Armed Security Guard Training Manual:

Armed Security Guard Training Manual Bernard Martinage, 2014-06-01 All states have different regulations laws licensing and requirements for security guards This is especially true regarding the use of deadly force power of detain arrest and many other legal aspects of being a security guard It is the responsibility of the school instructor to know the laws relating to security guard activities for the State County or City in which they train and for which they train These laws and regulations are easy to find and free to print because they are of the public domain While all states may have different laws almost all states includes in their armed security guard training and educational requirements firearm knowledge and technical skills so the armed security guard can effectively use a firearm in the defense of self and others This Armed Security Guard Training Manual was developed to meet the most stringent standard It represents 40 hours of study materials It also includes 10 hours legal section that discusses Weapons and Firearms and the use of deadly force These 10 hours of the curriculum are modeled after Florida laws which regulates heavily security guard activities This section constitutes an excellent moral guideline to work from BUT it is your responsibility to research and teach the law of your state county city as well as ensure that you take the steps you need to meet your state s licensing requirements if there are any Last but not least this kit as you see it is what we use every day to train our pupils at Safe N Secure

Superintendent of Documents,1968 **The Survival Code and Situational Awareness** Tony Lee Burleson, PhD,Tony Lee Burleson,2012 When it comes to the defensive use of firearms the skill of not being shot is at least as important as the skill of shooting Moving to cover and shooting from cover should be a constant part of Handgun drilling but unfortunately most exercises don t emphasize this aspect of defense In a perfect world the first shots a beginner fires would be from behind cover Seeking cover while drawing or firing should be an instinct you are training yourself every time you handle a gun and if you stand out in the open when shooting drills you are training yourself to stand out In the open when returning fire an immobile and easy target as is very often observed in law enforcement shootings The antidote is to shoot from cover from the very outset and keep it a constant part of your training As law enforcement training shifts to this paradigm they observe that officers who come up for qualification are uneasy firing in the open they instinctively prefer to shoot from Behind cover when it is available There is very little use of cover in these drills which is why I mention it here They can however be adapted It is up to you to give yourself the kind of training you want to have Industrial Security David L.
