## **The Yellow World By Albert Espinosa:**

*The Yellow World* Albert Espinosa, 2012-11-01 Albert Espinosa never wanted to write a book about surviving cancer so he didn't. He wrote a book instead about the Yellow World. What is the yellow world? The yellow world is a world that's within everyone. It's a world the colour of the sun. It is the name of a way of living of seeing life of nourishing yourself with the lessons that you learn from good moments as well as bad ones. It is the world that makes you happy the world you like living in. The yellow world has no rules it is made of discoveries. In these 23 Discoveries Albert shows us how to connect daily reality with our most distant dreams. He tells us that losses are positive the word pain doesn't exist and what you hide the most reveals the most about you. Albert Espinosa has won several battles with death which is why his stories are so full of life. He is powerful because he never gives up. And as a last resort he bargains he swapped a leg and a lung for his life. He has learnt how to lose in order to win. He's hyperactive and prefers losing sleep to losing experiences. If you want to tell him something it has to be very good or told very fast. He loves to provoke people but he does it to make provocations seem normal. His greatest hope is that after you have read this book you will go off in search of your yellow world. Albert Espinosa is a bestselling author. At the age of thirteen Albert was diagnosed with cancer an event that changed his life forever. When he was fourteen his left leg had to be amputated. At sixteen his left lung was removed and when he was eighteen part of his liver was taken out. After ten years in and out of hospitals when he was finally told that he had been cured of the disease he realised that his illness had taught him that what is sad is not dying but rather not knowing how to live.

ANI L KHARAJIAN, Senior Portfolio Director, Executive Education, Harvard Business School, President, Board of Directors, Armenian International Women's Association. If You Tell Me to Come, I'll Drop Everything, Just Tell Me to Come. Albert Espinosa, 2017-07-06. A funny and uplifting fable about the journey to learn who we are from the bestselling author of *The Yellow World*. Dani has devoted his life to finding missing children. One day, as his girlfriend starts packing her bags to leave him, he gets a phone call from a distraught father asking for help. It's a strange case, one that Dani wouldn't usually take on. But when he hears his girlfriend slam the front door and his apartment falls into silence, he realizes it's one he can't turn down. His journey to find the lost boy takes Dani over the seas to the sleepy Italian island of Capri, a place infused with a kind of hazy magic which begins to conjure up in Dani's mind long forgotten memories of his own childhood. And as he starts to unravel the story of his own life, he realises that he is not just on a quest to save the missing child; he is also on a quest to save himself. Quirky, warm-hearted, and honest, this is an uplifting parable of memory and forgiveness as a man makes a life-changing journey across an island and into his own heart. Told in simple, emotionally honest prose, it reveals how, by revisiting the past, we can change the shape of the future.

Everything You and I Could Have Been If We Weren't You and I. Albert Espinosa, 2015-07-02. Can you imagine a future where everyone has given up sleeping? From the creator of the television series *Red Band Society* and author of the international bestseller *The Yellow World*, comes this uniquely special novel. What if I could reveal your secrets with just a glance? And what if I could feel with your heart just by looking at you? And what if in a single moment I could know that we were made for each other? Marcos has just lost his mother, a famous dancer who taught him everything, and he decides that his world can never be the same without her. Just as he is about to make a radical change, a phone call turns his world upside down. Albert Espinosa has a peculiar talent for generating immediate congeniality around him, for shifting people's moods toward the positive and for reconciling them with themselves and the world when needed. **Reviews** Albert Espinosa lives exclusively in his imagination. He uses it to write, to direct plays and films, and to act. His sense of humour is as special as his way of living. An optimism as contagious as a cold. Teresa Cendr's *El Peri d'ico*. If there's one ability Espinosa has had in all of his multifactorial creations, it's his capacity to stand in other people's shoes. Empathy is his strength. **N ria Escur La Vanguardia**. Speaking with Albert teaches me many new things, such as it is not sad to die and that what is sad is not living, not to live it all. He knows what he's talking about and knows how to tell it, and that's why his works help us to live. **V ctor M Amela La Vanguardia**.
