spread a thick quilted blanket on the rocky floor She kicked off her shoes removed her shirt and bra shucked her jeans and stood there naked except for a pair of aquamarine bikini panties Her nipples responded to the caress of a cool breeze that drifted over her breasts and she inhaled the earthy scent of the decay around her mixed with the dank overtones of river water She dropped to her knees on the blanket closed her eyes and waited for her partner She shuddered as he silently slipped the noose around her neck His fingers were long and slender Piano player fingers her mother used to call them Like your father has As a child Aubrey wondered why a man blessed with the hands of a concert pianist never played an instrument never even cared to But somewhere along the way she came to understand that Cyril Davenport s long slender fingers made music of another kind the crescendo of sound that came from her parents bedroom on a nightly basis Aubrey felt the rope pull tighter Rope was a misnomer It was a long strand of silk the belt from a robe perhaps and it felt soft and smooth as he cinched it against her carotid arteries
