*Trust Issues* Jodi L. Aiken, 2024-04-16 Ask the average Christian how to get through a difficult place in life and you are likely to hear the person say Just trust Jesus but what does that mean What does it look like to trust an unseen being Also what if you have trusted a friend or loved one only to have that trust shattered Can you ever trust again Every unknown in life presents the opportunity for trust to be affirmed or lost In *Trust Issues* author Jodi Aiken shares her unique take on building confidence in the power of an unseen God From examples from the life of Israel s most famous and beloved king to the personal application of her own journey you will discover how to gain confidence in God s trustworthiness the positive purpose of difficult times in your life and that God can mend your heart if you ve been hurt before If you desire to break the cycle of skepticism and long for the security of a trusting relationship pack up your boxes of doubt and move them out of the way so you can experience a surrendered life filled with Christ As you build upon your foundation of trusting God you will cultivate invaluable intimacy with your Creator and discover an everlasting love you can count on from a truly trustworthy God

**Joyce in the Belly of the Big Truck; Workbook** Joyce A. Cascio, 2005-05 *Healing the Wounds of Sexual Addiction* Mark Laaser, 2009-05-26 Hope real hope for recovery is within reach This book goes beyond clich answers and offers meaningful spiritual and practical steps to healing and freedom from sexual addiction or any addiction With today s rampant availability of Internet pornography sexual addiction has become a national epidemic that affects an increasing number of Christians even pastors and priests As devastating as any drug habit it brings heartbreak and despair to those it entangles But there is help for men and women caught in sexual addiction s downward spiral This book offers a path that leads beyond compulsive thoughts and behaviors to healing and transformation Speaking from his own experience with sexual addiction and recovery Dr Mark Laaser is sensitive to the shame of sexual addiction without minimizing its sinfulness He traces the roots of the problem discusses its patterns and impact and maps out a biblical approach to self control and sexual integrity Whether you know someone with a sexual addiction or struggle yourself *Healing the Wounds of Sexual Addiction* points the way to understanding wholeness and holiness Spanish edition also available previously titled *Faithful and True*

**What Possible Good?** Bill Trout, 2020-04-14 In the midst of our own intense storms of life we desperately search for an anchor of hope This book by author Bill Trout takes us on a journey towards gaining a better understanding of our pain and suffering We will find that God alone is the one true steadfast anchor that we seek Believers in Jesus are firmly secured to God as our anchor by a heavenly chain of very strong links One of the most vital links is found in the answer to the following question What possible good could come from our suffering There is great news God can and does turn bad things into good things for us To see him at work in our lives we need to ask God to open our spiritual eyes To improve our vision of the Master Potter at work we will look through a number of different spiritual lenses Each lens will permit us to see a different Biblical perspective of viewing our pain and suffering Not only will we see a broad range of the possible causes and

sources of our trials but also we will discover additional links in the chain of hope which may have eluded us thus far Though we have a natural tendency to blame God for our pain and suffering we will learn that the devil is the primary cause for most of the trials we face But more great news As we grow in our faith and trust in God we realize that he is an expert at turning the tables on all of the devil s deceptive schemes to tempt torture and destroy us God clearly works for the good of the those who love him who are called according to his purpose Romans 8 28 He is the master of turning potential defeat into decisive victory If we hold tight to him as our anchor we can safely and securely ride out all of the storms of life until we reach that promised eternal heavenly shore     Subject Guide to Books in Print ,1997     **Forthcoming Books** Rose Army,2001-06
