Activists Guide To First Aid:

An Activist's Guide to Basic First Aid ,2015 Alcohol/safety Public Information Materials Catalog Ann C. Grimm,1983
Alcohol/safety Public Information Materials Catalog #8 Ann C. Grimm,1984 **How to Save Lives and Reduce Injuries** Sandy Golden,1983 **Alcohol safety public information materials catalog** ,1985 *The Conservative Guide to Campus Activism* ,1993 Surveillance in America Ivan Greenberg,2012-05-31 Surveillance in America provides a historical exploration of FBI surveillance practices and policies since 1920 based on recently declassified FBI files Using the new information available through these documents Ivan Greenberg sheds light on the activities and beliefs of top FBI officials as they develop and implement surveillance practices Paying particular attention to the uses of the media Greenberg provides a thorough reconsideration of the Watergate scandal and the role of W Mark Felt as Deep Throat He exposes new evidence which suggests that Felt led a faction at the FBI that worked together to bring down President Nixon The book concludes with an in depth treatment of surveillance practices since the year 2000 He considers the question of surveillance as harassment and looks at the further erosion of privacy stemming from Obama s counter terror policies which extend those of the Bush Administration s second term The startling increase in surveillance since the events of September 11th reveal the extent to which America is losing the battle for civil liberties **Behind the Shield** A. Hunsicker,2011 The worldwide number of incidents involving civil disturbances public unrests demonstrations uprisings and riots is increasing by the minute Each incident presents an ever demanding challenge for law enforcement and security professionals A detailed and understandable manual for security enforcement and riot control professionals is a priority and the answer to those challenging situations Any professional actively directly or indirectly engaged in crowd control operations vice or veteran whether in a unit or as team leader must train for and be able to pinpoint even the most unexpected security concerns Behind the Shield contains carefully selected and illustrated material for the crowd control law enforcement and security professional All of the available training and study material individual case studies and real scenarios combined with professional experience serve as the foundation for this specialist s manual Comprehensive detailed and straightforward Behind the Shield is the only book to offer an in depth look into the operational aspects of crowd control operations It guides the reader through a diversity of advanced disciplines and skills and contains all the necessary ingredients for effective crowd control planning and operations Information about every aspect of crowd control operations is not only an important part of the professional s ongoing training curriculum but is also crucial for those officials who seek a professional operation and solution facing not only today s security needs but also those of the future **Striking at the Roots: A Practical Guide to Animal Activism** Mark Hawthorne,2018-11-30 A major revision of animal rights bible Striking at the Roots referencing changes from the last 10 years including the rise of social media which is now a key part of any campaign The book brings together the most effective tactics for speaking out for animal rights Activists from around the globe explain why their

models of activism have been successful and how you can become involved Concise and full of practical examples and resources this manual for success demonstrates how many of the world s most engaged activists effectively speak to the public lobby policymakers and deal with law enforcement all while keeping their eyes on the prize of achieving victories for animals This book will empower you to make the most of your skills From simple leafleting to taking direct action each chapter clearly explains where to begin what to expect and how to ensure your message is heard

The Strange Careers of the Jim Crow North Brian Purnell, Jeanne Theoharis, 2019-04-23 Did American racism originate in the liberal North An inquiry into the system of institutionalized racism created by Northern Jim Crow Jim Crow was not a regional sickness it was a national cancer Even at the high point of twentieth century liberalism in the North Jim Crow racism hid in plain sight Perpetuated by colorblind arguments about cultures of poverty policies focused more on black criminality than black equality Procedures that diverted resources in education housing and jobs away from poor black people turned ghettos and prisons into social pandemics Americans in the North made this history They tried to unmake it too Liberalism rather than lighting the way to vanquish the darkness of the Jim Crow North gave racism new and complex places to hide The twelve original essays in this anthology unveil Jim Crow s many strange careers in the North They accomplish two goals first they show how the Jim Crow North worked as a system to maintain social economic and political inequality in the nation s most liberal places and second they chronicle how activists worked to undo the legal economic and social inequities born of Northern Jim Crow policies practices and ideas The book ultimately dispels the myth that the South was the birthplace of American racism and presents a compelling argument that American racism actually originated in the North

Civic Activism Unleashed Richard Youngs, 2019-01-08 One of the signal events in global politics in the last decade has been the transformation of political and civic activism Not only is the new activism qualitatively different in character from what it was in 2000 its intensity and frequency have dramatically increased Activists are developing a new type of civic movement applying innovative forms of direct action against governments and often operating without leaders or even any well defined set of aims In *Civic Activism Unleashed* Carnegie scholar Richard Youngs examines the changing shape of contemporary civic activism He shows how the emerging civic activism has important implications for the whole concept of civil society and for the relationship between citizens political institutions and states Youngs contends that the rise and spread of these new forms of direct action civic activism and the way the trend has driven the dramatic events in global politics in recent years requires us to update our understanding of what civil society actually is and which types of organizations are in its vanguard He further looks at the global impact of recent civic activism and offers a set of variables to help explain cases of success and failure Youngs larger aim is to explore in depth the new forms of civic activism that are emerging around the world and assess how they differ from more established practices of civil society activity Theoretically ambitious and global in scope *Civic Activism Unleashed* forces us to reconsider the nature of contemporary social and civic activism and how it is reshaping

