

A sepia-toned photograph of Alfred Maudslay in a cave, sketching a Maya artifact. He is seated in a folding camp stool, leaning forward over a small table. On the table is a large, flat object, possibly a Maya tablet or a piece of wood, which he is sketching with a pencil. The cave walls are rough and textured, and various pieces of equipment and supplies are visible in the background, including a lantern and some boxes. The lighting is dim, coming from a source off-camera, creating a focused and intimate atmosphere.
