Between Two Worlds The Inner Lives Of Children Of Divorce:

Between Two Worlds Elizabeth Marquardt, 2006-09 Offers an in depth study of the impact of divorce on the emotional and spiritual lives of children drawing on interviews with young adults from both intact and divorced families to demonstrate that even amicable divorces have lasting effects on children as they are confronted with different worlds each with distinct moral values traditions and messages Reprint 25 000 first printing **The Children of Divorce** Andrew Root, 2010-08 A recognized authority on youth ministry explores from a theological and spiritual standpoint the baffling sense of loss of self experienced by children of divorce *The Children of Divorce (Youth, Family, and Culture)* Andrew Root, 2010-08-01 Why does divorce cause so much strain and long term distress for children of all ages Andrew Root a recognized authority on youth ministry and a child of divorce himself explains that divorce causes children to question their core identity Since a child is the product of the union of a mother and father when that union ends he or she experiences a baffling sense of loss of self a loss of his or her very sense of being Root redirects efforts for assisting children of divorce to first address this fundamental experience This unique book examines the impact of divorce not only from a theological and spiritual perspective but also from a young person s perspective It will benefit those who have experienced divorce and those who minister to children of divorce Marriage William E. May, 2009-01-01 In this revised and expanded edition of *Marriage The*

Rock on Which the Family is Built internationally renowned theologian William E May makes the case for marriage s foundational role for family with marriage defined as the union of one man and one woman Drawing on Pope John Paul II s theology of the body he explains the person affirming love enabling life giving and sanctifying nature of marriage He shows how marriage is necessarily a complementary union of man and woman and how this rules out the idea of same sex marriage

The End of Children? Graham Allan, Nathanael Thomas Lauster, 2012 Fertility rates have fallen dramatically around the world In some countries there are no longer enough children being born to replace adult populations The disappearance of children is a matter of concern matched only by fears that childhood is becoming too structured or not structured enough too short or too long or just simply too different from the idealized childhoods of the past **Take God's Hand** Aimee Claire Cooks, 2024-08-08 When you made your marriage vows you did not look down the road and see divorce in your future yet here you are You may feel like your family and your dreams have been shattered You may feel overwhelmed dealing with your emotions as well as your children s emotions You may wonder how you will restore a sense of normalcy to life There is hope for your family God is in the business of rebuilding lives God cares about your unique circumstances Author Aimee Claire Cooks has been where you are divorced and raising two young sons as a single mom for many years This book shares how to grow through your circumstances in a deeper relationship with God how to be there for your children and includes practical tips on how to parent as a single while rebuilding your family Most importantly because each story is unique the questions at the end of each chapter will help you process your own story *Oil on the Wounds* Father Livio Melina, Carl

Anderson,2013-03-14 Although it is not always recognized the damage left by a divorce or an abortion can be devastating These actions have not only physical consequences but psychological and spiritual ones as well No individual or family comes out of either experience unharmed Recently the Pontifical John Paul II Institute s International Congress comprised of the world s foremost experts in each field was held to discuss the suffering of people who have been affected by these acts and the ways in which their lingering pain should be approached and relieved The findings of this symposium compiled by leading authorities Carl Anderson and Father Livio Melina form the basis of *Oil on the Wounds A Response to the Aftermath of Divorce and Abortion* The book is divided into two sections The first section deals with the aftermath of divorce its long term effects on the social lives of children and the ways in which the Church can offer compassion and counsel to those affected The second section addresses the issue of abortion the pain that results from ending a pregnancy and what the Church s role should be in the alleviation of that pain The text relies on sociological and psychological perspectives to illuminate these wounds and suggests both practical and spiritual methods of healing Inspired by the biblical story of the Good Samaritan this volume asks us to recognize the profound torment left in the wake of divorce and abortion It urges us to act accordingly in the face of these ordeals to shoulder the burden of the tormented in an attempt to one day alleviate their suffering by the grace of God Ultimately this collection of essays is meant to create a dialogue promote recognition of those psychologically and spiritually harmed by divorce or abortion and explore our duty to listen to these victims and like the Good Samaritan bandage their wounds This book is for laymen professionals and clergy who seek to understand the issues not only from a religious point of view but also from a human perspective **The Contested Place of Religion in Family Law** Robin

