**Jennifer C. Rubenstein**

## **Between Samaritans And States The Political Ethics Of Humanitarian Ingos:**

**Between Samaritans and States** Jennifer C. Rubenstein, 2015 Examining the difficult ethical quandaries faced by humanitarian non governmental organizations INGOs this book explains why INGOs occupy a middle ground between the individual good Samaritan and full fledged conventional governments *Poverty, Solidarity, and Poor-Led Social Movements* Monique Deveaux, 2021-08-17 This is an open access title available under the terms of a CC BY NC ND 4.0 International license It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations Poverty is not only about material deprivation but also about the subordination and disempowerment of poor populations So why isn't the emancipation and empowerment of the poor a core goal of ethical arguments for poverty reduction Deveaux argues in this book that philosophers fail to prioritize these ends and to recognize the moral and political agency of poor people because they still conceive of poverty narrowly and apolitically as mere needs scarcity By comparison poor activists and critical poverty researchers who see deprivation as structural exclusion and powerlessness advocate a poor centered poor led approach to reducing poverty Stuck in an older paradigm of poverty thinking philosophers have failed to recognize the power and moral authority of poor communities and their movements for justice and social change If normative ethicists seek to contribute to proposals for just and durable poverty reduction they will need to look to the insights and aims of pro poor poor led social movements From rural landless workers in Brazil to urban shack dwellers in South Africa to unemployed workers impoverished by neoliberal economic policies in Argentina poor led organizations and movements advance a more political understanding of poverty and of what is needed to eradicate it Deveaux shows how these groups develop the political consciousness and collective capabilities of poor communities and help to create the basis for solidarity among poor populations Defending the idea of a political responsibility for solidarity she shows how nonpoor outsiders individuals institutions and states can help to advance a transformative anti poverty agenda by supporting the efforts of these movements

**The Neutrality Paradox in Sport** Hans Erik Næss, 2022-10-03 Following Russia's invasion of Ukraine in early 2022 sanctions were implemented that banned Russia from most international sports As a result sport governing bodies SGBs have made a marked shift in their tradition of neutrality to a point of no return In light of this this book asks what is next for SGBs It provides an analysis of the root problem that sport governing bodies have had with politics since their inception a paradoxical treatment of neutrality This can be evidenced by their awarding of Mega Sport Events to authoritarian states and also through the SGBs own desire to make a difference by promoting human rights and sustainable development Good or bad the author argues that their neutrality principles are invalidated by their actions Offering interdisciplinary research with empirical examples this issue is explored in an engaging yet analytical way making it valuable reading for researchers and students interested in sport management for organisations and also policy makers This book presents a pioneering study of neutrality and autonomy in sport in light of the Ukraine crisis and addresses a growing

appetite in academia on how sport governing bodies will reconcile their commitments to societal progress whilst maintaining neutrality

**Bioethics** Sean D. Aas, Collin O'Neil, Chiara Lepora, 2024-02-12 Bioethics 50 Puzzles Problems and Thought Experiments collects 50 cases both real and imaginary that have been or should be of special interest and importance to philosophical bioethics Cases are collected together under topical headings in a natural order for an introductory course in bioethics Each case is described in a few pages which includes bioethical context a concise narrative of the case itself and a discussion of its importance both for broader philosophical issues and for practical problems in clinical ethics and health policy Each entry also contains a brief annotated list of suggested readings In addition to the classic cases in bioethics the book contains discussion of cases that involve several emerging bioethical issues especially issues around disability social justice and the practice of medicine in a diverse and globalized world Key Features Gives readers all chapters presented in an identical format The Case Responses Suggested Readings Includes reference to up to date literature in journals devoted both to more generalist ethics and to bioethics Offers short and self contained chapters allowing students to quickly understand an issue and giving instructors flexibility in assigning readings to match the themes of the course Features actual or lightly fictionalized cases in humanitarian aid offering a type of case that is often underrepresented in bioethics books Authored by three scholars who are actively involved in the central research areas of bioethics

