Alfred The Great History Of Britain:

The Whole Works of King Alfred the Great Alfred (King of England),1852 **Alfred the Great** Justin Pollard,2006-06-29 Drawing on historical textual and archaeological research this work reassesses the key moments in Alfred the Great s life It offers an interpretation of what caused him to begin the formation of England and how it coloured the history of the Western world **Alfred the Great** Brenda Williams,1995 The Historical Imagination in Nineteenth-Century Britain and the Low Countries Hugh Dunthorne,Michael Wintle,2012-11-01 The 19th century laid the foundations of history both professional and popular The authors of this collection compare Britain the Netherlands and Belgium unearthing the ways in which history was conceived and then utilized usually for nationalistic purposes *King Alfred of England* JACOB. ABBOTT,2025-03-28 Delve into the fascinating world of 9th century England with Jacob Abbott s King Alfred of England part of the Makers of History series This engaging volume explores the life and reign of the iconic Anglo Saxon king Alfred the Great a pivotal figure in British history Abbott recounts Alfred s struggles and triumphs painting a vivid portrait of a leader who defended his kingdom against Viking invasions and laid the foundation for a unified England Explore the early history of Great Britain and the medieval era through the lens of this influential monarch This carefully prepared edition offers readers a glimpse into the past illuminating the challenges and triumphs of a king whose legacy continues to resonate Discover the story of a ruler warrior and scholar who earned his place as a pivotal figure in European history King Alfred of England provides a timeless exploration of leadership resilience and the shaping of a nation This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Rule Britannia? Britain and Britishness 1707-1901 Peter Lindfield,Christie Margrave,2015-09-04 The concept of Britishness and its constituent facets has over the past decade come increasingly to the fore In particular this can be seen in the politically and socially engaging debates surrounding the Scottish Referendum in 2014 It is an idea manifested both physically and cognitively that every Briton is aware of and engages with to a greater or lesser extent Thus the concept of Britishness is extremely current and crosses cultural political and socio economic boundaries Nevertheless Britishness is a challenging term to define and explore given its tremendously wide ranging nature and dynamic personally shaped characteristics Considering historical ideas of Britishness however can enhance the understanding of national identity in the modern world This volume does just that by gathering together original academic essays that explore the expression and understanding of Britishness in literature philosophy music historical documents art and design Each contribution offers a detailed
