**Found in a Bookshop** Stephanie Butland, 2023-03-30 The life affirming and unforgettable novel from the author of *Lost for Words* I read this book in one sitting it made me smile and made me wipe a tear from my eye too This book had me sitting up into the small hours Such a lovely read very relatable and touching I LOVED this book A joy to read One of the best books I've read in quite some time Loveday Cardew's beloved *Lost for Words* bookshop along with the rest of York has fallen quiet At the very time when people most need books to widen their horizons or escape from their fears or enhance their lives the doors are closed Then the first letter comes Rosemary and George have been married for fifty years Now their time is running out They have decided to set out on their last journey together without ever leaving the bench at the bottom of their garden in Whitby All they need is someone who shares their love of books Suddenly it's clear to Loveday that she and her team can do something useful in a crisis They can recommend books to help with the situations their customers find themselves in fear boredom loneliness the desire for laughter and escape And so it begins A delightful and original concept about how a second hand bookshop can heal a community Katie Fforde The perfect book to curl up with

It's heartwarming, emotional, and full of kindness. A lovely and life-affirming novel. Sara Nisha Adams. What a lovely book so assured and gentle, full of compassion and replete with astute observations of human nature and behaviour. Carys Bray. A really moving read with great book recommendations included too. My Weekly. I truly loved this book; it made me laugh out loud and also had me choked up a few times too. Stephanie's stories are thoughtful and warm, written with much humour and most importantly care. I'd recommend them to anyone and especially those recovering from a broken heart. It made me laugh, it made me cry, and left me with a feeling of community spirit. I will definitely be recommending this to others; it is a fantastic read. This book is going straight on my list of top ten books. Her writing is utterly engaging, and this book truly moved me. Compassionate, unusual, original, and full of wonderful characters. Beautiful heartwarming, a true gift of a book. The Peerless Four Victoria Patterson, 2014-11-11. Running so hard you think you'll choke on your next breath. Lungs burning like they're drenched in battery acid. Peripheral vision blurred by the same adrenaline that drowns out the cheers coming from the full stadium. And of course the reporters. The men scribbling furiously on their notepads so they can publish every stumble, sprain, and sniffle in these historic games. This was the world of the female athletes in the 1928 Amsterdam Olympics, the first games in which women were allowed to compete, and on a trial basis at that. Nicknamed the Peerless Four, the Canadian track team included some of the strongest and most diversely talented women on the scene. Narrated by the team's chaperone, a former runner herself, the women embark on their journey with the same golden goals as every other Olympian, male or female. But as the Olympic tension begins to rise with unexpected injuries, heartbreaking disqualifications, and the pressure of supreme athletic performance, each woman discovers new fears and new priorities, all while the weight of women's future in the Olympics rests on their performance. The Peerless Four is more than a sports novel, more than a record of how far women's rights have come in the past 75 years. It's a meditation on sacrifice, loyalty, commitment, perseverance, and the courage to live a true underdog tale. The Writer's Guide to Beginnings Paula Munier, 2016-11-15.
