Lifemark Kendrick Bros. LLC, Chris Fabry, 2022-08-02 For eighteen years she tried to believe she had made the right decision for him But if she never saw him again how could she ever be sure Melissa had clung to the thin thread of hope given by the adoption agency that someday her newborn son might want to connect with her When his eighteenth birthday arrived she called the agency to simply update her contact information not expecting a response Susan and Jimmy Colton had raised their boy with openness about his adoption After the heartbreaking loss of two infant sons that marked their early years of marriage they promised themselves they would try not to hold too tightly to David or hold back any information he wanted about his birth And so they

waited on him David was hesitant to talk about the questions and curiosities about his birth story that often haunted him But as he neared adulthood his need to know the full story of his life became something he couldn't shake Until the call came to the Coltons from the adoption agency and the first tentative bits of communication and connection set in motion a story that would change all their lives forever From the team that brought you the movies *Courageous* and *War Room* comes *Lifemark* the novelization of the new film inspired by a true story of adoption redemption and hope **I Call You Mine** Kim de Blecourt, 2018-09-10 *I Call You Mine* is a six week study focused on realizing the incredible spiritual insights available to those who embrace God's heart of adoption Just as Jesus used stories to engage and teach the Scripture passages and personal stories in this study uncover greater truths about adoption as God's children Caring for the fatherless is a privilege believers have that sets us apart The perspective gained when working with God in this way is humbling we realize anew what it means to be chosen and redeemed **Holy Sexuality and the Gospel** Christopher Yuan, 2018-11-20 From the author of *Out of a Far Country* which details his dramatic conversion from an agnostic gay man who put his identity in his sexuality to a Bible professor who now puts his identity in Christ alone comes a gospel centered discussion of sex desire and relationships Dr Christopher Yuan explores the concept of holy sexuality chastity in singleness or faithfulness in marriage in a practical and relevant manner equipping readers with an accessible yet robust theology of sexuality Whether you want to share Christ with a loved one who identifies as gay or you're wrestling with questions of identity yourself this book will help you better understand sexuality in light of God's grand story and realize that holy sexuality is actually good news for all

Fabry, 2012-01-20 A Christy Award winner from the bestselling author of War Room, Truman Wiley used to report news stories from around the world, but now the most troubling headlines are his own. He's out of work, out of touch with his family, out of his home. But nothing hurts him more than his son's failing heart. With mounting hospital bills and Truman's penchant for gambling his savings, the situation seems hopeless until his estranged wife throws him a lifeline: the chance to write the story of a death row inmate, a man convicted of murder who wants to donate his heart to Truman's son. As the execution clock ticks down, Truman uncovers disturbing evidence that points to a different killer. For his son to live, must an innocent man die? Truman's investigation draws him down a path that will change his life, his family, and the destinies of two men forever.
