Beyond Add Hunting For Reasons In The Past And Present:

The Hidden History of Guns and the Second Amendment Thom Hartmann, 2019-06-04 In this precise primer on firearms practices and policies progressive talk show host Hartmann examines the history of routine gun usage and extreme gun violence and assesses the influence of gun ownership on contemporary political economic and social norms A brief but powerful analysis of a searing national crisis Booklist Taking his typically in depth historically informed view Thom Hartmann examines how guns have played important roles throughout American history from early European settlement to the Revolutionary War and Manifest Destiny through the use of Slave Patrols in the Deep South which became the well regulated militias so debated in 1787 to the assassination of John F Kennedy and recent school massacres Looking at the present Hartmann documents how inequality in America and the number of people killed in mass shootings have grown together over the last fifty years Finally he identifies a handful of common sense and powerful solutions that would address the issue at different levels from getting money out of politics to get the National Rifle Association out of lobbying to passing laws that would treat gun ownership like car ownership title license insurance to addressing the social despair and economic inequality that drive violent crime and mass shootings

Rebooting the American Dream Thom Hartmann, 2011-08-01 If we are going to live in a democracy we need to have a healthy middle class tells us what needs to be done to reclaim what it is to be American Eric Utne founder Utne Reader America does not need an upgrade For years the Right has been tampering with one of the best political operating systems ever designed The result has been economic and environmental disaster In this hard hitting book nationally syndicated radio and television host and bestselling author Thom Hartmann outlines eleven common sense proposals deeply rooted in America s history that will once again make America strong and Americans not corporations and billionaires prosperous Some of these ideas will be controversial to both the Left and the Right but the litmus test for each is not political correctness but whether or not it serves to revitalize this country we all love and make life better for its citizens

Unequal Protection Thom Hartmann, 2011-04 Unequal Protection details the deeply destructive results Corporations now enjoy extraordinary privileges that make them virtually independent kingdoms This new feudalism is not what our founders intended Hartmann proposes specific legal remedies that could truly save the world from political economic and ecological disaster It s time for we the people to take back our lives With huge corporations now benefiting from massive taxpayer funded bailouts Hartmann s hard hitting critique of corporate personhood is more timely than ever This new edition has been thoroughly updated and features Hartmann s analysis of two recent critical Supreme Court corporate speech cases

The Hidden History of Monopolies Thom Hartmann, 2020-08-25 This is the most important dynamic book on the cancers of monopoly by giant corporations written in our generation from the foreword by Ralph Nader American monopolies dominate control and consume most of the energy of our entire economic system they function the same as cancer does in a body and like cancer they weaken our systems while threatening to crash the entire body economic

American monopolies have also seized massive political power and use it to maintain their obscene profits and CEO salaries while crushing small competitors But Thom Hartmann America's 1 progressive radio host shows we've broken the control of behemoths like these before and we can do it again Hartmann takes us from the birth of America as a revolt against monopoly remember the Boston Tea Party to the largely successful efforts of both Presidents Theodore and Franklin Roosevelt and other like minded leaders to restrain corporations monopolistic urges to the massive changes in the rules of business starting during the Reagan Revolution that have brought us to the cancer stage of capitalism He shows the damage monopolies have done to so many industries agriculture healthcare the media and more Individuals have taken a hit as well the average American family pays a 5 000 a year monopoly tax in the form of higher prices for everything from pharmaceuticals to airfare to household goods and food But Hartmann also describes commonsense historically rooted measures we can take such as revitalizing antitrust regulation taxing great wealth and getting money out of politics to pry control of our country from the tentacles of the monopolists

