Armageddon Left Behind The Bible Studies Left Behind Bible Studies:

Last Trump Gathering Bible Studies Al M. Rogers, Al M. Rogers, Jr., 2004 Volume One is a series of Bible studies and one important message from my website that I commenced to build in 1997 It is full of well thought out observations Bible quotations paraphrases and Bible references dealing with prophecy Mainly with its information I am hoping God will put the Sword Word of God through the heart of another theory like the Gap and the Day Age theories which has crept into the Church s doctrine and has sought to defile the Word of God with its doctrinal germ and perhaps put to sleep the Pre Tribulation Rapture and Left Behind theology that s helped cause Saints including myself to go astray and backslide **Left Behind Or Left Befuddled** Gordon L. Isaac, 2008 The extraordinary success of the Left Behind series by Tim LaHaye and Jerry Jenkins shows that their action adventure novels have tapped into the American psyche It has revived our fascination with vivid images of the book of Revelation and other biblical texts the Antichrist the mysterious number 666 and people suddenly raptured into the sky by God But is there something dangerous behind the thinking in these books and how they play out in our world today In Left Behind or Left Befuddled Gordon Isaac takes the reader inside the theology behind the series In clear and accessible prose Isaac answers many important questions that Christians have about the phenomenon that is Left Behind Is this Vision of the end times really biblical Why do people have such a powerful response to it What are alternative ways to think about the end times How do the books view Catholics and other Christians What does this Vision of things mean for Israel and the Jewish people How can we counter the myths proposed in the series as fact Gordon Isaac is the Berkshire Associate Professor of Advent Christian Studies in the church history department at Gordon Conwell Theological Seminary in Massachusetts He is also an ordained Advent Christian minister who has served a number of congregations *Armageddon* Neil Wilson, Len Woods, 2003 Based on the best selling series by Tim LaHaye and Jerry Jenkins comes a Bible study series based on the biblical principles discussed in The Left Behind novels Using the excerpts and biblical issues touched upon in the last few books of the series Armageddon will provide the tools for small groups Sunday school classes and readers of The Left Behind Series to learn more about the biblical truths *Leaving Left Behind* Mike Wilson, 2021-01-19 Positive psychologists have proven that positivity leads to success but most Christians in America have chosen to believe a single eschatological theory that leads to pessimism and cynicism Pessimistic Christians put themselves in Christian bubbles and focus on self preservation and when a mind is clouded by negativity interpretations of biblical prophecy lean toward the pessimistic possibilities The fantastic writing of the Left Behind books has popularized premillennial dispensationalism with good intentions but that interpretation of biblical prophecy teaches that sinfulness will continually increase until Jesus throws up his hands in disgust and secretly raptures worthy Christians leaving behind unworthy sinners to suffer the wrath of the antichrist Teaching that questionable theory produces negativity that hinders the Christian mission When Christians believe that they cannot succeed in leading most of the world to Jesus they will fail to put

in the effort that success would require Jesus on the other hand taught his followers that nothing will prevail over his church and that teaching inspired them to sacrifice everything for the Christian mission This is not a promise of prosperity without effort or of inevitable success but biblical positivity is an energizing force that will help Christians flourish Culture Wars Roger Chapman,2010 Although openness and inclusion are cornerstones of life in the United States intolerance and reactionary politics are also very real As the nation prepares to elect a new president The Culture Wars addresses the key defining issues of contemporar Writing the Rapture Crawford Gribben,2009-02-02 For the past twenty years evangelical prophecy novels have been a powerful presence on American bestseller lists Emerging from a growing conservative culture industry the genre dramatizes events that many believers expect to occur at the end of the age the rapture of the saved the rise of the Antichrist and the fearful tribulation faced by those who are left behind Seeking the forces that drove the unexpected success of the Left Behind novels Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth century fundamentalists The first rapture novels came onto the scene at the high water mark of Protestant America From there the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels Yet as Gribben shows the rapture genre while vividly expressing some prototypically American themes also serves to greatly complicate the idea of American modernity assaulting some of its most cherished tenets Gribben concludes with a look at post Left Behind rapture fiction noting some works that were written specifically to counter the claims of the best selling series Along the way he gives attention not just to literary fictions but to rapture films and apocalyptic themes in Christian music Writing the Rapture is an indispensable guide to this flourishing yet little understood body of literature **And with All Your Mind** Steven H. Propp,2010-12-21 Its 1971 and Silas Baker is a high school senior in California whose main interests are basketball and weekend parties But his life takes a dramatic turn when he encounters a group of committed Christians who soberly inform him that Jesus is coming soon They enroll at Riverstent Bible College Its an exciting time as leading Bible teachers have predicted that Jesus will return to Rapture his Church within one generation of the 1948 formation of the State of Israel Popular movies further inflame this passion as the eager students study Apologetics and Biblical Archaeology aberrant theologies such as the Death of God movement and even conflicting interpretations of the End Times An activist spirit develops within evangelicalism culminating in the so called Christian Right as the evangelical world is rocked in the aftermath of the televangelist scandals Confronted by world views such as Calvinism and Christian Reconstruction the characters passionately debate controversies such as Biblical Inerrancy and the age of the cosmos in addition to challenging evangelicals who deny traditional doctrines such as that of endless punishment in Hell or who promote an Open yet limited concept of God himself As society evolves so does evangelicalism seeker sensitive megachurches appear while Postmodernism and the Emergent Church become realities Theologians wrestle

with the question of divorce and remarriage and the role of women in the church as well as the divisive issue of homosexuality As they struggle with life's realities they ultimately must also respond to nonchristians who are alienated indifferent or engaged in active opposition to Christianity while searching for the meaning of Christian faith in the modern world

