A Study In The Revelation

A Study In The Revelation:

Hidden In Plain Sight: A Study of the Revelation to John Uchenna Mezue, 2015-10-03 The Revelation to John has been with us for about 2000 years and has been the subject of diverse attempts at interpretation The Revelation as given is a vision of the end time work of the Son of Man and the sole purpose is to prepare humanity for that mission and offer them the chance to recognise the last Envoy of God when He does come It is only with this understanding in view that the Revelation can be appreciated All the promised messages for the end time are now available to us and I believe we are in a better position to understand the message of The Revelation Indeed I believe that we urgently need to understand its message The urge and pressure amongst all striving human spirits to unravel the mysteries of The Revelation represents this need This study is not a substitute for The Revelation but may be regarded as a call for a deeper study and hopefully an awakening to the need to experience the times in a more alert manner The work is offered in the recognition that the Revelation is being fulfilled in this epoch and as such is a must read for all striving human spirits **Let's Study Revelation** Derek

Thomas, 2003 Derek Thomas shows that amidst the language and forms that dazzle and shock the book of Revelation is above all a book about Jesus Christ Thomas takes us through the series of seven visions which show the outworking of the words of Jesus to Peter I will build my church and the gates of hell shall not prevail against it **A Study of the Book of Revelation**

Bourne, 1982 **A Testimony of Jesus Christ - Volume 1** Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides **A Study of the Revelation of Jesus Christ (Classic Reprint)** F. E.

Cameron, 2017-12-14 Excerpt from A Study of the Revelation of Jesus Christ That there are the three major divisions of Revelation must be held in mind to understand clearly that which is being revealed in its proper sequence These divisions may be established according to the command given to John Write the things which thou hast seen and 2 the things which are and 3 the things which shall be hereafter By careful examination we see that these things are About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in

As Seeing the Invisible Daniel Thambyrajah Niles,2012-04-01 **THE UNVEILING - A Guide to the Prophecies of the Book of Revelation** Robert I. Adams,2018-10-18 The world is heading toward a climax End time prophecies in the book of Revelation are nearing the time of their fulfillment As we get closer it is imperative we understand what to expect will occur on the world scene Here are some questions about the last book of the Bible that we need answers to What does it say about the future of the world Where does it place the church in the last days What does it say about Israel in the end time How does it portray the return of Christ THE UNVEILING conveys with clarity and conviction what the book of Revelation reveals concerning these issues *A Study of the Bible* Teresa Brewington,2025-01-16 This study of the Bible highlights the truth that the Old and New Testaments are one cohesive record of prophecy and fulfillment and that Jesus Christ was the fulfillment of all things promised to the twelve tribes of Israel in their Law and through their prophets This work emphasizes that the old covenant based on a law that could not save was established to teach of the end goal Jesus Christ the mediator of the new covenant in which salvation is obtained This study examines major biblical themes including the promised land the temple the kingdom the priesthood salvation and the resurrection in an exhaustive Genesis to Revelation context allowing Scripture to interpret Scripture It is committed to honoring the undeniable and strict timelines promised by the author of all Bible prophecy Himself the faithful and sovereign God of Abraham The twenty first century reader is challenged to honor the symbolic language and communicative styles used by the Hebrew people in order to understand the ancient text through the eyes of the original audience In addition this study provides irrefutable evidence that Jesus Christ reigns victorious as King of kings and Lord of lords and that those who are in Christ are the covenant people of God The most valuable tools for making one's own informed conclusions regarding theology are personal knowledge and understanding of the facts found within the inspired text This work emphasizes and is built upon those facts Inform yourself Study Then live in the peace that surpasses all understanding **The Victorious Christ** Charles Freeman Sleeper,1996-01-01 C Freeman Sleeper offers a logical and nonthreatening way for readers to study the book of Revelation First he introduces the reader to the basic questions Then he acquaints readers with matters such as imagery and symbolism and their use in other texts from the same period Finally he deals with the difficult issues of interpretation and the implications of Revelation for Christians today The Victorious Christ is the perfect guide for non specialists in search of a reliable and interesting exploration of the book of Revelation Study questions and exercises are provided to offer additional support **A Testimony of Jesus Christ - Volume 2** Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous

prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author s conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides

Ferguson,2015-03-29 Have you ever been frustrated by the countless interpretations written about the book of Revelation How do you know what someone says or writes is correct There is no better source for this interpretation than God Himself This in depth study of Revelation relies primarily on God s own words and His overall plan for mankind His plan is revealed throughout the Bible and is the source and guide for this interpretation of the visions recorded by John From Lamb to Lion A Study of Revelation is written in outline form to provide you with a structured and systematic approach This will assist you in your own personal studies as well as enable you to lead a group study **Revelation** John Ortberg,2001-12-30 This study is designed to help readers find a humble biblical balance as they learn study and look closely at the book of Revelations

Investigation into Our Relationship to God and into “The Time of the End” Trevor Pope,2011-03-24 Throughout the entire Christian era Adventist groups have been announcing that the return of Jesus Christ is imminent This book is a reminder that until some awesome prophecies of which Jesus warned have been fulfilled His return cannot be imminent When questioned about the signs preceding His return Jesus warned of deception of international hatred of Christians and of the prophet Daniel s forecast of an unprecedented time of trouble that would almost destroy mankind To those in Thessalonica long ago who believed the Lord s return was imminent the apostle Paul wrote You must allow no one to deceive you in any way That day cannot come until the Great Rebellion has taken place Quoting from Daniel Paul describes an appalling rebel and how the Lord s appearing will remove him Despite these warnings from Jesus and Paul many Christians today regard these old prophecies as largely metaphorical and as having been fulfilled To their infinite loss they overlook them and perpetuate the age old prediction that the Lord s return is imminent In contradiction to that many prophecies related herein prove that the three and a half years of the time of the end have not yet begun *Come Out of Her, My People* J. E. Leonard,1991 **Digging Deep into the Revelation of Jesus Christ** Michael Copple,2019-01-21 The purpose of this guide is to promote learning discussion and blessing The greatest benefit of the layout is that the reader has four columns side by side to enhance ease of understanding and use time more effectively Following the design of a parallel Bible with four columns side by side the Revelation Chapter is the left most column In column 2 is the commentary on that Chapter with references to other verses and passages To save the reader from searching for reference Books and verses those

Scriptures are printed in column 3 on the side facing page Column 4 consists of the commentary for the reference verses
