A Time To Read Good Books For Growing Readers:

A Time to Read Mary Ruth Wilkinson, Heidi Wilkinson Teel, 2000-06 In a Time to Read Mary Ruth K Wilkinson and her daughter Heidi Wilkinson Teel have compiled a helpful guide to children's books More than bibliography A TIME TO READ also includes essays on the nature of children's literature and story and how these hold together in a Christian life reflecting Mary Ruth's 30 years experience teaching a literary and Christian approach to children's books Growing Readers Kathy Collins, 2023-10-10 Primary grade teachers face an important challenge teaching children how to read while enabling them to build good habits so they fall in love with reading Many teachers find the independent reading workshop to be the component of reading instruction that meets this challenge because it makes it possible to teach the reading skills and strategies children need and guides them toward independence intention and joy as readers In Growing Readers Kathy Collins helps teachers plan for independent reading workshops in their own classrooms She describes the structure of the independent reading workshop and other components of a balanced literacy program that work together to ensure young students grow into strong well rounded readers Kathy outlines a sequence of possible units of study for a yearlong curriculum Chapters are devoted to the individual units of study and include a sample curriculum as well as examples of mini lessons and reading conferences There are also four Getting Ready sections that suggest some behind the scenes work teachers can do to prepare for the units Topics explored in these units include print and comprehension strategies reading in genres such as poetry and nonfiction connecting in school reading and out of school reading developing the strategies and habits of lifelong readers A series of planning sheets and management tips are presented throughout to help ensure smooth implementation We want our students to learn to read and we want them to love to read To do this we need to lay a foundation on which children build rich and purposeful reading lives that extend beyond the school day The ideas found in Growing Readers create the kind of primary classrooms where that happens Reading Power, Revised & Expanded Edition Adrienne Gear, 2015-10-06 Ten years ago Reading Power was launched in an elementary school in Vancouver It has since evolved into a recognized approach to comprehension instruction being implemented across Canada in the United States United Kingdom Sweden and China This ground breaking approach showed teachers how to help students think while they read connect question visualize infer and transform Since the publication of the first edition of Reading Power Adrienne Gear has continued to reflect on and refine her ideas about metacognition comprehension instruction and the Reading Power strategies This revised and expanded edition shares these new understandings and offers teachers new ideas new lessons and of course new anchor books to support the Reading Power principles An ideal resource for teachers familiar to this strategic approach to teaching reading or for those looking for new ways to connect thinking with reading Reading Power Adrienne Gear, 2013 **Reading Amplified** Lee Ann Spillane, 2015-03-31 In Reading Amplified Digital Tools That Engage Students in Words Books and Ideas you can look over Lee Ann's shoulder at her computer screen or into her classroom as

she guides students to deeper reading and engagement with digital tools ranging from the Google Book search concordance feature to comic strip software Spillane seeks to take the tedium out of routine tasks we need to teach By now we've all seen examples of Wordle the technology app that converts chunks of text into a word cloud featuring words of different sizes according to their prevalence in the text But you haven't seen the real power of Wordle until you've seen Lee Ann Spillane's high school students use it to analyze patterns and symbolism in *The Great Gatsby* In *Reading Amplified Digital Tools That Engage Students in Words Books and Ideas* you can look over Lee Ann's shoulder at her computer screen or into her classroom as she guides students to deeper reading and engagement with digital tools ranging from the Google Book search concordance feature to comic strip software Spillane seeks to take the tedium out of routine tasks we need to teach Her instruction is infused with technology that energizes students but her focus is always on deep learning that motivates them to become passionate and independent readers It's about the teaching not the tool she reminds us I do a lot of learning right beside my students