Fretwell Wilson,2018-05-31 Examines clashes over religious liberty spanning the life cycle of families from birth to death

Love Thy Body Nancy R. Pearcey,2018-01-02 Why the call to Love Thy Body To counter a pervasive hostility toward the body and biology that drives today s headline stories Transgenderism Activists detach gender from biology Kids down to kindergarten are being taught their body is irrelevant to their authentic self Is this affirming or does it demean the body Homosexuality Advocates disconnect sexuality from biological identity as male or female Is this liberating or does it denigrate biology Abortion Supporters say the fetus is not a person though it is biologically human Does this mean equality for women or does it threaten the intrinsic value of all humans Euthanasia Those who lack certain cognitive abilities are said to be human but not persons Is this compassionate or does it ultimately put everyone at risk In *Love Thy Body* bestselling author Nancy Pearcey goes beyond politically correct slogans with a riveting expos of the dehumanizing worldview that shapes current watershed moral issues arguing that a holistic Christian view sustains the dignity of the body and biology Throughout the book Pearcey entrances readers with compassionate stories of people wrestling with hard questions in their own lives their pain their struggles their triumphs *Pastoral Care 11-16* Noel Purdy,2013-05-16 A critical guide to effective pastoral care provision exploring a range of issues including bereavement bullying child abuse domestic violence separation

Brinig, 2010-05-15 In the wake of vast social and economic changes the nuclear family has lost its dominance both as an ideal and in practice Some welcome this shift while others see civilization itself in peril but few move beyond ideology to develop a nuanced understanding of how families function in society In this provocative book Margaret F Brinig draws on research from a variety of disciplines to offer a distinctive study of family dynamics and social policy Concentrating on legal reform Brinig examines a range of subjects including cohabitation custody grandparent visitation and domestic violence She concludes that conventional legal reforms and the social programs they engender ignore social capital the trust and support given to families by a community Traditional families generate much more social capital than nontraditional ones Brinig concludes which leads to clear rewards for the children Firmly grounded in empirical research Family Law and Community argues that family policy can only be effective if it is guided by an understanding of the importance of social capital and the advantages held by families that accrue it **Torn Asunder** McCarthy, 2017 A timely unsettling of old settled questions surrounding divorce Amid the current nationwide debate over what marriage is this book examines anew the nature and meaning of marriage from the standpoint of what adult children of divorce have actually experienced Upholding the inextricable link between our personal identity and our origin in a union of two and more deeply in the Fatherhood of God the contributors to this volume reflect on the damage that divorce does to children opening up important questions for all of us What does it mean to be human What does it mean to love and to marry After decades of talk about the

rights of adults to get a divorce and the benefits for children of an amicable split between parents a so called good divorce these authors theologians philosophers political scientists lawyers psychologists sociologists and cultural critics effectively unsettle conventional opinion

Sweet Surrender Dennis Hiebert, 2013-07-09 Every culture has a way of perceiving and practicing marriage Many contemporary Western Christians mistake what their culture prescribes regarding marriage with what the Bible portrays and thereby take as biblical what is merely cultural Uncritical conformity to cultural imperatives of marriage then becomes a Christian virtue and a sweet surrender Few recognize much less question this confusion even when its consequences are unhealthy In Sweet Surrender Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage hold as optional what is not explicitly required by the Bible and live out their marriages within the transcendent grace of God Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian Marriages benefit when they are released from cultural directives that are not biblical callings even if they choose to retain them as cultural practices This book is for Christians who are ready to rethink their assumptions about marriage

Fake Science Austin Ruse, 2017-07-17 If you listen to any political argument you re eventually bound to hear something like The science is settled on this Or Just look at the statistics Or There have been studies that say You d think we were living in the golden age of science and reason But the truth is far more sinister says Austin Ruse We re actually living in the age of the low information voter easily misled by all too convincing false statistics and studies In Fake Science Ruse debunks so called facts used to advance political causes one after the other revealing how poorly they stand up to actual science
