The Years Of Rice And Salt By Kim Stanley Robinson:

The Years of Rice and Salt Kim Stanley Robinson, 2003 This alternate history from the award winning author of *The Wild Shore* takes us on a journey through seven hundred years of history as it never was but might have been

The Years of Rice and Salt Kim Stanley Robinson, 2025-12-02 WINNER OF THE LOCUS AWARD The bestselling author of the Mars trilogy boldly reimagines the past seven hundred years in this exceptional and engrossing New York Post saga constructing a world vastly different from the one we know A thoughtful magisterial alternate history from one of science fiction's most important writers The New York Times Book Review It is the fourteenth century and one of the most apocalyptic events in human history is set to occur the coming of the Black Death History teaches us that a third of Europe's population was destroyed But what if the plague had killed 99 percent of the population instead How would the world have changed *The Years of Rice and Salt* is a look at the history that could have been one that stretches across centuries sees dynasties and nations rise and crumble and spans horrible famine and magnificent innovation Through the eyes of soldiers and kings explorers and philosophers inventors and exiles renowned storyteller Kim Stanley Robinson navigates a world where Buddhism and Islam are the most influential and practiced religions while Christianity is a mere historical footnote Probing the most profound questions as only he can Robinson shines his extraordinary light on the place of religion culture power and even love in this bold new world

Myths and Memories of the Black Death Ben Dodds, 2021-12-11 This book explores modern representations of the Black Death a medieval pandemic The concept of cultural memory is used to examine the ways in which journalists writers of fiction scholars and others referred to described and explained the Black Death from around 1800 onwards The distant medieval past was often used to make sense of aspects of the present from the cholera pandemics of the nineteenth century to the climate crisis of the early twenty first century A series of overlapping myths related to the Black Death emerged based only in part on historical evidence Cultural memory circulates in a variety of media from the scholarly article to the video game and online video clip and the connections and differences between mediated representations of the Black Death are considered The Black Death is one of the most well known aspects of the medieval world and this study of its associated memories and myths reveals the depth and complexity of interactions between the distant and recent past

Sideways in Time Glyn Morgan, Charul Palmer-Patel, 2019-09-26 This important collection of essays acknowledges the long and distinctive history of the alternate history genre whilst also revelling in its vitality adaptability and contemporary relevance with many of the chapters discussing late twentieth and early twenty first century texts which have previously received little or no sustained critical analysis

The Year's Work in the Oddball Archive Joseph Campana, Theodore Bale, Atia Sattar, Beth A. McCoy, Robin Blyn, Dennis Allen, Timothy Sweet, Charles M. Tung, Aaron Jaffe, Grant Farred, Seth Morton, 2016-02-01 By playing with notions of collecting and cataloging this anthology offers a range of investigations into detritus and forgotten ephemera Colin Dickey coeditor of *The Morbid Anatomy Anthology* The modern

age is no stranger to the cabinet of curiosities the freak show or a drawer full of odds and ends These collections of oddities engagingly work against the rationality and order of the conventional archive found in a university a corporation or a governmental holding In form methodology and content The Year's Work in the Oddball Archive offers a counterargument to a more reasoned form of storing and recording the avant garde or the post avant garde the perverse the off the bent the absurd the quirky the weird and the queer To do so it positions itself within the history of mirabilia launched by curiosity cabinets starting in the mid fifteenth century and continuing to the present day These archives or are they counter archives are located in unexpected places the doorways of Katrina homes the cavity of a cow the remnants of extinct animals an Internet site and they offer up alternate modes of knowing to the traditional archive An unruly and much needed model for how to do the archive differently Scott Herring author of *The Hoarders Material Deviance in Modern American Culture* It was a pleasure to read through this collection and I suspect some of the essays if not the entire book will find itself on the syllabus for my Archive and Ephemera graduate course Museum Anthropology Review A finely wrought collection of curiosities A vital intervention into how we talk about the stuff that surrounds us Colin Dickey coeditor of *The Morbid Anatomy Anthology* [Life between Two Deaths, 1989-2001](#) Phillip E. Wegner, 2009-07-10 An argument that it was only on September 11 2001 that the symbolic universe of the Cold War was finally destroyed and a new world order put into place