contentious politics in countries across the world **Embodied Activism** Rae Johnson, PhD,2023-05-30 A radically different approach to social and environmental justice work for fans of adrienne maree brown and Bessel van der Kolk Instead of thinking about social justice as a process that starts with changing people s minds Embodied Activism understands our bodies how we feel in them and relate to others through them as the sites of transformation How do ordinary people with busy lives leverage our actions in support of liberation justice and authentic connection How can activists and social change makers avoid burning out How does the body factor into what our social movements miss Drawing on the somatic arts trauma informed psychology and anti oppressive movements Embodied Activism helps us explore and transform the political realities of our everyday lives in a new way by harnessing the felt experience of our bodies as the sites of our activism Rae Johnson teaches us to listen to our body language and to question body image norms They show us how to reconnect to our sensual capacities which we can lose sight of in a non stop nervous system hijacking world They give us tools and exercises to nourish ourselves and protect our bodies minds and spirits from the toll that activism can take And they teach us about nonverbal communication styles and how to connect with each other in joyful authentic community Embodied Activism is written for embodiment professionals community organizers and all readers looking for new tools and perspectives for changing the world one body at a time **Library of Congress Catalog** Library of Congress,1972 Beginning with 1953 entries for Motion pictures and filmstrips Music and phonorecords form separate parts of the Library of Congress catalogue Entries for Maps and atlases were issued separately 1953 1955 **Filipino American Transnational Activism** ,2019-12-09 Read an interview with Robyn Rodriguez Filipino American Transnational Activism Diasporic Politics among the Second Generation offers an account of how Filipinos born or raised in the United States often defy the multiple assimilationist agendas that attempt to shape their understandings of themselves Despite conditions that might lead them to reject any kind of relationship to the Philippines in favor of a deep rootedness in the United States many forge linkages to the homeland and are actively engaged in activism and social movements transnationally Though it may well be true that most Filipino Americans have an ambivalent relationship to the Philippines many of the chapters of this book show that other possibilities for belonging and imaginaries of home are being crafted and pursued Communication Activism Research for Social Justice Kevin M. Carragee,2023-09-28 Communication scholars have taken seriously the call for engaged scholarship and this book examines the principles practices and outcomes of communication activism research for social justice Communication activism research differs from other engaged communication scholarship through researchers promoting social justice intervening collaboratively and creating or assisting established collective actors that represent marginalized communities Collective actors examined in this book include Black Lives Matter the feminist movement and LGBTQ groups This book provides practical guidance on how to perform communication activism research offering recommendations for managing its challenges and discussing qualitative and quantitative methods for evaluating research interventions focusing

on significant contemporary issues This book will appeal to scholars who study and teach communication and social justice activism as well as scholars from disciplines such as sociology and it is ideal as a text in courses on communication and activism engaged communication scholarship communication and social movements and communication research methods

Majority-Minority Relations in Contemporary Women's Movements L. Predelli,B. Halsaa,2012-06-29 This book examines contemporary relations between ethnic majority and ethnic minority women s movements in Norway Spain and the United Kingdom and women s movements participation in and influence on public policy that focuses on violence against women

Power and Transnational Activism Thomas Olesen,2010-12-03 Offering new and critical insights on global activism and power it features case studies on China and Tibet HIV AIDS climate change child labour the WTO women and the UN the global public sphere world social forums and global civil society

Resources in Education ,2001

Feminist Transformations and Domestic Violence Activism in Divided Berlin, 1968-2002 Jane

Freeland,2024-07-19 This is the first in depth historical study of feminist activism against domestic violence in divided Berlin between 1968 and 2002 Starting in the 1970s feminists in West and then East Berlin campaigned against domestic violence as a key issue of women s inequality They exposed the harmful gender norms that left women unprotected and vulnerable to abuse in the home and called for this to change Indeed domestic violence has been one of the issues most effectively addressed by the women s movement in Germany Since the first shelter opened in West Berlin in 1976 women s shelters have spread throughout the country and today up to 45 000 women a year turn to emergency housing in Germany with many more accessing helplines and crisis centres Situating domestic violence activism within a broader history of feminism in post war Germany Feminist Transformations traces the evolution of this movement both across political division and reunification and from grassroots campaign to established professionalised social service In doing so it brings the histories of feminism in East and West Berlin together for the first time and explores how feminism successfully changed women s rights in Germany But it also asks what popular and political support for domestic violence activism has meant for feminism and the advancement of women s rights more broadly Examining the trajectory of feminism in Germany Jane Freeland reveals the limitations of gender equality as advancements in women s rights were often built on the reassertion of patriarchal gender roles
