PHILOSOPHY Quotes Collection Sapiens Hub,2018 **Unspent Time** Graham Parke,2012-03-01 From the award winning author of No Hope for Gomez comes a collection of 20 impossible tales Permeating the cracks between the past and the present is the realm of Unspent Time Pockets of should have beens and might have happeneds Time that was allotted but never spent In this realm we find the stories that could have been true Such as the story of Matthew G who skip stones through life on the back of mysterious black outs blinking in and out of conscious existence at random Or the revealing tale of Goki Feng Ho the ancient Chinese art of decoding the meaning of car license plates And the heartbreaking story of the man responsible for choosing the colors of the insides of your shoes As he toils away in obscurity his work impacts society in ways well never fully comprehend And lets not forget the story behind Unspent Time itself the metaphysical ramifications of which will leave the scientific community feeling mostly indifferent about it for decades to come Praise for No Hope for Gomez challenges our perceptions about how we think and interact with the world around us Kirkus Discoveries Extremely witty and clever writing that contains keen insights into human nature California Chronicle The antics in this book will leave the reader laughing Graham Parke is a genius Readers Favorite
