Alternative Spirituality and the After-Life Maureen Perez, 2022-09-27 My reason for writing this book is to address the many opinions people have about alternative spirituality topics and what happens when we die There are many fearful ideas about death personal responsibility and sin I want to provide an alternative view of these subjects I firmly believe that our Creator would never cause us to suffer in any way shape or form That energy is of a loving parent who disciplines us when we need it and loves us unconditionally
