Better A Surgeons Notes On Performance

AN Whitehead

Better A Surgeons Notes On Performance:

Better Atul Gawande, 2010-07-09 The struggle to perform well is universal but nowhere is this drive to do better more important than in medicine In his new book Atul Gawande explores how doctors strive to close the gap between best intentions and best performance in the face of obstacles that sometimes seem insurmountable His vivid stories take us to battlefield surgical tents in Iraq to a polio outbreak in India and to malpractice courtrooms around the country He discusses the ethical dilemmas of doctors participation in lethal injections examines the influence of money on modern medicine and recounts the astoundingly contentious history of hand washing Finally he gives a brutally honest insight into life as a practising surgeon Unflinching but compassionate Gawande s investigation into medical professionals and their progression from good to great provides a detailed blueprint for success that can be used by everyone *Better* Gawande, 2007 Riveting Accounts Of Medical Failure And Triumph And How Success Is Achieved In A Complex And Risk Filled Profession The Struggle To Perform Well Is Universal And Nowhere Is The Drive To Do Better More Important Than In Medicine Where Lives Are On The Line With Every Decision In His New Book Atul Gawande Explores How Doctors Strive To Close The Gap Between Best Intentions And Best Performance In The Face Of Obstacles That Sometimes Seem Insurmountable Gawande S Gripping Stories Of Diligence And Ingenuity Take Us To Battlefield Surgical Tents In Iraq Delivery Rooms In Boston A Polio Outbreak In India And Malpractice Courtrooms In The Us He Discusses The Ethical Dilemmas Of Doctors Participation In Lethal Injections Examines The Influence Of Money On Modern Medicine And Recounts The Contentious History Of Hand Washing And As In All His Writing Gawande Gives Us An Inside Look At His Own Life As A Surgeon Offering A Firsthand Account Of Work In A Field Where Mistakes Are Both Unavoidable And Unthinkable *Better* Atul Gawande, 2008-01-22 National Bestseller The struggle to perform well is universal each of us faces fatigue limited resources and imperfect abilities in whatever we do But nowhere is this drive to do better more important than in medicine where lives may be on the line with any decision Atul Gawande the New York Times bestselling author of *Complications* examines in riveting accounts of medical failure and triumph how success is achieved in this complex and risk filled profession At once unflinching and compassionate *Better* is an exhilarating journey narrated by arguably the best nonfiction doctor writer around Salon com

Complications in Surgery Michael W. Mulholland, Gerard M. Doherty, 2012-11-13 *Complications in Surgery* Second Edition offers authoritative recommendations for preventing and managing complications in all current general surgery procedures The opening sections discuss institutional risk management issues and risks common to all operations such as wound healing problems infection shock and complications in immunosuppressed patients Subsequent sections focus on complications of specific procedures in thoracic vascular gastric endocrine breast and oncologic surgery as well as organ transplantation and pediatric surgery This edition includes new information on surgical quality assessment and patient safety and updated information in the organ specific chapters **Fundamentals of General Surgery** Francesco

Palazzo,2018-06-26 This book provides a comprehensive guide to the surgical skills required during general surgery General Concepts are covered with descriptions of basic terminology the logic behind specific approaches limitations of specific skills technical and practical considerations and safety of using specific approaches and skills More advanced topics including gastro intestinal anastomosis exploring a patient after a major trauma and managing crisis situations are also discussed as well as current controversies and future directions within general surgery Fundamentals of General Surgery is relevant to trainees in general surgery and its subspecialties and aims to give them an easy to access resource that contains real life examples iconography and recommended further reading **Surgical Education** Heather Fry,Roger Kneebone,2011-08-29

Surgical Education Theorising an Emerging Domain delineates surgical as opposed to medical education as a new and emerging field of academic enquiry This reflects profound changes in healthcare training and practice on an international basis As such this book introduces examines and explores the contribution of selected concepts and theories to surgical learning and practice The first four chapters consider core facets of surgical education such as simulation while subsequent chapters take a key idea often well known in another field and examine its relevance to surgical education Of course performing invasive procedures is no longer the exclusive preserve of traditional surgeons Boundaries between surgery and the interventional specialties radiology cardiology intensive care are becoming increasingly blurred especially as technology continues to expand Changing work patterns and explosive technological development mark this out as a major growth area New educational approaches e g the use of simulation are emerging And all clinical practice is a team activity where clinicians from many specialties medicine nursing allied professions come together with shared goals For all the above groups and their patients education teaching training learning and assessment is of crucial importance Yet the unique characteristics of surgical education have not previously been addressed from an educational perspective nor have its possibilities as a new research domain been mapped The domain needs to be theorised and its epistemological foundations established There is thus both a need and a market for a definitive work in this area aimed at surgeons other clinicians non clinicians educators and others interested in this new domain **Anatomy of a Tumour** Sudhansu Mohanty,2013-07-01

