Amelia is a ripper a monster who feeds on violent people who have so thoroughly forsaken love that they ve burned away their souls Unseen and unnoticed by most of society and living as both hunter and hunted the only emotion rippers feel is anger But Amelia is different from her fellow rippers and also feels happiness sadness fear love and every other emotion To her mother Danjay that makes Amelia the strangest of all monsters Driven from their home by religious zealots Amelia and Danjay must learn to survive in the city of Medea where violent men rule and kill anyone who opposes them Worse Amelia has never hunted on her own and her mother is ill and growing weaker by the day Only a chance encounter with a human who can see Amelia gives her any hope that she might be able to save her mother To succeed Amelia must learn to hunt in an increasingly dangerous city brought to the brink of war by the corrupt rich and powerful Amelia will also have to discover if her differences from her fellow rippers makes her weak as her mother believes or if she can instead be a new kind of monster that the world has never seen before **Silent Scream** Roxanne Varzi,2025-10-03 Alex slips off her headphones and savors the sensation of stillness in silence while the crowd dances on at Oslo s hot new silent disco She is conducting her dream field research on sound and attention when a handsome stranger beckons to her from across the dance floor Hoping for a little warmth in Norway s cold climate she follows him going from anthropology PhD student to murder suspect With the Norwegian police and a killer closing in Alex is stranded in a country where every puzzle piece is slightly out of place While dyslexia makes reading Norwegian difficult it also gifts her an uncanny ability to read people Soon she is channeling Ms Marple as much as Margaret Meade as she re places puzzle pieces and navigates the sharp edges of the frosty Fjord in an attempt to free herself and return home Hydrogeology, Herbicides and Nutrients in Ground Water and Springs, and Relation of Water Quality to Land Use and Agricultural Practices Near Carlisle, Pennsylvania Daniel J.