Gods and Arms Kjell-Ake Nordquist, 2013-02-12 This book brings together a variety of perspectives on how religion can be related to violence and war both in a destructive and constructive way Religion can justify and mobilize violence even terrorism or guerilla wars just like political ideology But how is such a link between religion and violent behavior established in the first place How can we go further in understanding this possible connection between religion and war Is religious peace work just the flip side of religious support of war Or can peace work be informed by knowing about how religion promotes violence and war In the search for answers to the puzzle of religion and war it is easy to focus on conflict and war situations but maybe there is as much to learn from peace work as from war studies Therefore this book also analyses religious peace work from different contexts The multifaceted presence of religion in conflict situations whether justifying violence or promoting peace is illustrated in this book using a variety of situations in an enlightening panorama of one of today's most puzzling social connections religion and armed conflict Contributors include R Scott Appleby Goran Gunner Mariyahl Hoole Mark Juergensmeyer Anne Kubai Kjell Ake Nordquist Jehan Perera Jennifer Schirmer Nari Senanayake and Maria Smaberg

Lessons from Sedona: a Spiritual Pathway to

Serenity and Contentment Lewis Tagliaferre, 2010-04-16 Based upon the works of some of the world's greatest thinkers *Lessons from Sedona A Spiritual Pathway to Serenity and Contentment* by author Lewis Tagliaferre builds on the success of his first volume *Voices of Sedona*. This new comprehensive collection of essays is designed to teach the fundamental principles of Theofatalism—the belief that God runs everything in the universe from the smallest subatomic particle to the largest interstellar galaxy. The essays link the five principles developed in *Voices of Sedona* to contemporary issues in society and personal living including politics, science, religion, aging, history, and economics. Useful for both self study and as lesson guides to be used in organized discussion groups, the essays show the world as it really is from many different perspectives. A comprehensive and formidable source on metaphysics and spirituality, *Lessons from Sedona A Spiritual Pathway to Serenity and Contentment* provides a plethora of information for those interested in growing, changing, and transcending the limiting constrictions of consensus beliefs. It communicates humankind's unique place in time and space and their special role in the giant jigsaw puzzle of life.

Apocalypse When? Leah D. Schade, Jerry L. Sumney, 2020-09-09 Apocalyptic texts are often seen as either frightening or irrelevant, a tool for fearmongering and manipulation or for the lucrative doomsday industry. But *Apocalypse When: Interpreting and Preaching Apocalyptic Texts* equips readers to understand these texts as sources of encouragement and strength for the church. As the world faces threats of war, poverty, climate, and environmental crises, and political upheaval, churches can draw on the wisdom and courage of our biblical ancestors who faced their own calamities and persecutions. Their struggles against powerful economic, militaristic, cultural, and social forces drew them closer to God. We have much to learn from their faith, ethical integrity, and dedication to the promises of God that engender hope in the midst of turmoil and terror. With solid historical exegesis, thought-provoking ideas for preaching, and examples of sermons that creatively and compellingly proclaim God's word, this book provides much needed guidance for the church in tumultuous times.

Rapture Culture Amy Johnson Frykholm, 2004-03-04 In the twinkling of an eye, Jesus secretly returns to earth and gathers to him all believers. As they are taken to heaven, the world they leave behind is plunged into chaos. Cars and airplanes crash, and people search in vain for loved ones. Plagues, famine, and suffering follow. The antichrist emerges to rule the world and to destroy those who oppose him. Finally, Christ comes again in glory, defeats the antichrist, and reigns over the earth. This apocalyptic scenario is anticipated by millions of Americans. These millions have made the *Left Behind* series novels that depict the rapture and apocalypse perennial bestsellers, with over 40 million copies now in print. In *Rapture Culture*, Amy Johnson Frykholm explores this remarkable phenomenon, seeking to understand why American evangelicals find the idea of the rapture so compelling. What is the secret behind the remarkable popularity of the apocalyptic genre? One answer she argues is that the books provide a sense of identification and communal belonging that counters the social atomization that characterizes modern life. This also helps explain why they appeal to female readers despite the deeply patriarchal worldview.

