Academic Authors Beth Luey,2022-03-24 Encouraging no nonsense advice for academic authors who want their research to reach the widest possible audience Jesuit Art Mia M. Mochizuki,2022-01-31 In Jesuit Art Mia Mochizuki considers the artistic production of the pre suppression Society of Jesus 1540 1773 from a global perspective Geographic and medial expansion of the standard corpus changes not only the objects under analysis it also affects the kinds of queries that arise Mochizuki draws upon masterpieces and material culture from around the world to assess the signature structural innovations pioneered by Jesuits in the history of the image When the question of a Jesuit style is rehabilitated as an inquiry into sources for a spectrum of works the Society's investment in the functional potential of illustrated books reveals the traits that would come to define the modern image as internally networked technologically defined and innately subjective

Handbook of Qualitative Research Methods in Marketing Russell W. Belk,Cele Otnes,2024-09-06 This fully revised second edition of a best selling Handbook is an essential resource for qualitative researchers and practitioners in marketing Developments in artificial intelligence and software have contributed to huge changes in qualitative methodologies since the first edition was published in 2006 and this updated Handbook acknowledges and critiques these fascinating scholarly advancements This title contains one or more Open Access chapters *Tea, Automatons, and Time Machines* Misti McCanna-Porter,2024-04-02 Contemporary art must get inspiration from somewhere In Tea Automatons and Time Machines the subculture of Steampunk art is studied in relation to art history Addressing three main topics within social and environmental justice a comparison of art styles and creativity stems from an artist's passion within popular culture Using arts based research methods and personal introspection viewed through the lens of nostalgia a unique perspective of art history studies comes to life Nostalgia being primarily a psychological study is used as a lens to view art culture and memoir into a complete research project We live in a world in need of change Historically artists have provided a means for change through their work and the lives they choose to live The vastness of art history provides plenty of room for inspiration and interpretation In this study the contemporary sub culture of Steampunk looks nostalgically at Arts and Crafts Art Nouveau and Art Deco eras in a way that paves the way for social change and environmental preservation using fantasy cos play and

art to demonstrate needed changes Through the art and culture of Steampunk we explore areas that could use improvement in our modern world and yet they do tie in with similar occurrences of the past We find that we re not that different but with art and demonstration we too can make positive changes for our future
