Revelation and Concealment of Christ Saeed Hamid-Khani,2021-03-16 The elusive disposition of John s language has been noted by biblical scholars throughout the history of New Testament studies The Fourth Gospel is seen as so simple to grasp and yet often pointing beyond itself and beckoning the reader to read deeper Various socio linguistic studies have explained this feature as the reflection of the sectarian tendencies in the Johannine Christianity In his study Saeed Hamid Khani questions these approaches as inadequate In turn he examines John s language within an exegetical and theological framework He argues that the Sitz im Leben of Johannine language was an environment in which the Hebrew Scriptures

were the dominant conceptual force for both the Jews and the Christians In this context he argues that the essential function of John s enigmatic language is wedded to the Evangelist s purpose in writing the Gospel namely a steadfast focus upon setting forth that Jesus is the Christ according to the witness of Israel s Scriptures It is here in these echoes and thematic allusions to the Scriptures that we find the answer to the function and significance of John s unique language i e Jesus is the Messiah the Saviour of the world and he is the visible image of the invisible God the embodiment of the self revelation of God according to the Scriptures However these truths are concealed from the undiscerning and are only revealed by the spirit of God to those who are born of God [NLT Study Bible](#) ,2017 Explore the Scriptures with almost 50 of today s top evangelical scholars including Daniel Block Barry Beitzel Tremper Longman John N Oswalt Grant R Osborne Norman Ericson and many more Every feature in the NLT Study Bible has been created to do more than just impart information Ask questions and the NLT Study Bible gives you both the words and the world of the Bible Seek deeper understanding and find the meaning and significance of Scripture not just facts Knock on the door of God s Word and see what doors are opened to you The New Living Translation makes the message clear The features of the NLT Study Bible bring the world of the Bible to life so that the meaning and significance of its message shine through Amazon com [Studies on the New Testament F.](#)

Godet,2023-10-15 Reprint of the original first published in 1873 **Spirituality in John's Gospel** Gabriel-Mary Fiore,2023-11-30 The Fourth Gospel has been known as the spiritual gospel since the second century but only recently have biblical scholars attempted to express the unique spirituality found in that sacred text Surprisingly no consensus has emerged even after a century of research Thus while John s Gospel is widely admired as a vibrant source of Christian piety the distinct features of its spirituality remain unclear Fr Fiore addresses this problem from the fresh perspective of spiritual theology Capitalizing on a century of Johannine biblical scholarship he uses the interdisciplinary methods of spiritual theology to bring new data to the study of the Gospel and solutions to many lingering questions How did ancient readers understand what scholars now refer to as the Gospel s spirituality How does that ecclesial reading compare to the analysis of modern critical exegesis What makes Johannine spirituality special among other forms of Christian piety How does the question of the Gospel s authorship impact our understanding of its spirituality Does the Gospel contain what we now call mysticism In what ways is John s spirituality still relevant for Christians today Students of Christian spirituality and Johannine exegesis alike will find here stimulating historical and theological analysis of the Gospel s spirituality [Lectures on the Four Gospels Harmonized](#) Leveson Vernon Harcourt (M.A., Chancellor of the Cathedral of York.),1851 **The**