[The Cambridge Introduction to Postmodernism](#) Brian McHale, 2015-06-26 This Introduction surveys the full spectrum of postmodern culture from architecture and visual art to fiction poetry and drama **True Stories** Francis Spufford, 2017-10-03 An irresistible collection of favorite writings from an author celebrated for his bravura style and sheer unpredictability Francis Spufford's welcome first volume of collected essays gathers an array of his compelling writings from the 1990s to the present He makes use of a variety of encounters with particular places writers or books to address deeper questions relating to the complicated relationship between story telling and truth telling How must a nonfiction writer imagine facts vivifying them to bring them to life How must a novelist create a dependable world of story within which facts are in fact imaginary And how does a religious faith felt strongly to be true but not provably so draw on both kinds of writerly imagination Ranging freely across topics as diverse as the medieval legends of Cockaigne the Christian apologetics of C S Lewis and the tomb of Ayatollah Khomeini Spufford provides both fresh observations and thought provoking insights No less does he inspire an irresistible urge to turn the page and read on *Archaeologies of the Future* Fredric Jameson, 2007-04-17 In an age of globalization characterized by the dizzying technologies of the First World and the social disintegration of the Third is the concept of utopia still meaningful *Archaeologies of the Future* Jameson's most substantial work since *Postmodernism Or the Cultural Logic of Late Capitalism* investigates the development of this form since Thomas More and interrogates the functions of utopian thinking in a post Communist age The relationship between utopia and science fiction is explored through the representations of otherness alien life and alien worlds and a study of the works of Philip K Dick Ursula

LeGuin William Gibson Brian Aldiss Kim Stanley Robinson and more Jameson's essential essays including *The Desire Called Utopia* conclude with an examination of the opposing positions on utopia and an assessment of its political value today

Vegetarianism and Science Fiction Joshua Bulleid, 2023-10-06 *Vegetarianism and Science Fiction* A History of Utopian Animal Ethics examines how vegetarian ideals promoted within science fiction and utopian literature have had a real world impact on the awareness and spread of vegetarianism and animal advocacy as well as how the genres' engagements have been altered to reflect changes in ethical and environmental philosophy Author Joshua Bulleid examines the representation of vegetarianism in the works of major science fiction authors including Mary Shelley H G Wells Arthur C Clarke Philip K Dick Ursula K Le Guin Ernest Callenbach Marge Piercy Octavia E Butler Kim Stanley Robinson and Margaret Atwood within their evolving social contexts tracing the development of vegetarian trends and their science fictional representations from the early nineteenth century to the present day Kim Stanley Robinson Maps the Unimaginable William J. Burling, 2009-05-14

These essays examine Robinson's use of alternate history and politics both in his many novels and in his short stories This collection drawn from writers on four continents includes five new essays and broadens the interpretive debate surrounding Robinson's science fiction and argues for consideration of the author as an intellectual figure of the first rank Provided by publisher Frontiers Past and Future Carl Abbott, 2006 Abbott offers a fruitful new way to read science fiction one that

also greatly enriches our understanding of western history and its impact on our collective imagination Detailing the overlap of science fiction and western fiction especially relating to their mutual interest in and concerns about frontier expansionism he reveals an unsuspected common ground that informs the writings of both camps Reviewing the work of many Hugo and Nebula Award winners as well as drawing upon popular film and television series like the Buck Rogers serials Abbott's study journeys across the far reaches of science fiction's universe *Utopia Method Vision* Tom Moylan, Raffaella Baccolini, 2007

