Beyond Blame A Full Responsibility Approach To Life Technology For The Soul:

2012 and Beyond Yehuda Berg,2011-10-20 Drawing wisdom from the Zohar this short kabbalistic text redefines this legendary period of time as a window for individuals and communities to reach messiah consciousness That means it s up to people not some celestial savior to ignite global change All the natural disasters poverty revolutions anarchy are wake up calls to a fragmented humanity The end is near but as Yehuda explains this really means the end of dominance of the human ego In its place we will experience the unleashing of our true selves the illuminated human soul There must be a critical mass a certain threshold of transformation to capitalize on this window and when that occurs the peoples of the world will function as one body while still appreciating our differences Our collective minds have the power to bring an end to negative consciousness and birth a new existence right now

Beyond Blame Yehuda Berg,2006-10-31 In these uplifting personal stories ordinary people describe in their own words how the teachings of Kabbalah have enabled them to move beyond blame and transform their life experiences from victim status to mastery