The patient is Sudhansu Mohanty an Indian civil servant in his early fifties his scourge is the carcinoid tumour which unknown to him he has been carrying around for some time Mohanty s introduction to this scourge was gradual starting with an almost continuous fatigue followed by intermittent diarrhoea a loss of appetite enhanced perspiring especially while eating and a wasting away of muscles He ignored them all he lived in denial Before he knew it he was overtaken by nemesis in the form of a sharp drop in his haemoglobin The cause is carcinoid a rare form of cancer rare in terms of appearance hard to detect in its nascent stages and therefore all the more deadly In Mohanty s case it was suspected early post colonoscopy thanks to the perspicacity of his gastroenterologist who most unusual for a physician pronounced I consider this malignant I want to go in and see The author takes the reader on his four year long odyssey with carcinoid the rogue cancer He touches

lightly on his back to back surgeries and experiences in the hospital He describes alternative remedies for cancer eating asparagus broccoli lime lemon grass suggestions forwarded to him by well wishers He uses the Internet and finds the stories of fellow sufferers He narrates his battles to live life full tilt holding down a demanding day job while he undergoes a third surgery and as though nothing has interrupted his life even contemplates a sabbatical in a US university Anatomy of a Tumour is a tale of courage and hope Mohanty's writing is imbued with both humour and courage and clearly reflects his determination to face all odds with the same gung ho spirit that has informed his life **The Essential Hospital**

Handbook Patrick Conlon, 2009-07-21 Hospitalization is often as dismaying and frightening for family members as it is for the patient And despite a heartfelt desire to understand what is happening and to comfort a sick or injured loved one too often relatives and friends feel helpless and marginalized by the hospital system This valuable book is the first to assist families and friends of adult patients to navigate the unfamiliar and intimidating territory of the hospital It spells out in the clearest terms how a family can form a partnership with medical providers to ensure the best patient care possible Patrick Conlon's inspiration for the book was the sudden frightening hospitalization of his longtime partner Jim and his personal struggle to develop a useful role for himself as a caregiver Here he provides the handbook he wishes he'd had when Jim was admitted to the hospital Conlon offers encouragement proven strategies and straightforward advice all with the goal of empowering others to become successful care partners at the bedside of their loved ones Special features of the book Simple dos and don'ts to help you help your loved one and interact with hospital professionals Handy tear out checklists to fill in when consulting a surgeon preparing for discharge making a complaint updating family and friends and planning important meetings Definitions of hospital jargon terms abbreviations euphemisms and acronyms Sidebars with interesting facts Can cell phones interfere with sensitive medical equipment Why don't British doctors wear neckties What's the average length of stay in an ICU Easy to use caregiver's chart and diary [The Routledge Companion to Asian American and Pacific Islander Literature](#)

[Literature](#) Rachel Lee, 2014-06-05 The Routledge Companion to Asian American and Pacific Islander Literature offers a general introduction as well as a range of critical approaches to this important and expanding field Divided into three sections the volume Introduces keywords connecting the theories themes and methodologies distinctive to Asian American Literature Addresses historical periods geographies and literary identities Looks at different genre form and interdisciplinarity With 41 essays from scholars in the field this collection is a comprehensive guide to a significant area of literary study for students and teachers of Ethnic American Asian diasporic and Pacific Islander Literature Contributors Christine Bacarezza Balance Victor Bascara Leslie Bow Joshua Takano Chambers Letson Tina Chen Anne Anlin Cheng Mark Chiang Patricia P Chu Robert Diaz Pin chia Feng Tara Fickle Donald Goellnicht Helena Grice Eric Hayot Tamara C Ho Hsuan L Hsu Mark C Jerng Laura Hyun Yi Kang Daniel Y Kim Jodi Kim James Kyung Jin Lee Rachel C Lee Jinqi Ling Colleen Lye Sean Metzger Susette Min Susan Y Najita Viet Thanh Nguyen Erin Khu Ninh Eve Oishi Josephine Nock Hee Park Steven
