Try Temptation 1 By Ella Frank:

Try Ella Frank,2017-05-03 Try verb to make an attempt or effort to do something or in this case someone Sex Logan Mitchell loves it and ever since he realized his raw sexual appeal at a young age he has had no problem using it to his advantage Men and women alike fall into his bed after all Logan is not one to discriminate He lives by one motto if something interests you why not just take a chance and try And he wants to try Tate Morrison Just coming out of a four year marriage with an ex wife from hell a relationship is the last thing on Tate s mind He s starting fresh and trying to get back on his feet with a new job at an upscale bar in downtown Chicago The only problem is Tate has caught the unwavering and unwelcome attention of Mr Logan Mitchell a regular at the bar and a man who always gets what he wants Night after night Tate fends off the persistent advances of the undeniably charismatic man but after an explosive moment in the bar all bets are off as he finds his body stirring with a different desire than his mind As arrogance stubbornness and sexual tension sizzle between the two it threatens to change the very course of their lives Logan doesn t do relationships Tate doesn t do men But what would happen if they both just gave in and tried Trust Ella Frank,2017-05-03 TRUST verb to believe in the reliability truth or strength of another Up until now Logan Mitchell has never had much of a reason to trust anyone Having struggled with a self identity crisis throughout college he s spent the years since then creating a sophisticated facade to present to the world It s an armor he thought was impenetrable until he met Tate Morrison The gorgeous headstrong bartender he d sat across from only months ago has taken a tight hold of his heart and Logan is discovering that it s time to let go It s time to let someone inside After years of placing his dreams on hold for his family Tate has finally chosen to do what makes him happy and follow his heart The one thing he never would ve imagined was that it would lead him into the arms of a man and not just any man the striking never takes no for an answer Logan Mitchell Tate has fallen hard and as his world is turned on its axis and they move forward together he finds his life becoming more entwined with the confident successful lawyer Even though neither man expected the other it s time to trust in their relationship but not everything comes so easily *Take* Ella Frank,2017-05-03 TAKE verb to reach for and hold in one s hands or get into one s possession power or control Logan Mitchell is a man who s always been more than happy to take what he wants It s a philosophy that s proven lucrative in both his business and personal life and never was it more apparent than the night he laid eyes on Tate Morrison After pulling out all the stops and convincing the sexy bartender to give him a try he s hooked Now Logan finds himself in a predicament that demands more from him than a smart ass answer and his innate ability to walk away when things get too deep He has a choice to make and it ll force him to do something he s never done before take a chance Tate Morrison knows all about taking a chance He took the biggest one of his life the night he showed up at Logan s apartment to explore his unexpected reaction to the man Ever since then he s thought about little else At first he was convinced his attraction was based solely on his body s curiosity But the more time he spends with the silver tongued lawyer the more Tate realizes that their physical

chemistry is only the beginning He s starting to catch a glimpse of what life with Logan would be like and it s one full of excitement and satisfaction a far cry from what he had in the past with his soon to be ex wife Each man will face their fears as they begin to understand the true meaning of give and take Their feelings for one another will be tested as will their very beliefs But now that they ve found love where they least expected it will they be brave enough to reach out and take it

Veiled Innocence Ella Frank,2017-04-18 Tick tick tock Time That s all I have now A small room a photograph and time They want me to trust them and confess my sins They told me they wouldn t judge me they lied I thought we could convince the world that this wasn t a crime We were wrong Time doesn t stand still The clock keeps ticking the world is unconvinced and now Now he is gone

Isadora Ella Frank,2017-04-18 A TRAGIC BEGINNING Isadora Nikitas understands what it means to be betrayed That lesson was taught to her in the prime of her life and when she is offered a chance to exact revenge she finds it difficult to refuse Instead she entrusts her survival to a mysterious vampire known only as Diom d s a male who wants nothing in return but to watch over her in every way imaginable Gifted with speed strength and immortality she determines that her life will no longer be governed by the needs and wants of a mere man She has cowered for the last time and with her Ancient by her side she thrives and blossoms into the most formidable female vampire in existence But once upon a time like all little girls Isadora believed in love She believed it because she once had it So when it comes along a second time she knows that it s possible but when you love someone they become your weakness Unless in fact they become your enemy instead A MYSTERIOUS PAST Fulfilling your life s prophecy should be empowering At least that s what Elias Fontana always believed But as he stands guard over the beautiful vampire he s taken hostage his convictions start to crumble Made to believe by his creators that he and two others have been designed to destroy a dangerous race he has difficulty connecting his current reality to the woman he once loved A TANGLED TALE TO UNRAVEL When friends become enemies and enemies become lovers who can you trust in the webs of lies and despair And when your life is at stake and blood has been shed how much are you willing to sacrifice to fulfill your destiny

Finley Ella Frank,2017-04-18 It s time to come home Finn It s been seven years since Daniel Finley left his hometown in Florida for the hustle and bustle of Chicago s city life Since then he s worked hard for his position at the prestigious law firm Leighton Associates even when it s caused distance and isolation from his family and friends But that s all about to change On his thirtieth birthday he receives the one thing he never dared hope for Something that was promised to him years earlier a note One simple sentence from the man he s never been able to forget Six words will forever change the course of their lives Brantley Hayes has it all Or so he thinks When he first made the decision to take a job down in Florida his family thought he was crazy But after years of living in the quiet beach town he finally feels a sense of community He s surrounded himself with friends who are like family has a job he loves and owns a spectacular beachfront property that is his sanctuary Yet he still feels unfulfilled as if a piece of the puzzle is missing and he knows exactly which piece it is On an impulse he follows through with a promise he made years earlier A

promise to call home the one he sent away Nothing is as simple as it seems After years of separation the former lovers are reunited but Brantley wasn't expecting to encounter the high walls now guarding Daniel's heart Daniel may not be the same person he was when he left but he knows that the first step to healing is the note in his hand *Christian Companion* ,1906
