read **The Gospel in All Lands** ,1899 *The Three-Cornered War*

Wicked Prescott Wicked Prescott,2016 Swindlers confidence men and outlaws the mountain shadows and Ponderosa pines surrounding Prescott conceal their grim histories and crooked ways The small hamlet turned mining town became

Arizona's first capital in 1864 and with wealth and power came every type of vice and crime. One block west of the famed Whiskey Row, the roaring red light district attracted ladies of easy virtue who often became victims of crimes of passion and coldblooded murder. Legendary crook Fleming Jim Parker escaped from Yavapai County Jail on the back of the sheriff's stolen horse. Cattle rustlers terrorized nearby ranches while tavern brawls and liquor fueled shootouts dominated newspaper headlines. More than ten legal hangings brought criminals to justice. Local author Parker Anderson recounts these and more wicked misdeeds from Prescott's wild early days. [This is the West](#) Robert West Howard, 1957 *Federal Land, Western Anger* R. McGreggor Cawley, 1993 Cawley objectively investigates the Sagebrush Rebellion looking at the driving force behind the movement, the strategies used by the Rebels and the consequences of the controversy. He also offers a provocative interpretation of events in federal land policy from the 1960s to the 1990s and establishes a framework for assessing future developments in federal land policy. Includes an analysis of James Watt's beleaguered tenure as Reagan's Secretary of the Interior. *A Civil War History of the New Mexico Volunteers and Militia* Jerry D. Thompson, 2015-09-01 The Civil War in New Mexico began in 1861 with the Confederate invasion and occupation of the Mesilla Valley. At the same time, small villages and towns in New Mexico Territory faced raids from Navajos and Apaches. In response, the commander of the Department of New Mexico, Colonel Edward Canby, and Governor Henry Connelly recruited what became the First and Second New Mexico Volunteer Infantry. In this book, leading Civil War historian Jerry Thompson tells their story for the first time along with the history of a third regiment of Mounted Infantry and several companies in a fourth regiment. Thompson's focus is on the Confederate invasion of 1861-1862 and its effects, especially the bloody Battle of Valverde. The emphasis is on how the volunteer companies were raised, who led them, how they were organized, armed, and equipped, what they endured off the battlefield, how they adapted to military life, and their interactions with New Mexico citizens and various hostile Indian groups, including raiding by deserters and outlaws. Thompson draws on service records and numerous other archival sources that few earlier scholars have seen. His thorough accounting will be a gold mine for historians and genealogists, especially the appendix which lists the names of all volunteers and militia men. **Gay American Novels, 1870-1970** Drew Wayne Gunn, 2016-02-04 Examining the development of gay American fiction and providing an essential reading list, this literary survey covers 257 works: novels, novellas, a graphic story cycle, and a narrative poem in which gay and bisexual male characters play a major role. Iconic works such as James Baldwin's *Giovanni's Room* and Christopher Isherwood's *A Single Man* are included along with titles not given attention by earlier surveys such as Wallace Thurman's *Infants of the Spring*, Dashiell Hammett's *The Maltese Falcon*, Julian Green's *Each in His Darkness*, Ursula Zilinsky's *Middle Ground*, and David Plante's *The Ghost of Henry James*. Chronological entries discuss each work's plot, significance for gay identity, and publication history along with a brief biography of the author.
