DiBenedetto,2015-05-22 Dr Sara Alderson isn t used to her patients dying for no reason When a young boy succumbs to a mysterious illness that defies all her efforts to treat it she refuses to accept defeat After two months of questions Sara has attracted the attention of powerful people who don t want their secrets uncovered and will go to any lengths to make sure they stay hidden Now time is running out for Sara to unravel the mystery before anyone else falls victim to the illness And before her career her family and her freedom are taken from her by enemies she doesn t even know she has *Fever Dream* is the eighth book of the *Dream Doctor Mysteries* *Dream Family* J.J. DiBenedetto,2014-03-20 Dr Sara Alderson didn t think she had a problem in the world when she walked into the office for her first day as a partner in her own medical practice And then the police showed up and arrested her for a crime she couldn t possibly have committed Twenty four hours later after a horrifying day and night in jail Sara comes home a different and completely broken woman

Clearing her name is her first challenge but that's nothing compared to the task of rebuilding her shattered psyche. And the only way she can do that is with the help of the supernatural dreams the same dreams that have nearly cost Sara her sanity and almost got her killed in the past. **Dream Family** is the third book of the Dream Doctor Mysteries **Dream Doctor** J.J. DiBenedetto, 2013-03-20. Between adjusting to life as a newlywed and trying to survive the first month of medical school Sara Alderson has a lot on her plate. She definitely doesn't need to start visiting other people's dreams again. Unfortunately for her it's happening anyway. Every night she sees a different person and a different dream. But every dreamer has one thing in common: they all hate Dr. Morris, the least popular professor in the medical school, and they're all dreaming about seeing him or making him dead. Once again Sara finds herself in the role of unwilling witness to a murder before it happens. But this time there are too many suspects to count, and it doesn't help matters that she hates Dr. Morris every bit as much as any of his would-be murderers do. **Dream Doctor** is the first book of the Dream Doctor Mysteries **Dream Home** J.J. DiBenedetto, 2014-05-22. Dr. Sara Alderson thought she was securing her and her family's future when she moved them to a small town in New York and took a job as Chief of Pediatrics at the local hospital. Unfortunately, things aren't going quite according to plan. For one thing, she has enemies at work who resent her from the moment she sets foot in the hospital. For another, she's visiting the dreams of an old man who's seeing nightly visions of a storm that will wipe out the entire town. He's convinced that the visions are true, and as winter closes in, Sara is starting to think he might be right. **Dream Home** is the sixth book of the Dream Doctor Mysteries **Losers Weepers** J. J. DiBenedetto, 2016-07-26 **Finders Keepers** J.J. DiBenedetto, 2016-03-29. It should have been a simple job. All archaeology student Jane Barnaby had to do was pick up a box her professor needed and deliver it to him at his dig site along with his new car. Yes, his office was in Oxfordshire and his dig site was in Spain, a trip of 1,400 miles across three countries and two bodies of water. Still, it should have been simple. And it was until Jane discovered she picked up the wrong box by mistake. Not the one with boring pottery samples, but instead the one with priceless ancient Egyptian artifacts. The one that a team of international art thieves is after. Now she's chasing and being chased by the thieves. And she's picked up a pair of passengers who claim they can help her outwit them, get her professor's pottery back, and return the artifacts to their rightful owner. If only she could figure out which one of them is working with the thieves and which one she can trust in this high-stakes game of finders keepers **Dream Child** J.J. DiBenedetto, 2013-03-20. Dr. Sara Alderson can deal with eighty-hour workweeks as a resident at Children's Hospital. Dealing with crises in the Emergency Room or the OR is second nature to her. But now she faces a challenge that all of her training and experience hasn't prepared her for. Lizzie, her four-year-old daughter, has inherited her ability to see other people's dreams. After Lizzie befriends a young boy on a trip to Washington DC and then wakes up in a panic that night because of a bad, funny dream, Sara knows exactly what it means: her daughter is visiting the boy's dreams. Complicating matters is the fact that the boy's father is a Congressman and he's dreaming about a scary man in a big black car threatening his Daddy.

Unraveling a case of political corruption and blackmail would be hard enough for Sara under the best of circumstances But when she has to view everything through the eyes of a toddler it may be an impossible task *Dream Child* is the second book of the Dream Doctor Mysteries **Ten Years and Then...** J.J. DiBenedetto, 2025-09-16 What if the love of your life was the one who got away over and over again In 1988 Daniel Keller is a shy brilliant college sophomore who never expected to fall for anyone until Nora Langley crashes into his life like a thunderstorm in heels With wit ambition and a wild heart she tries to hide Nora makes Daniel feel seen for the first time Their love is messy exhilarating and more than either of them knows how to handle When the pressure of family expectations and uncertain futures becomes too much they break apart but the story doesn't end there Over the next ten years Daniel and Nora keep finding their way back to each other Different cities New careers Almost relationships But the connection never fades Every reunion brings joy and pain hope and heartbreak And always the question what if Told with nostalgia emotional depth and aching romanticism *Ten Years and Then* is for anyone who's ever looked back at a lost love and wondered what might have been Can two people who never stopped loving each other finally get it right or are some hearts never meant to stay **Finding Dori** J.J. DiBenedetto, *Dori* came to the town of Romance to help a friend She wasn't looking for a romance of her own But when she broke her leg and found herself stuck in Romance for two weeks romance found her with the very man who caused her accident Lucas wasn't looking for romance either But when the woman who almost killed herself by running in front of his truck turned out to be his next client romance found him too Dori has two weeks until her leg is healed and she can travel back home to New York Lucas has two weeks until his job is finished and he won't have to see Dori again Can the two of them stop sabotaging themselves long enough for Romance to work its magic on them **The Queen of Emerald Falls** J.J. DiBenedetto, 2020-12-15 She's spontaneous passionate and has a habit of mangling the English language He's calm and controlled and always has the perfect thing to say in every situation If their differing personalities were the only obstacle they'd probably have smooth sailing Unfortunately things aren't that simple in the town of Emerald Falls and life keeps throwing curveballs at Sheryl Jones and Dr Jon Hardy If they're going to find true love they'll have to deal with Sheryl's archenemy trying to destroy her business and Jon's interfering brother showing up to try and ruin his life And then there's the vindictive daughter of the richest man in town not to mention a stolen vintage Rolls Royce Can this star-crossed couple fight their way past all the obstacles and make their way back to each other without losing their jobs their sanity or going bankrupt in the meantime Romantic comedy fans will love this quirky mix of *How I Met Your Mother* and *General Hospital* **Betty and Howard's Excellent Adventure** J.
