## **Beyond Silent Cadence As The Baffling Beat Goes On:**

Beyond Silent Cadence Leisley M. Lantram, 2014-07-29 In the spring of 1980 Christa Fonteneau has reached a breaking point. A stay-at-home mother transplanted from Nashville to Houston by the promotion of her husband Damon, she is entirely dependent on him for interaction with the world outside her home. Their two daughters are now school age and Christa is left at home alone with her anxieties created by their troubled marriage. Damon is out all hours of the night and when he's home he is violent. Christa decides it is time to make a change. She sees a way out through renewing her teaching certificate and finding a job. Meanwhile she struggles to keep the abusive behavior of her husband a secret, maintaining the facade of a happy family for years. Although she longs to escape from Damon, that desire is held in check by her deep insecurity. Can she find the strength to leave behind the life she knows for a world that she also fears? This suspenseful novel details the experiences of one woman who, after years of hiding her guilt and shame behind closed doors, fights to find her way out and back to herself. I highly recommend *Beyond Silent Cadence*, an emotional narrative that reveals one person's venture through trauma and joy. This unfolding story exposes relationship patterns of vulnerability that are universal. Leisley Lantram will clearly make a difference with this intriguing suspenseful tale. Judith Martin, M.Ed., Education Specialist, Clinton MS

**Beyond Silent Cadence** Leisley M. Lantram, 2014-07-28 See CCP document *Beyond Silent Cadence* reveals the woe of many who bury guilt or shame behind closed walls. The novel details Christa's challenging experiences with raw insecurities revealed when she felt undeniably trapped in a marriage of conflict. Some episodes in this fiction novel are based on real happenings. Names, settings, and dates do not reflect any authenticity. *Beyond Silent Cadence* was written to help publicize and to help prevent domestic violence and abuse.

*Reading William Faulkner: 'Go Down, Moses' & 'Big Woods'* John Lennard, 2012-01-01 Faulkner is notoriously a difficult writer to study, especially for first-time readers. This Literature Insight begins with three chapters clearly setting out the important facts of his life, mapping the people and history of his recurrent fictional setting, Yoknapatawpha County, and analysing the oddities and problems of his prose style. Later chapters turn directly to his great novel *Go Down, Moses* and his later collection *Big Woods*, dealing in detail with each story and the intertexts and showing how they connect and add up to something much more than loose collections. Readers new to Faulkner will find it a very helpful introduction to his world, and those already familiar with him a valuable resource.
