Alexander Hamilton A Life:

Alexander Hamilton Willard Sterne Randall, 2003 **Alexander Hamilton** Hourly History, 2016-12-18 Alexander Hamilton did not rise to public prominence as an austere New Englander or a gentlemanly Virginian. He was not born in the colonies at all. He was born in the West Indies the son of a woman of French descent who had left her husband for another man. As an illegitimate child, Hamilton could not be educated in the local church school, so businessmen impressed by his remarkable intelligence sent him to America for his schooling. The American Revolution would interrupt his vacation but accelerate his promotion to the national stage from his service as George Washington's aide de camp to his position as the new nation's first Secretary of the Treasury. Hamilton understood money and knew that for the nation to thrive it had to become financially strong, a stance which brought him into contention with other Founding Fathers who distrusted his enthusiasm for a strong central government. Inside you will read about Hamilton Rises, The Patriotic Prodigy, Hamilton the Politician and Puller of Strings, Washington's Man at the Treasury, The Reynolds Affair, Back to New York, Hamilton and Burr, The Final Chapter. His extramarital affair with a married woman brought his public career to a conclusion but he continued to involve himself in political intrigue. It was his role in a contested election that brought him to a duel with Aaron Burr, the shadowy character in American history. Scandal and death cannot overpower the mighty role he played in building the United States of America. The Life and Times of Alexander Hamilton ... Christopher James Riethmüller, 1864 **The Life of Alexander Hamilton, Vol. 1 of 2 (Classic Reprint)** John T. Morse, 2017-09-17 Excerpt from The Life of Alexander Hamilton Vol 1 of 2. It is now many years ago that I first conceived the purpose of writing a Life of Alexander Hamilton. The undertaking was repeatedly postponed with the intention of awaiting some period of leisure but as from year to year the prospect of that period seemed to recede rather than to approach I at last despaired of its ever arriving and some four years ago entered upon my task without farther delay and have since prosecuted it in such intervals as I could snatch from professional occupation. Doubtless the work could have been much better done by some student of American history who could have devoted his unbroken days to the topic and made it the sole object of his reading and reflection. But as none such has appeared in nearly three quarters of a century I have ventured to make my effort. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. The Intimate Life of Alexander Hamilton Allan McLane Hamilton, 2017-09-09 Excerpt from *The Intimate Life of Alexander Hamilton* Based Chiefly Upon Original Family Letters and Other Documents Many of Which Have Never Been Published The purpose of the writer is to utilize a large number of original letters and documents written by Alexander Hamilton and various members of his family as well as his contemporaries and which in some measure throw light upon his private life and career as a soldier lawyer and statesman Most of these have never been published and were left to me by my father the late Philip Hamilton who was his youngest son I have no more ambitious purpose than to produce a simple narrative for there are several important works that fully and formally describe his public services The latest of these is Oliver's excellent book which is a noble monument to the memory of Hamilton If I have gone into detail very minutely it is because of the belief that the familiar side of his life will be of interest to a great many people who have hitherto been furnished only with unauthentic generalities About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
