s getting reassigned he doesn't miss the ironic pronunciation on promotion. Wherever he's going it's nowhere good. When they're partnered to solve a series of murders their chances of success look low. They're fantastic agents but the case seems more like a punishment than an assignment. They can't stop driving each other crazy and not just in a bad way. This killer already took out the previous agents assigned to the case and it's not long before he's on Ty and Zane's trail as well. They'll have to set their frustrations aside before it's too late. This is a limited re-release of the original series without changes. **Divide & Conquer** Abigail Roux, 2024-07-01. The last place these men want to be is in the limelight. Law enforcement in Baltimore has a PR problem. Robberies, bombings, and violent crimes are on the rise. The public wants something done and even the FBI is catching blame. When Special Agents Ty Grady and Zane Garrett accidentally become the handsome faces of the counter-offense, they find themselves the center of attention from the media and a dangerous band of criminals. Being respectable is busy work and the added attention makes it harder than ever to keep their blossoming relationship a secret. Neither man is quite sure where they stand or where they want to stand. Zane can't seem to say those three little words and Ty is too mired in his past to notice. The bombings throughout the city are getting worse. Without any leads, Ty and Zane find themselves taking their frustrations out on each other. Being together in the shadows but hiding in the spotlight is one more stressor when they're already taxed to the limit. As a mysterious bomber closes in, it starts to look like neither they nor their relationship has much hope for survival. This is a limited re-release of the original series without changes. Some aspects of the story are now dated and an updated version will be published at a later date. See this title's page on [RiptidePublishing.com](#) for content warnings.

**Ball & Chain** Abigail Roux, 2014-03-17. Home from their unexpected deployment, the former members of Marine Force Recon team Sidewinder rejoin their loved ones and try to pick up the pieces of the lives they were forced to leave behind. Ty Grady comes home to Zane Garrett only to find that everything around him has changed even the men he went to war with. He barely has time to adjust before his brother Deuce asks Ty to be his best man. But that isn't all Deuce asks Ty to do and Ty must call for backup to deal with the business issues of Deuce's future father-in-law. Nick O'Flaherty and Kelly Abbott join Ty and Zane at the wedding on an island in Scotland, thinking they're there to assuage Deuce's paranoia. But when bodies start dropping and boats start sinking, the four men get more involved with the festivities than they'd ever planned to. With the clock ticking and the killer just as stuck on the isolated island as they are, Ty and Zane must navigate a veritable minefield of family, friends, and foes to stop the whole island from being destroyed.

**Sticks & Stones** Abigail Roux, 2024-06-17. In order to survive in the wilderness, they'll have to survive each other. After the case they just closed, it's unsurprising FBI Special Agents Ty Grady and Zane Garrett are having trouble passing their psych evaluations. The only thing worse than a near-death experience is trying to lie to a shrink about it. And the only thing worse than that is being stuck on desk duty after failing. The two of them are soon ordered to take a

vacation before their exasperated coworkers finish what the serial killer started Hoping to bolster their partnership in every sense of the word Ty invites Zane to visit his family in West Virginia and Zane accepts The mountains can't be that different from Texas right Snakes are snakes When they join Ty's father and brother for a hike deep into the woods the Grady family's dysfunction quickly becomes the least of their worries The weather is bad the wildlife is bloodthirsty and their fellow hikers are ready to break out the banjos Zane and Ty still have each other but whether that will make the trip or break it remains to be seen This is a limited re-release of the original series without changes Some aspects of the story are now dated and an updated version will be published at a later date See this title's page on RiptidePublishing.com for content warnings
