The Encyclopedia of Elder Care Liz Capezuti, Michael L. Malone, MD, Paul R. Katz, MD, Mathy Doval Mezey, 2014 Print CourseSmart *Spiritual Care in Palliative Care* Megan C. Best, 2024-08-31 An international panel of experts have contributed to create the first comprehensive guide to spiritual care focussing on the palliative care setting from neonatal to aged care combining the theoretical underpinnings of spirituality research with practical applications for its introduction into patient care This book is structured to give a detailed understanding of the importance of spirituality for patients approaching the end of life as well as the impact of spiritual care on patients families and carers As the first step towards reaching this goal the need for spiritual care training of clinicians is outlined including the crucial step of nurturing one's own spiritual life Ways to identify and assess patients spiritual needs are explained The experience of existential suffering is explored along with discussion of the

ways it can manifest and how it can be addressed The implementation of spiritual care in the clinical setting is detailed with illustrations of the role of each member of the palliative care team and the benefits of an institutional approach This valuable resource provides not only empirical evidence for the importance of spiritual care but also practical guidance for those wishing to practice it It is ideal for all those caring for patients of all ages at the end of life including palliative care clinicians spiritual care professionals students and researchers and anyone interested in creating meaning in the face of imminent death

Approaching Death Committee on Care at the End of Life, Institute of Medicine, 1997-10-30 When the end of life makes its inevitable appearance people should be able to expect reliable humane and effective caregiving Yet too many dying people suffer unnecessarily While an overtreated dying is feared untreated pain or emotional abandonment are equally frightening Approaching Death reflects a wide ranging effort to understand what we know about care at the end of life what we have yet to learn and what we know but do not adequately apply It seeks to build understanding of what constitutes good care for the dying and offers recommendations to decisionmakers that address specific barriers to achieving good care This volume offers a profile of when where and how Americans die It examines the dimensions of caring at the end of life Determining diagnosis and prognosis and communicating these to patient and family Establishing clinical and personal goals Matching physical psychological spiritual and practical care strategies to the patient's values and circumstances Approaching Death considers the dying experience in hospitals nursing homes and other settings and the role of interdisciplinary teams and managed care It offers perspectives on quality measurement and improvement the role of practice guidelines cost concerns and legal issues such as assisted suicide The book proposes how health professionals can become better prepared to care well for those who are dying and to understand that these are not patients for whom nothing can be done

Palliative care for older people Lieve Van den Block, Gwenda Albers, Sandra Martins Pereira, Bregje Onwuteaka-Philipsen, Roeline Pasman, Luc Deliens, 2015-05-07 Current projections indicate that by 2050 the number of people aged over 80 years old will rise to 395 million and that by this date 25-30% of people over the age of 85 will show some degree of cognitive decline Palliative care for older people A public health perspective provides a comprehensive account of the current state of palliative care for older people worldwide and illustrates the range of concomitant issues that as the global population ages will ever more acutely shape the decisions of policy makers and care givers The book begins by outlining the range of policies towards palliative care for older people that are found worldwide It follows this by examining an array of socio cultural issues and palliative care initiatives from the care implications of health trajectories of older people to the spiritual requirements of palliative care patients and from the need to encourage compassion towards end of life care within communities to the development of care pathways for older people Palliative care for older people A public health perspective is a valuable resource for professionals and academics in a range of healthcare and public health fields to understand the current state of policy work from around the world The book also highlights the social cultural considerations

The Facts On Life After Death John Ankerberg,John Weldon,2011-04-22 Clearly shows how the cults and

parapsychology have modified the death experience stripped it of meaning It answers concerns such as What is the cultic view of death soul sleep annihilation or conditional immortality Is modern death research unbiased Are all near death episodes the positive experiences researchers would have us believe Why do near death experiences frequently represent initiation into the world of the occult Is there any evidence for reincarnation This book exposes the errors in the cultic occult view of death helps readers separate the facts from fiction **Oxford Textbook of Palliative Medicine** Geoffrey W. C.

Hanks,2011-07-21 Emphasising the multi disciplinary nature of palliative care the fourth edition of this text also looks at the individual professional roles that contribute to the best quality palliative care **Death, Society and Human Experience (1-download)** Robert Kastenbaum,2015-07-22 Providing an understanding of the relationship with death both as an individual and as a member of society This book is intended to contribute to your understanding of your relationship with death both as an individual and as a member of society Kastenbaum shows how individual and societal attitudes influence both how and when we die and how we live and deal with the knowledge of death and loss Robert Kastenbaum is a renowned scholar who developed one of the world s first death education courses and introduced the first text for this market This landmark text draws on contributions from the social and behavioral sciences as well as the humanities such as history religion philosophy literature and the arts to provide thorough coverage of understanding death and the dying process Learning Goals Upon completing this book readers should be able to Understand the relationship with death both as an individual and as a member of society See how social forces and events affect the length of our lives how we grieve and how we die Learn how dying people are perceived and treated in our society and what can be done to provide the best possible care Master an understanding of continuing developments and challenges to hospice palliative care Understand what is becoming of faith and doubt about an afterlife **Life, Death, and Somewhere in Between** Jeff Hielkema,2012-08-27 Life

Death and Somewhere In Between is the deeply personal story of one mans journey through some of the roughest obstacles in his life The author shares the sights sounds thoughts and emotions that resulted from life altering events including the deaths of his sixty three year old mother and eighteen year old daughter within eight weeks of each other the near death of his twenty four year old daughter four years later how performing CPR on a seventeen year old male profoundly affected his life and the authors own out of body experience as a teenager due to a farm accident Life Death and Somewhere In Between is the story of how it all ties together and shows that ultimately LIFE WINS **Death Replaced** Matthew Sleadd,2022-10-19 An untimely death leads to a second chance on the other side Riley is at the ultimate low After leaving pharmacy school with mountains of debt he accepts a minimum wage job as a glorified shelf stocker in a small Virginia town He can t pay his student loans rent or afford much food And his biggest setback getting shot and killed during a standoff with police But unlike most deaths this one comes with a job offer and an opportunity to turn his life around After two thousand years working as the Angel of Death Azrael is out of touch with humanity He needs a replacement and has his eye on Riley who

hesitantly agrees The transition goes anything but smoothly Azrael rushes through training then leaves without warning Riley is uncertain about his new job responsibilities and mistakenly kills a demon who retaliates on the mortals Now lives are at stake souls kidnapped and fate lies within the hands of a rookie
