To Each Their Darkness Gary A. Braunbeck, 2010-12 2010 Stoker Award Winner for Superior Achievement in Nonfiction Explore the world of writing horror from a Bram Stoker and International Horror Guild award winning author's point of view Gary Braunbeck uses film fiction and life experience to elucidate the finer points of storytelling both in and out of genre This part autobiographical always analytical book looks at how stories develop and what makes them work or not work when they're told Be warned reality is as brutal as fiction Rob Zombie police shootings William Goldman and human misery are all teachers to the horror neophyte and Braunbeck uses their lessons to make *To Each Their Darkness* a whirlwind of horror and hope for the aspiring writer *For Exposure: The Life and Times of a Small Press Publisher* Jason Sizemore, What does it take to become a Hugo and Stoker Award nominated editor and publisher Follow Jason Sizemore's unconventional professional path as it winds through a tiny overheated Baptist church deep within the coal fields of Appalachia Kentucky past a busted printer and a self-serving boss that triggered an early mid-life crisis and the epiphany that he should open a magazine spreading the gospel of science fiction to the masses all the way to WorldCon 2012 and his first Hugo Awards ceremony In this collection of semi-true and sometimes humorous essays Jason exposes the parties people and triumphs that shaped him into the Apex Overlord He also lays bare the hardships and failures that have threatened to take it all away Meet Thong Girl heed the warning about the ham receive rest stop bathroom wisdom and visit an emergency room straight out of a horror movie in this extraordinary account of life as a publisher and editor With rebuttal essays from Maurice Broaddus Monica Valentinelli Lesley Conner and more *For Exposure* tells Jason's story with insight from key players along his road to success It is a comprehensive and frank look at what Apex and the genre publishing business is about Take a shot with the publisher dance the night away and become a legend And do it all *For Exposure* *Instigation* Michael Arnzen, 2013-03-15 *INSTIGATION* Creative Prompts on the Dark Side by award-winning horror author and writing professor Michael A Arnzen is a treasury of twisted tips strange scenarios and disturbing sparks to help ignite the fuel in your creative furnace Its aim To push you into the danger zone of your imagination by thinking in unconventional ways and trying things you never thought or dared to try before in your writing art or dreams Features include prompts for new stories revision memoir writing and NaNoWriMo Also includes articles by Arnzen on the writing process **Prodigal Blues** Gary A. Braunbeck, 2021-06-08 From award-winning author Gary A Braunbeck comes *Prodigal Blues* his first foray into non-supernatural horror After he finds himself stranded at a truck stop in Missouri Mark Sieber gets one of the biggest shocks of his life when he recognizes the face of a little girl on a Missing poster as belonging to the same little girl he saw only a few minutes before Looking around for some sign of her he comes back to his table in the restaurant to find the little girl sitting there waiting for him I'm sorry mister is all she seems capable of saying As the police and media begin to converge on the truck stop Mark retreats back to his hotel room to call his wife and let her know what's going on only to be taken hostage by the

same people who released the little girl But his abductors are little more than children themselves Ranging in ages from 12 to 19 Mark s abductors are in the process of escaping from a sadistic pedophile known to them only as Grendel a man whose practices include torture and mutilation specifically mutilation of the face Mark s abductors have all been mutilated by Grendel who may be very close behind them and need someone with a normal face to help them carry out their plan for justice and returning home For the next few days Mark will come to understand not only the inhuman horror that these children have suffered but how they eventually learned to fight back and how they discovered that Grendel and his practices are at the center of a very complex network catering to those who tastes run toward the molestation and mutilation of children Prodigal Blues is perhaps Braunbeck s most suspenseful and emotionally powerful work to date a story of suffering depravity redemption and in the end the individual s compassion for his or her fellow human beings that can lead some people to finding reserves of courage and determination they never thought they possessed Terrifying suspenseful sometimes surprisingly funny and ultimately moving Prodigal Blues is quintessential Braunbeck **Dark Delicacies Iii** Jeff