they promote Tracing the evolution of the genre of rapture fiction Frykholm notes that at one time such narratives expressed a sense of alienation from modern life and protest against the loss of tradition and the marginalization of conservative religious views Now however evangelicalism s renewed popular appeal has rendered such themes obsolete Left Behind evinces a new embrace of technology and consumer goods as tools for God s work while retaining a protest against modernity s transformation of traditional family life Drawing on extensive interviews with readers of the novels Rapture Culture sheds light on a mindset that is little understood and far more common than many of us suppose *The Man Who Saved the United States* Robert Lee Scarborough, 2008-03 Dr Michael Jeremiah and his family are professing Christians fulfilling their life dreams As good Bible students they know that Some 2000 years ago Jesus Christ was crucified buried and on the third day rose from the dead He died with a mortal body and was resurrected with an immortal body Over 500 persons witnessed Him in His resurrected form After 40 days He gathered His Apostles and gave orders for their mission on the earth After He had spoken He was lifted up as the Apostles watched a cloud received Him out of their sight as he ascended into Heaven Two angels standing beside the Apostles said This Jesus who has been taken up from you into Heaven will come in just the same way as you have watched Him go into Heaven Other scriptures tell us that some day He will return to the earth But sometime prior to this Christ will descend from Heaven with a shout and the trumpet of God to call all true Christians to be caught up in the clouds to meet Him in the air and be taken to Heaven At the moment of this event often called the Rapture Michael and his family look forward to being changed from mortal to immortal bodies and to dwell with God in Heaven forever THEIR LIVES ARE DISRUPTED by 9 11 and the War on Terror Michael Jeremiah the Supreme Council and his family are thrust into positions of power in order to save the teetering United States from economic social and moral collapse Michael relies on his family ties placing many of them in key leadership positions Dr Tandatina Allio Michael s wife a world renown brain surgeon is his second in command His father Vice Admiral John is Director of NSA his grandfather Admiral Peter is Director of Intelligence his brother Thomas is Secretary General of the UN and his sister Rebecca is Director of the Red Cross All the while Michael Jeremiah and his family move through life with the understanding that the Rapture is near But we are getting ahead of ourselves Let s go back to the beginning of this story AMERICA IS IN CRISIS This was the newspaper headline America in Crisis Polls show Americans are fearful of both the present and the future There seems to be no hope Americans want demand that they be rescued that our nation s many problems be solved Rescued from what Solve what problems A respected panel published a white paper on the subject They reported It is near the end of the George W Bush administration The country is being torn apart over the wars in Iraq and Afghanistan At least at times it appears to be President Bush s private war He never asked Congress for a Declaration of War nor asked the Nation to be directly involved as it was during World War II Our military s hands tied by politics The Nation is in chaos with almost everyone demanding their rights their freedom to do whatever they wish Terrorists have attacked again in four cities more than 30 000 killed

Vicious gangs and drug pushers demand their rights our police are handcuffed Purveyors of filth shout freedom of speech pornography is called art Christians and Jews are muzzled Our founding fathers knew that everything has limits and boundaries The Judeo Christian ethic provided the moral foundation to go with our rights and freedoms and moral boundaries were set But now these moral boundaries are absent and freedoms are turning to license edging closer and closer to anarchy Our people do not feel safe sending their children to school leaving their homes Fear is everywhere faith in government is near zero The People pray for a man a superman a bold knight to rescue them and the nation MICHAEL JEREMIAH and the Supreme Council OFFER HOPE During times of crisis l **Bible Lessons on the Book of Revelation**

John R. Rice,2000-08 **Compassionate Eschatology** Ted Grimsrud,Michael Hardin,2011-06-01 Do eschatology and peace go together Is eschatology mostly about retribution and fear or compassion and hope Compassionate Eschatology brings together a group of international scholars representing a wide range of Christian traditions to address these questions Together they make the case that Christianity s teaching about the end times should and can center on Jesus s message of peace and reconciliation Offering a peace oriented reading of the Book of Revelation and other biblical materials relevant to Christian eschatology this book breaks new ground in its consistent message that compassion not retribution stands at the heart of the doctrine of the last things Besides its creative treatment of biblical materials Compassionate Eschatology also makes a distinctive contribution in how several essays engage the thought of Rene Girard and his mimetic theory Girard s project is shown to reinforce the biblical message of eschatological peace In God's Time Craig C. Hill,2002-09-27 Hill s new book includes chapters on the nature of the Bible the history of prophecy the meaning of apocalyptic writings the interpretation of Daniel and Revelation the expectations of Jesus and the hopes of the early Christians It also includes an appendix Not Left Behind on the subject of the rapture October I Was Saved in a Living Room Les Miller,2013 I Was Saved in a Living Room is a wonderful resource that will inspire you guide you and rejuvenate you as you share God s last day message with others This book will give you all you need so you re ready to study anywhere with anyone Learn the answers to these questions and more How do I find Bible study interests What things do I need to keep in mind when giving Bible studies How will I know when my friend is ready to get baptized What can I do to help my friend grow in faith once he or she joins the church What is the critical difference between the Seventh day Adventist message and those of other churches What does the church need in order to be ready for the Holy Spirit s final outpouring I Was Saved in a Living Room was written by lay evangelist Les Miller and serves as an easy to follow reference guide for people wanting to win souls for Christ More than 75 Bible studies are included in the book covering the plan of salvation and the great controversy theme which builds a theological base for other vital doctrines such as the Sabbath and the state of the dead Along with these are hands on instructions to help you guide your friends from knowing little about spiritual things all the way through to being born again and on fire for God in the remnant church