The Hidden History of American Oligarchy Thom Hartmann, 2021-02-01 The New York Times bestselling author looks at the real history of the corrupting influence of oligarchy in America and how we can fight back Billionaire oligarchs want to own our republic and they're nearly there thanks to legislation and Supreme Court decisions that they have essentially bought They put Trump and his political allies into office and support a vast network of think tanks publications and social media that every day push our nation closer and closer to police state tyranny The United States was born in a struggle against the oligarchs of the British aristocracy and ever since then the history of America has been one of dynamic tension between democracy and oligarchy And much like the shock of the 1929 crash woke America up to glaring inequality and the ongoing theft of democracy by that generation's oligarchs the coronavirus pandemic of 2020 has laid bare how extensively oligarchs have looted our nation's economic system gutted governmental institutions and stolen the wealth of the former middle class Thom Hartmann the most popular progressive radio host in America and a bestselling author traces the history of this struggle against oligarchy from America's founding to the United States war with the feudal Confederacy to President Franklin Roosevelt's struggle against economic royalists who wanted to block the New Deal In each of those cases the oligarchs lost the battle But with increasing right wing control of the media unlimited campaign contributions and a conservative takeover of the judicial system we're at a crisis point Now is the time for action before we flip into tyranny We've beaten the oligarchs before and we can do it again Hartmann lays out practical measures we can take to break up media monopolies limit the influence of money in politics reclaim the wealth stolen over decades by the oligarchy and build a movement that will return control of America to We the People Praise for The Hidden History of American Oligarchy For every American interested in protecting our democracy everyone puzzled about how America came to the brink of authoritarian rule and for all who enjoy a being educated and entertained by enthralling eye opening riveting journey in U S history The Hidden History of Oligarchy is a must read Don

Siegelman former Governor of Alabama author of *Stealing Our Democracy* Thom Hartmann is America's history teacher a national treasure laying it out scary and clear tyranny can happen here Oligarchy's choking democracy Mimi Kennedy actress board member Progressive Democrats of America

The Hidden History of Neoliberalism Thom Hartmann, 2022-09-13 A progressive radio host and author reveals how neoliberalism became so prevalent in the United States and why it's time for us to turn our backs to it With four decades of neoliberal rule coming to an end America is at a crossroads In this powerful and accessible book Thom Hartmann demystifies neoliberalism and explains how we can use this pivotal point in time to create a more positive future This book traces the history of neoliberalism a set of capitalistic philosophies favoring free trade low taxes on the rich financial austerity and deregulation of big business up to the present day Hartmann explains how neoliberalism was sold as a cure for wars and the Great Depression He outlines the destructive impact that it has had on America looking at how it has increased poverty damaged the middle class and corrupted our nation's politics America is standing on the edge of a new progressive era We can continue down the road to a neoliberal oligarchy Or we can choose to return to Keynesian economics and Alexander Hamilton's American Plan by raising taxes on the rich reversing free trade and building a society that works for all The destabilization neoliberalism's policies have wrought have left our generation with the task to rebuild and Hartmann's book shows the way Leila Conners founder and Director Tree Media and Need to Know N2K Thom Hartmann makes it crystal clear how neoliberal free market economics benefits monopolistic big business and the ultrarich while impoverishing our country and everyone else Earl Katz progressive activist and Emmy nominated documentary film producer This compact handbook nimbly recapitulates the political effects of neoliberalism as it percolated through world history George DiCaprio

Prayer for People who Can't Sit Still, **Mental Illness in Popular Media** Lawrence C. Rubin, 2014-01-10 Whether in movies cartoons commercials or even fast food marketing psychology and mental illness remain pervasive in popular culture In this collection of new essays scholars from a range of fields explore representations of mental illness and disabilities across various media of popular culture Contributors address how forms of psychiatric disorder have been addressed in film on stage and in literature how popular culture genres are utilized to communicate often confusing and conflicted relationships with the mentally ill and how popular cultures around the world reflect mental illness and disability Analyses of sources as disparate as the Batman films Broadway musicals and Nigerian home movies reveal how definitions of mental illness mental health and of psychology itself intersect with discourses on race gender law capitalism and globalization Instructors considering this book for use in a course may request an examination copy here

The Hidden History of American Democracy Thom Hartmann, 2023-07-18 America's most popular progressive radio host and New York Times bestselling author Thom Hartmann paves the way to saving our democracy In this powerful sweeping history and analysis of American democracy Thom Hartmann shows how democracy is the one form of governance most likely to produce peace and happiness among people With the violent exception of the Civil