**Civilization and the Making of the State in Lebanon and Syria** Andrew Delatolla, 2021-02-01 This book argues that the modern state from the nineteenth century to the contemporary period has consistently been used as a means to measure civilizational engagement and attainment This volume historicizes this dynamic examining how it impacted state making in Lebanon and Syria By putting social political and economic pressure on the Ottoman Empire to replicate the modern state in Europe the book examines processes of racialization nationalist development continued imperial expansion and resistance that became embedded in the state as it was assembled By historicizing post imperial and post colonial state formation in Lebanon and Syria it is possible to engage in a conceptual separation from the modern state abandoning the ongoing reproduction of the state as a standard or benchmark of civilization and progress

**The Tyranny of Generosity** Theodore M. Lechterman, 2022 The Tyranny of Generosity investigates what democracy demands from philanthropic giving and the policies that structure it Drawing on political philosophy but addressed to a wide audience it sheds new light on how philanthropy can both frustrate and facilitate democratic ideals The author evaluates the respective roles of philanthropy and government public subsidies for private giving the use of donations for political speech instruments of perpetual giving the rise in giving by commercial corporations and effective altruism as a guide for individual giving Written accessibly it is a book for anyone who s ever had mixed feelings about clicking the donate button or thanking a benefactor

**Humanitarianism in the Modern World** Norbert Götz, Georgina Brewis, Steffen Werther, 2020-07-23 A fresh look at two centuries of humanitarian history through a moral economy approach focusing on appeals allocation and accounting

**Democratizing Global Justice** John S. Dryzek, Ana

Tanasoca,2021-06-10 Justice and democracy can be mutually reinforcing in global governance a domain where both are currently lacking      **Promoting Justice Across Borders** Lucia M. Rafanelli,2024-01-11 Global political actors of all kinds exert influence in societies beyond their own in myriad ways including via public criticism consumer boycotts divestment campaigns sanctions and forceful intervention Often they do so in the name of justice promotion These attempts to promote justice in foreign societies raise several moral questions For example are there ways to promote one s own ideas about justice in another society while still treating its members tolerantly Are there ways to do so without disrespecting their legitimate political institutions or undermining their collective self determination This book addresses these and other questions to develop ethical principles we can use to determine whether a proposed attempt to promote justice in a foreign society is morally permissible      **Humanitarianism and Human Rights** Michael N. Barnett,2020-10-15 Explores the fluctuating relationship between human rights and humanitarianism and the changing nature of the politics and practices of humanity      **Elgar Encyclopedia of International Relations** Beate Jahn,Sebastian Schindler,2025-03-12 This Encyclopedia provides a comprehensive account of the theoretical and practical development of international relations Experts in the field examine the intellectual and political relevance of core concepts from liberalism and constructivism to war and conspiracy This title contains one or more Open Access chapters      **Effective Altruism** Hilary Greaves,Theron Pummer,2019 The first volume of its kind Effective Altruism brings together contributions from internationally recognised philosophers economists and political theorists who introduce the effective altruism movement and explore in detail issues which arise once one takes seriously the twin ideas of altruistic commitment and effectiveness      [Amateurs without Borders](#) Allison Schnable,2021-02-02 Amateurs without Borders examines the rise of new actors in the international development world volunteer driven grassroots international nongovernmental organizations These small aid organizations now ten thousand strong sidestep the world of professionalized development aid by launching projects built around personal relationships and the skills of volunteers This book draws on fieldwork in the United States and Africa web data and IRS records to offer the first large scale systematic study of these groups Amateurs without Borders investigates the aspirations and limits of personal compassion on a global scale      **The Oxford Handbook of Political Obligation** ,2025-09-28 The Oxford Handbook of Political Obligation offers an authoritative up to date overview of research in this field In recent decades scholars have developed strong criticisms of the traditional reasons given to explain political obligations At present skepticism about the possibility of a convincing account may well be the dominant position in the literature These philosophical developments run alongside changed political and social circumstances In recent years Western political systems have come under suspicion with citizens led to question traditional reasons why they should obey them Additional factors renewing interest in political obligation include the emergence of new democracies in Eastern Europe occasioned by the fall of the Soviet Union and unrest in many American cities especially over issues of racial justice This Handbook has two

main foci contemporary philosophical debates about political obligation and responses to political social circumstances that raise questions about requirements to obey the law Traditional theories of obligation are addressed in a series of essays by well known authorities while additional essays canvass new approaches including the possibility of legitimate states without moral requirements to obey them and skeptical conclusions from important theorists Responses to political and social circumstances include civil disobedience and more radical approaches In addition political obligations are addressed as they bear on emerging democracies and unjust and authoritarian regimes

