Alcoholics Anonymous - Big Book Special Edition - Including: Personal Stories Alcoholics Anonymous World Services, Aa Services, 2006-08 It's more than a book It's a way of life Alcoholics Anonymous the Big Book has served as a lifeline to millions worldwide First published in 1939 Alcoholics Anonymous sets forth cornerstone concepts of recovery from alcoholism and tells the stories of men and women who have overcome the disease Personal stories have been added to reflect the growing and diverse fellowship Key features and benefits the most widely used resource for millions of individuals in recovery contains full original text describing AA program personal stories We of Alcoholics Anonymous are more than one hundred men and women who have recovered from a seemingly hopeless state of mind and body To show other alcoholics precisely how we have recovered is the main purpose of this book For them we hope these pages will prove so convincing that no further authentication will be necessary We think this account of our experiences will help everyone to better understand the alcoholic Many do not comprehend that the alcoholic is a very sick person And besides we are sure that our way of living has its advantages for all It is important that we remain anonymous because we are too few at present to handle the overwhelming number of personal appeals which may result from this publication Being mostly business or professional folk we could not well carry on our occupations in such an event We would like it understood that our alcoholic work is an avocation When writing or speaking publicly about alcoholism we urge each of our Fellowship to omit his personal name designating himself instead as a member of Alcoholics Anonymous Very earnestly we ask the press also to observe this request for otherwise we shall be greatly handicapped We are not an organization in the conventional sense of the word There are no fees or dues whatsoever The only requirement for membership is an honest desire to stop drinking We are not allied with any particular faith sect or denomination nor do we oppose anyone We simply wish to be helpful to those who are afflicted We shall be interested to hear from those who are getting results from this book particularly from those who have commenced work with other alcoholics We should like to be helpful to such cases Inquiry by scientific medical and religious societies will be welcomed **Stoicism: Inner Light Revealed** Edward Sianski, 2023-03-26 This book takes to heart Matthew

13 52 Therefore every scribe who has been trained for the kingdom of heaven is like the master of the household who brings out of his treasure what is new and what is old Although Stoicism dates back to Greek and Roman times its influences have never waned This philosophy has underpinned the way of life of individuals and groups for hundreds of years Twelve Step programs such as Alcoholics Anonymous and Al Anon have successfully incorporated its key ideas to help many thousands of people I have been sober for 29 continuous years after drinking for 25 years and can attest to the effectiveness of Twelve Step programs Stoic principles are used in Cognitive Behaviour Therapy and Rational Emotive Behaviour Therapy This book also examines a cross section of people who have utilized Stoic principles in their lives of service to others Stoicism has proven to be a reliable scaffold for people determined to make a difference in their community sometimes against formidable opposition I believe this book will help to inspire a wide range of people to navigate their way through life stoically
