Toni's Blues By Jacqueline Rainey:

Toni's Blues Jacqueline Rainey, 2012-06 In every woman's heart there is a place for a special man the key is finding our soul mate in this world Toni was always in search of love but somehow she kept choosing the wrong men Toni is a beautiful songwriter who has been very successful at writing love songs but finds herself at one of the lowest points in her life because of her own unsuccessful search for love This last abusive relationship has stripped her of her remaining self esteem and the sense of who she is as a woman She finds herself on the floor remembering everything she has allowed this man to take from her including her freedom While she is on the floor Toni starts to evaluate her life and her choices in men So begins her journey of redemption and the essence of Toni's Blues How hard is it to recognize a fallen woman not on the floor Shouldn't it be obvious as if to be falling in slow motion even her tears will fall slowly but her cries won't be soft Every piece of her touched and bruised heart tender to the touch Here I sit bruised pieces of me Love can truly make us blind to the reality that there never really was any love there to begin with Jacqueline Rainey published her first book *Through Whose Eyes Rise Child of God* in 2011 She is now writing her third book <http://sbpra.com/JacquelineRaine> *Toni's Blues* Jacqueline Rainey, 2015-04-13 It has been about 3 years since the original release of Toni's Blues but the heart breaking soul shattering emotions of every word I wrote lingers as if they were just written yesterday Falling in love is easy for Toni but the men she fell in love with did not deserve her love She was always choosing the wrong men quickly handing over her heart welcoming them into her home and into her world the world of music As I wrote this story the lines between my life and Toni's world at times become blurred and I would pause with my fingers hovering over the keys of my laptop You see I am Toni just like so many other women but I got out I survived I worked soulfully with purpose and intent to create a Special Revised Edition of Toni's Blues for the readers Not only has the text been revised but those who have read the original will also notice just a few changes in the story A new book cover and new video have been created to celebrate a book that was at times been painful to write but it also gave me much joy because I believed that I was showing others who had suffered and experienced the horrors of Domestic Violence to hang on and have hope and a renewed faith Love is on the way But while you wait for the right man to love you the way you deserve to be loved never forget that God loves you like no one ever could That is what Toni's Blues is about Know your worth my sisters Love Jacqueline R [Literacy in a Long Blues Note](#) Coretta M. Pittman, 2022-11-29 *Literacy in a Long Blues Note* Black Women's Literature and Music in the Late Nineteenth and Early Twentieth Centuries traces the evolution of Black women's literacy practices from 1892 to 1934 A dynamic chronological study the book explores how Black women public intellectuals creative writers and classic blues singers sometimes utilize singular but other times overlapping forms of literacies to engage in debates on race The book begins with Anna J Cooper's philosophy on race literature as one method for social advancement From there author Coretta M Pittman discusses women from the Woman's and New Negro Eras including but not limited to Angelina Weld Grimké Gertrude Ma Rainey and Zora

Neale Hurston The volume closes with an exploration of Victoria Spivey's blues philosophy The women examined in this book employ forms of transformational transactional or specular literacy to challenge systems of racial oppression However Literacy in a Long Blues Note argues against prevalent myths that a singular vision for racial uplift dominated the public sphere in the latter decade of the nineteenth century and the early decades of the twentieth century Instead by including Black women from various social classes and ideological positions Pittman reveals alternative visions Contrary to more moderate predecessors of the Woman's Era and contemporaries in the New Negro Era classic blues singers like Mamie Smith advanced new solutions against racism Early twentieth century writer Angelina Weld Grimké criticized traditional methods for racial advancement as Jim Crow laws tightened restrictions against Black progress Ultimately the volume details the agency and literacy practices of these influential women