This collection addresses the ways in which the contributors approach their study of the objects and practices of utopianism understood as social anticipations and visions produced through texts and social experiments and of how in turn those objects and practices have shaped their intellectual work and research perspectives **Science Fiction and the**

Historical Novel Ian P. MacDonald, Kate Polak, 2024-09-16 If you woke to realize that you could rewrite your yesterday without knowing the kind of tomorrow it would grant you would you do it Are the authors of our destiny working with an outline or spit balling confusing plotlines Since the past changes possible futures to what alighting butterfly should we pay the most heed This book explores the liminal space between speculative fiction and the historical novel Staged as a transnational multicultural conversation it takes up a call originally made by Fredric Jameson in *Archaeologies of the Future* wherein he describes that flashpoint between speculative and historical genres as the symptom of a mutation in our relationship to historical time itself Drawing together postcolonial feminist cultural Indigenous and cognitive approaches *Science Fiction and the Historical Novel* asks what the past can offer a future oriented world and how the future can be

imagined in relation to a past that seeks narratives of inevitability rather than possibility Engaged with the idea of the past as a model for the future authors in this volume probe the extent to which historical scripts delimit possibilities and how authors engaged with the practice of alternative pasts rewrite potentialities in the present [Fifty Key Figures in Science Fiction](#) Mark Bould, Andrew Butler, Adam Roberts, Sherryl Vint, 2009-09-10 *Fifty Key Figures in Science Fiction* is a collection of engaging essays on some of the most significant figures who have shaped and defined the genre Diverse groups within the science fiction community are represented from novelists and film makers to comic book and television writers Important and influential names discussed include Octavia Butler George Lucas Robert Heinlein Gene Roddenberry Stan Lee Ursula K Le Guin H G Wells This outstanding reference guide charts the rich and varied landscape of science fiction and includes helpful and up to date lists of further reading at the end of each entry Available in an easy to use A Z format *Fifty Key Figures in Science Fiction* will be of interest to students of Literature Film Studies and Cultural Studies *New Scientist*, 2003 [The Labyrinth of Literary Accolades: Exploring the Winners and Contenders of Prestigious Fiction Awards](#) Pasquale De Marco, 2025-07-27 Journey through the annals of literary excellence with *The Labyrinth of Literary Accolades Exploring the Winners and Contenders of Prestigious Fiction Awards* an illuminating guide to the most celebrated works of fiction recognized by the world's most esteemed literary awards Embark on an exploration of the Booker Prize National Book Award Pulitzer Prize for Fiction and a host of other accolades that have shaped the literary landscape for generations Delve into the captivating stories and profound insights that have earned these literary masterpieces their place in the pantheon of great writing Discover the authors who have pushed the boundaries of imagination defied convention and left an indelible mark on the literary world With *The Labyrinth of Literary Accolades Exploring the Winners and Contenders of Prestigious Fiction Awards* you'll gain a deeper understanding of the criteria and processes behind these coveted awards the controversies and discussions they have sparked and the impact they have had on the publishing industry and reading culture This comprehensive volume provides a rich tapestry of literary analysis author profiles and historical context offering readers a unique perspective on the evolution of literary trends styles and themes across different eras and cultures Whether you're a seasoned literary enthusiast or just beginning your exploration of the world of books *The Labyrinth of Literary Accolades Exploring the Winners and Contenders of Prestigious Fiction Awards* is your essential guide to the finest works of fiction and the awards that have shaped their legacy Immerse yourself in the literary brilliance that has captivated readers for generations and discover the timeless power of storytelling If you like this book write a review **The Science Fiction Handbook** Nick Hubble, Aris Mousoutzanis, 2013-11-28 As we move through the 21st century the importance of science fiction to the study of English Literature is becoming increasingly apparent *The Science Fiction Handbook* provides a comprehensive guide to the genre and how to study it for students new to the field In particular it provides detailed entries on major writers in the SF field who might be encountered on university level English Literature courses ranging from H G