War American democracy resisted the pressure to disintegrate into factionalism for nearly two centuries and now our very system of democratic elections is at stake So how do we save our democracy Hartmann s newest book in the celebrated Hidden History Series offers a clear call to action and a set of solutions with road maps for individuals and communities to follow to create a safer more just society and a more equitable and prosperous economy *ADHD and the Edison Gene* Thom Hartmann,2015-09-17 Explores how the ADHD gene is and has been critical to humanity s development Shows how artists inventors and innovators carry the gene necessary for the future survival of humanity Explains why children with this gene are so often mislabeled in public schools as having a disorder Offers concrete strategies for helping children reach their full potential In *ADHD and the Edison Gene* Thom Hartmann shows that the creativity impulsiveness risk taking distractibility and novelty seeking that are characteristic of Attention Deficit Hyperactivity Disorder ADHD are not signs of a disorder at all but instead are components of a highly adaptive skill set utilized by our hunting and gathering ancestors These characteristics have been critical to the survival and development of our modern civilization and will be vital as humanity faces new challenges in the future Hartmann creator of the hunter versus farmer theory of ADHD examines the differences in neurology between people with ADHD and those without sharing recent discoveries that confirm the existence of an ADHD gene and the global catastrophe 40 000 years ago that triggered its development He cites examples of significant innovators with ADHD traits such as Ben Franklin and Thomas Edison and argues that the children who possess the ADHD gene have neurology that is wired to give them brilliant success as artists innovators inventors explorers and entrepreneurs Emphasizing the role that parents and teachers can play in harnessing the advantages of ADHD he shares the story of how Edison was expelled from school for ADHD related behavior and luckily his mother understood how to salvage his self esteem and prepare him for a lifetime of success Offering concrete strategies for nurturing educating and helping these children reach their full potential Hartmann shows that rather than being problems such children are a vital gift to our society and the world *We've Got Issues* Judith Warner,2011-02-01 A bold brilliant and provocative look at childhood medication by New York Times bestselling author Judith Warner In *Perfect Madness* Motherhood in the Age of Anxiety the bestselling author and former New York Times columnist Judith Warner explained what s gone wrong with the culture of parenting and her conclusions sparked a national debate on how women and society view motherhood Her new book *We ve Got Issues* Children and Parents in the Age of Medication will generate the same kind of controversy as she tackles a subject that s just as contentious and important Are parents and physicians too quick to prescribe medication to control our children s behavior Are we using drugs to excuse inept parents who can t raise their children properly What Warner discovered from the extensive research and interviewing she did for this book is that passion on both sides of the issue is ideological and only tangentially about real children and she cuts through the jargon and hysteria to delve into a topic that for millions of parents involves one of the most important decisions they ll ever make for their child Insightful compelling and deeply moving *We ve*

Got Issues is for parents doctors and teachers anyone who cares about the welfare of today s children *Cracking the Code (Volume 2 of 2) (EasyRead Super Large 24pt Edition)* , *Different Minds* Deirdre V. Desmurget,2023-07-04 TV unleashes the imagination and feeds intelligence A child deprived of TV risks social isolation TV dumbs you down TV makes you obese It seems that everything and its opposite has already been said about TV But what is it really How can we distinguish between the radical No TV of some and the supposedly entertaining virtues touted by others Michel Desmurget a doctor in neuroscience has sifted through and synthesized thousands of research articles published over the last fifty years in the most rigorous international journals The conclusion is unequivocal we must stop watching television for good whatever the program All content even that meant to teach can never come close to any other learning method The data is clear television viewing is detrimental to school performance For a child in elementary school for example every hour spent daily watching television increases the likelihood that he or she will one day leave the school system without any qualifications For specialists there is no doubt that television has a negative influence not only on intellectual development but also on behavior Thus certain eating disorders anorexia bulimia are related to a frantic consumption of television programs In short watching television has an impact on our life expectancy However the harmful impact of this risk is largely underestimated because of the large sector of the public exposed to television more than 85% of Western households have at least one television set and because of a debate on the subject that has become inaudible and confused Moreover the results of the research initiated by the big media groups on the subject remain proprietary i e closed to the general public Believing that we is facing a real public health problem Michel Desmurget wants to act as a responsible scientist with a clear concise and rigorously referenced book the message cannot go unnoticed Michel Desmurget is a doctor of neuropsychology He attended several major American universities MIT Emory UCSF and is now a research director at INSERM in cognitive neuroscience He is particularly interested in the problems of brain organization and plasticity He is the author of the book TV Lobotomy Max Milo 2022 which is based in part on his personal history Exasperated by having to constantly justify the choice not to have television at home and to prevent his children from having access to it and not to be seen as a sociopath in the eyes of those around him he has done a massive job to argue his point Healing in the Relational Paradigm Wade Luquet,Mo Therese Hannah,1998 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company