[The Cambridge Handbook of Privatization](#) Avihay Dorfman, Alon Harel, 2021-09-16 This volume explores the questions of what makes some goods and services fundamentally public and why

*Sharing Responsibility* Luke Glanville, 2021-05-18 A look at the duty of nations to protect human rights beyond borders why it has failed in practice and what can be done about it The idea that states share a responsibility to shield people everywhere from atrocities is presently under threat Despite some early twenty first century successes including the 2005 United Nations endorsement of the Responsibility to Protect the project has been placed into jeopardy due to catastrophes in such places as Syria Myanmar and Yemen resurgent nationalism and growing global antagonism In *Sharing Responsibility* Luke Glanville seeks to diagnose the current crisis in international protection by exploring its long and troubled history With attention to ethics law and politics he measures what possibilities remain for protecting people wherever they reside from atrocities despite formidable challenges in the international arena With a focus on Western natural law and the European society of states Glanville shows that the history of the shared responsibility to protect is marked by courageous efforts as well as troubling ties to Western imperialism evasion and abuse The project of safeguarding vulnerable populations can undoubtedly devolve into blame shifting and hypocrisy but can also spark effective burden sharing among nations Glanville considers how states should support this responsibility whether it can be coherently codified in law the extent to which states have embraced their responsibilities and what might lead them to do so more reliably in the future *Sharing Responsibility* wrestles with how countries should care for imperiled people and how the ideal of the responsibility to protect might inspire just behavior in an imperfect and troubled world

[The Palgrave Handbook of International Political Theory](#) Howard Williams, David Boucher, Peter Sutch, David Reidy, Alexandros Koutsoukis, 2024-06-05 This handbook provides a comprehensive exploration of International Political Theory which in its broadest terms examines the ways in which ideas about justice sovereignty and legitimacy shape international politics The two volumes of the handbook cover topics ranging from the foundations of international political thought to the latest debates in the field Chapters 4 and 13 are available through open access under a Creative Commons Attribution 4.0 International License via [link.springer.com](https://link.springer.com)

[Handbook on the Politics of International Development](#) Deciancio, Melisa, Nemiña, Pablo, Tussie, Diana, 2022-05-24 This innovative book sets out to rethink corporate social responsibility CSR in global value chains

*The Alternatives to War* James Pattison, 2018 This book examines the ethics of the alternatives to war It assesses the moral case

for each of the alternative in their own right and provides an overall assessment of the alternatives to war      *Political Legitimacy* Jack Knight, Melissa Schwartzberg, 2019-08-06 Essays on the political legal and philosophical dimensions of political legitimacy Scholars journalists and politicians today worry that the world s democracies are facing a crisis of legitimacy Although there are key challenges facing democracy including concerns about electoral interference adherence to the rule of law and the freedom of the press it is not clear that these difficulties threaten political legitimacy Such ambiguity derives in part from the contested nature of the concept of legitimacy and from disagreements over how to measure it This volume reflects the cutting edge of responses to these perennial questions drawing in the distinctive NOMOS fashion from political science philosophy and law Contributors address fundamental philosophical questions such as the nature of public reasons of authority as well as urgent concerns about contemporary democracy including whether animus matters for the legitimacy of President Trump s travel ban barring entry for nationals from six Muslim majority nations and the effect of fundamental transitions within the moral economy such as the decline of labor unions Featuring twelve essays from leading scholars *Political Legitimacy* is an important and timely addition to the NOMOS series

As recognized, adventure as well as experience not quite lesson, amusement, as capably as deal can be gotten by just checking out a books **Between Samaritans And States The Political Ethics Of Humanitarian Ingos** also it is not directly done, you could acknowledge even more concerning this life, more or less the world.

### **Between Samaritans And States The Political Ethics Of Humanitarian Ingos Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Between Samaritans And States The Political Ethics Of Humanitarian Ingos free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Between Samaritans And States The Political Ethics Of Humanitarian Ingos free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results

by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Between Samaritans And States The Political Ethics Of Humanitarian Ingos free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Between Samaritans And States The Political Ethics Of Humanitarian Ingos. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Between Samaritans And States The Political Ethics Of Humanitarian Ingos any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Between Samaritans And States The Political Ethics Of Humanitarian Ingos Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
