Heaven Quest Joshua Ledesma, 2019-02-28 In Book 2 of the Heaven Quest series this book capitalizes on the lesson of Chapter 15 from Book 1 The parable of the wheat and tares explains how the children of the kingdom will be separated from the children of the wicked one or more importantly that the humans going to heaven will be separated from the ones going to hell After being asked to separate good plants from unwanted weeds one day and realizing how hard it was to tell the difference in some instances I realized that if I didn't want to be mistaken by a tare I'd better get to work on my spiritual appearance before the angels made what I would call a big mistake Using the Bible this book contains practical application to simple actions applicable to your life to make sure you are not accidentally mistaken as a tare and that you also stand out as someone who for the others in this world will definitely be in heaven one day With stories from King Solomon putting his hand to the plow and at some point looking back to Moses leading the Israelites out of Egypt to head to the Promised Land this book contains many important lessons to help strengthen you spiritually on this journey we are all living out here on earth as we wait for the angels to come take us to heaven It's time to do what Jesus said to do and let your light shine before men that they may see your good works and glorify your Father who is in heaven
